

# FY 2019 Adopted Budget

VOLUME 1  
Policy & Legal Detail

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished  
Budget Presentation  
Award*

PRESENTED TO

**Multnomah County  
Oregon**

For the Fiscal Year Beginning

**July 1, 2017**

*Christopher P. Morill*

Executive Director

The government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Presentation to Multnomah County for its annual budget. In order to receive this award, a government must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communication device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Cover Image: The cover image, provided by the Multnomah County Health Department Headquarters project team, is a rendering of the new Health Department headquarters. The building is currently under construction and scheduled to open in 2019.

## Board of County Commissioners

## Multnomah County Board of Commissioners

Multnomah County adopted the Mission, Vision and Values statement to provide a framework for making decisions that impact Multnomah County government and the community.

Knowing the mission, vision and values of the organization enables our leaders and employees to consider the greater good when making tough decisions.

### Mission

The Multnomah County Board of Commissioners *plans* for the needs of a dynamic community, *provides* leadership to ensure quality services, *prioritizes* the needs of our most vulnerable and *promotes* a healthy, safe and prosperous community for all.

### Vision

Build a community where everyone is healthy and anyone who needs help has a place to find it.

The community knows about and is engaged in what we do.

We have the resources to meet the community's needs.

Everyone in our community shares equally in opportunity, regardless of what they look like, where they come from, what they believe in, or who they love.

There is a fully funded safety net to protect the most vulnerable people in our community.

### Values

**Social Justice** – Promote equity in the community, include people who have not been included in the past, help those who need help.

**Health** – Support a healthy community from birth through adulthood.

**Public Safety** – Maintain safe neighborhoods through prevention, intervention and enforcement.

**Integrity** – Be honest and trustworthy, creating transparency and harmony between what we think, say and do. Put the County's mission above personal goals.

**Stewardship** – Demonstrate tangible, cost effective results from our work; decisions are clear, evidence-based, and fair.

**Creativity and Innovation** – Think in new ways, value new opinions and recognize ingenuity and resourcefulness.

**Sustainability** – Focus on the long-term environmental and economic well being of the community.

## Deborah Kafoury Multnomah County Chair

### **Multnomah County Executive Budget Message**

#### **Introduction**

The 2019 Multnomah County Executive Budget strives to reflect the mission and values of Multnomah County and maximize what I believe is the critical role this county and its hundreds of partners play in our community.

I am proud of, and motivated by, Multnomah County's record of aggressively tackling complex and long-standing challenges to our community, including homelessness, critical infrastructure needs such as bridge replacements, the opioid epidemic and gaps in physical and behavioral health care. Through its many lines of work, the County both seeds and spreads its vision of a community where anyone who needs help can find it, where everyone shares equally in opportunity, and where the most vulnerable are protected.

This vision has led me to develop a budget that prioritizes investments in equitable outcomes and eliminating disparities; strengthens the County's ability to respond to crisis and critical emerging needs; and both builds, and clears, pathways for families to achieve safety and stability, and to thrive.

This includes funding supportive housing vouchers for our hardest-to-house and most vulnerable families. We are boosting critical staffing to help us prepare for and navigate weather events and natural disasters. And, we are providing resources to implement the strategies that will improve equitable recruitment, hiring, promotion and retention here at Multnomah County. This budget also continues to dedicate dollars for capital infrastructure including the replacement of the Central Courthouse and Health Department headquarters. Investing in critical infrastructure needs today saves us money long term.

I approached this process mindful that the economic forces that have led to the County having expanded resources the last three years are turning. Inflation and interest rates are rising beyond our revenue growth and the cost of retaining our workforce and providing services in our community continues to rise. Our economic forecast shows a structural deficit in the coming years that requires us to carefully balance this budget with the future in mind. Toward that end, I have

directed every department to offer savings through administrative costs and clear-eyed evaluations of programming.

With these challenges in mind, this budget strives to accomplish the County's vision of justice, safety and belonging for our community, while keeping the organization fiscally sound and directing county dollars to where they can accomplish the most.

### **Equity in action**

This 2019 budget makes unprecedented investments in strategies that directly address entrenched disparities in our county and within this organization. Racism and poverty are not unfortunate accidents. They are the unjust result of systematic decisions. And it is only through deliberate and sustained action on our part that we will make progress.

The County strives to have a workforce that reflects — and deeply relates — to the people who call Multnomah County home. This connection, enriched by diversity, creates a more effective organization and a community where all can flourish and lead productive lives. After spending months identifying structural and policy barriers to creating and maintaining the County workforce we envision, this budget invests \$500,000 for the implementation of the Workforce Equity Strategic Plan and recommendations from our organizational development consultants to shift our training, policy, practice.

As part of this work, the budget also includes full-time staffing for the College to County mentorship program that recruits, hires and develops students of color, low-income students, and students with disabilities, many of whom are the first in their family to attend college. The program offers unique access to careers at the County with a three-month paid internship for substantive work on projects that innovate, fill service gaps, and add capacity for existing staff in providing critical services. Students learn and apply the knowledge, skills and abilities required to successfully complete assigned projects while gaining experiences that prepare them for permanent positions upon graduation.

### Voter Access

The budget supports universal voter access and addresses barriers that keep people from successfully participating in elections by permanently funding successful pilots initiated by the Elections Division. This \$90,000 investment includes: improved ballot tracking and voter communication; offering voter information in extensive multiple languages; expanding 24-hour ballot drop sites and supporting a Voter Center Express in Gresham to reach the underserved areas of East County.

### Pacific Islander Research Project

Communities that are closest to a problem are often closest to the solution and accurate data plays a key role in a community's ability to tell their story and seek effective and relevant services. Last fall, I met with the Pacific Islander Coalition, a group launched out of the efforts of the Health Department's Health Equity Initiative to better understand the barriers to health for a community

that represents families from many countries, traditions and languages. For too long, Pacific Islander children and families have been grouped into a single broad category for data collection, making it difficult to understand and address their unique challenges. This budget invests in a new partnership between the Health Department and Pacific Islander community to gather qualitative and quantitative data to understand needs, gaps and opportunities. This includes gathering baseline health behavior information, identifying health disparities, ensuring extensive community engagement, translation and co-created design and oversight with community members.

### **Responding to crisis and critical needs: Preventing harm, promoting safety, saving lives.**

The County has a uniquely broad obligation to be there in a crisis, from a community emergency such as the Eagle Creek Fire, to an individual situation that threatens a person's safety, health or housing. The 2019 budget supports our overall emergency preparedness with a dedicated planner to update and manage the County's plans and training. For the first time, this budget also funds with the city of Portland, an emergency management position in the Joint Office of Homeless Services to respond to the needs of the most vulnerable in our community during a disaster or weather emergency.

The 2019 budget also addresses the following emerging needs around individual public safety among some of the most vulnerable in our community.

#### Deputy Medical Examiner

The County Medical Examiner investigates and determines the cause of any sudden, violent or suspicious death. Although our community has grown nearly 30 percent since the 1970s, the number of Deputy Medical Examiners, or death investigators, has not. This budget covers an unfunded portion of a new deputy medical examiner position in order to increase the number of investigators able to respond to scenes, respond more quickly, and reduce overtime.

#### Senior-Specific DVERT Case Manager

Across local law enforcement, senior services and adult protective services, we are seeing sharp increases in the abuse of seniors by family members including adult children and grandchildren. This budget provides \$150,000 for a new position to link the domestic violence system to the senior service system, focusing on seniors who are being abused and are at increased risk of death.

#### Immigration Legal Consultation and Education

With continued fear and uncertainty around federal immigration and refugee policy, this budget maintains our investment of \$160,000 in providing education and legal counsel for families being served in our programs and boosts our capacity to work with domestic violence survivors who need immigration consultation.

## Syringe Disposal

As we respond to the ongoing opioid epidemic, we've heard from community members increasingly concerned about syringes found in neighborhoods, public spaces and businesses. We know there are common sense solutions. My executive budget includes \$143,000 for more disposal boxes, as the County continues to work with our local and regional partners to provide more community-based syringe disposal options that are safe and accessible

## **Building pathways to safety, stability and thriving**

I am committed to connecting families to a safe, stable home and to the supports and services that help young people grow and gain the social-emotional, academic and employment skills to successfully navigate high school, higher education and careers.

## SUN Service System

The Schools Uniting Neighborhoods (SUN) program is one of the central partnerships and investments that support our schools and the children and families who are most in need. Through SUN, students gain access to after school activities, academic support and mentoring. And, families can access classes, early childhood services, housing, energy and employment assistance. This budget maintains our core SUN services and adds \$230,000 for four sites. Specifically, we are partnering with the Centennial School District in East Multnomah County to ensure two current SUN sites are able to stay open despite changes in state and federal grant funding. And in Portland Public Schools, we are pleased to partner with the district as they open two new sites at middle schools this coming fall. We believe - as they do - that the community school model is a tremendous asset to support the reopening of Harriet Tubman and Rose City Park.

We are also partnering for a second year with the city of Gresham in an evidence-based program to link volunteer families, couples and individual mentors to young people in East Multnomah County who are in need of support.

## Children, Trauma and Mental Health

In response to school and community partner requests for increased support for children who have experienced deep trauma, in 2018, we worked together to design a school-based mental health case management and technical assistance pilot. This budget continues funding for that collaboration that is improving our outreach and prevention efforts, and bringing additional skills training and resources for children and families.

## Youth, Violence and the Justice System

In 2018, the Department of Community Justice worked with partners to build on the success of our Juvenile Service Division's Community Healing Initiative (CHI) by expanding eligibility through the Adult CHI program. Adult CHI works with African American males aged 17 to 25 convicted of felonies and some misdemeanors through mentorship, case management, and peer support. As a result we have decreased recidivism while supporting young men in their efforts to reach personal

goals, gain access to employment, and further their education. I'm excited to continue our \$90,000 investment in this program that works and help address long standing inequities in our criminal justice system.

We're also expanding our preventative efforts through other programs. For four years, Multnomah County helped convene a diverse set of stakeholders to develop a comprehensive plan to address gang violence in our community. This work is vital, and requires resources to be successful. This budget includes funding to help coordinate implementation of the plan, as well as ongoing funding to culturally specific providers to ensure those community developed strategies move forward.

### Housing Support for Families

We know what gives families the best chance at supporting their children and young people the best chance to thrive is a home - a stable place to rest, do homework, eat breakfast, read with their families. Children should be in a home, not in a shelter.

Toward that end, this budget includes a new investment of \$600,000 in supportive housing for families. This new program creates longer- term rent assistance vouchers and wrap around support services to help move some of our hardest to house families from shelter into permanent housing.

This budget continues a 2018 pilot that established a local long-term voucher program tailored to households with fixed incomes, to improve housing stability and reduce rent burden. In addition, we are increasing our capacity to divert families from shelter and keep them in their homes in the first place and investing for the first time in a position to increase services and connection to renters in unincorporated Multnomah County.

### **Community Partnership**

The development of this budget has involved difficult choices. And it has been important to me to hear from community voices throughout its development.

I want to thank the Community Budget Advisory Committee for its work overseeing this process.

I also want to thank Commissioners Sharon Meieran, Loretta Smith, Jessica Vega Pederson and Lori Stegmann for their leadership, partnership and steadfast commitment to the values of justice and fairness. I'm grateful to the hard work of my policy staff, especially Kimberly Melton, Adam Renon, Anna Marie Allen and Liz Smith-Currie.

And as much as this document relies upon the Board to make it a reality, it wouldn't exist at all without the work of Budget Director Mike Jaspin and his staff. They have put in countless hours counting and recounting, balancing and rebalancing. And the budget I am presenting today is a product of that diligence and commitment to excellence.

Finally, I want to acknowledge the thousands of employees at Multnomah County. For some of you, the financial impact of this budget will be very direct. While departments have tried to direct cuts toward vacant positions, that was not always possible. I want to thank each of our employees for

their dedicated service, their commitment to the cause of improving our community, and their daily contributions. They make people's lives better, and I believe we all owe them gratitude and respect.

Sincerely,

A handwritten signature in black ink that reads "Deborah Kafoury". The signature is written in a cursive, flowing style.

Deborah Kafoury

## Introduction

Multnomah County's \$2.1 billion FY 2019 Adopted budget attempts to strike a balance between addressing our community's needs today and investing in the future. It provides for financial resiliency and flexibility for the County to address its future budget challenges.

It reflects the County's commitment to provide services ranging from elections and health care to animal services and road maintenance. It provides for civic infrastructure such as bridges, courthouses, and medical facilities. Beyond the numbers, it reflects Multnomah County's core goal to provide our residents with a sense of belonging, safety, and trust.

The FY 2019 budget addresses our community's needs today. Several examples include:

- Continuing to fully fund the Joint Office of Homeless Services, providing shelter capacity for 1,900 people, and adding \$600,000 of funding for supportive housing for families and providing \$315,000 to fund the Sheriff's HOPE Team for another year.
- Maintaining the County's current 1,192 jail beds.
- Continuing to address our community's mental health needs and reduce the use of incarceration by providing \$750,000 for the LEAD program.
- Providing primary health care for 44,000 people and adding funds for five additional syringe boxes.
- Providing \$182,000 for a Deputy District Attorney position to continue working on the sexual assault kit backlog.
- Providing \$230,000 to fund two additional SUN School sites and address a funding gap for two others.
- Providing \$90,000 for improved voter access, including ballot tracking, translation of materials into more languages, a voting express center in Gresham, and 24-hour ballot drop site support.

The budget devotes an additional \$21.5 million of one-time-only General Fund resources to capital infrastructure. This not only addresses the County's capital needs, but it also reduces future borrowing needs. These include:

- \$14.0 million for the new Downtown Courthouse, in addition to the \$66.0 million provided in the prior three years.
- \$5.0 million for Emergency Shelter Capital.
- \$1.0 million for Cell Lighting and Window Covers at the Multnomah County Justice Center to reduce suicide risks.
- \$1.0 million for repairs to the Sheriff's River Patrol Boathouses

*A strong economy and sound management cannot fully compensate for our long-term structural deficit caused by Oregon's constitutionally enshrined property tax system and PERS costs.*

- \$500,000 for replacement of the District Attorney's CRIMES software, in addition to the \$2.6 million funded in FY 2017 and FY 2018.

The Adopted budget also recognizes that the strong Portland economy is not recession-proof. Even without a recession, the County's revenue growth is slowing while labor costs are growing at a faster rate. Oregon's constitutional limits on property tax growth, paired with higher wage growth due to the strong labor market, increased local inflation, and increasing PERS costs, mean the County will need to make reductions or raise revenue in the coming years. The proposed budget provides for financial resiliency and flexibility by:

- Treating a very modest "surplus" in FY 2019 as one-time-only funds to avoid funding programs that cannot be supported in the future.
- Accepting \$3.4 million in proposed reductions and treating the funds as one-time-only to reduce the projected FY 2020 deficit, and investing the savings in capital projects in FY 2019.
- Contributing the third \$25 million installment to a PERS side account to address the County's unfunded liability.
- Fully funding our General Fund Reserves per the Board's Policy.
- Increasing our General Fund Contingency from \$1.25 million to \$1.5 million.
- Funding a 10% Business Income Tax (BIT) reserve.
- Spending one-time-only resources on one-time-only expenditures.
- Using one-time-only funds to address capital needs to reduce future borrowing requirements, saving \$826,459 in ongoing debt payments.

The County's prudent management of its financial resources has been noted by the credit rating agencies. In November 2017, both S&P Global Ratings and Moody's Investor Services awarded Multnomah County the highest possible rating (AAA and Aaa, respectively) for our long-term debt associated with the new County Courthouse and Health Department Headquarters building. The S&P Global Rating also reflects an upgrade from AA+ to AAA on the County's full faith and credit obligations. S&P noted the County's "strong management, with good financial policies and practices" and the County's strong budgetary performance and flexibility.

The FY 2019 budget includes a number of reductions and reallocations. Several of significant note are:

- Transferring responsibility for a portion of communicable disease program to the Coordinated Care Organization, saving \$197,605 this year, and a total of \$349,051 in FY 2020.

- Cutting 2 Deputies in the Sheriff's River Patrol Unit, saving \$251,116.
- Reducing jail re-entry programs to provide ongoing funding of \$337,720 for the Adult Community Healing Initiative that engages 17-25 year old African American males convicted of felonies and misdemeanor gun crimes and was previously funded with one-time-only funds.
- Cutting a Senior District Attorney, saving \$271,372.
- Administrative and back-office reductions across a number of departments.

While the focus of budget discussions tends to naturally fall on the "adds and cuts," the vast majority of the County's programs are unchanged from FY 2018, with more than 5,000 County employees continuing to provide services ranging from law enforcement and health care to bridge maintenance and elections in FY 2019.

The following pages of the FY 2019 budget contain much more information on the County's financial picture and operational and investment plans for FY 2019.

The County's budget information for FY 2019, as well as past years, can be found at: [www.multco.us/budget](http://www.multco.us/budget).

## Planning for FY 2019

### *Economic Climate*

The Portland metropolitan economy remains remarkably strong, growing above its historical growth rate since mid-2012. As of December 2017, the 3.7% unemployment rate in Multnomah County was at historical lows. At the state level, Oregon's unemployment rate matched the U.S. rate at 4.1% in January.

At the national level, Gross Domestic Product (GDP) – the output of goods and services produced in the U.S. – increased at an annual rate of 2.5% in the final quarter of 2017, and 3.1% and 3.2% in the preceding two quarters. The 2018 annual growth rate is expected to be in the 2.1% to 2.7% range.

Locally, the residential real estate market remained strong in calendar year 2017, but has slowed relative to recent years. As measured by the S&P Case-Shiller Home Price Index for the Portland metropolitan area, home prices increased 8.1% during 2017. Portland no longer leads the country in year-over-year home price appreciation, but growth remains strong and on par with other large, West Coast cities.

The Federal Reserve has begun to raise interest rates and is poised to raise rates further in 2018. Despite this, limited inventory, population growth, and employment and wage gains should continue to push house prices up. These increases continue to be tempered by affordability concerns as most Portland neighborhoods have become increasingly unaffordable, and strong price growth is expected to continue in 2018. Apartment construction remains strong, and rents are leveling off as supply gets closer to population growth. Permits for new housing units are slowing, which could cause supply to lag population growth going forward. During calendar year 2016, real market values of multifamily housing grew 34%, following 37% real market value growth in calendar year 2015.

Unemployment rates at the local, state, and national levels continue to fall from the double digits seen in 2009 and 2010. As of January 2018, the U.S. unemployment rate stood at 4.1% vs. 4.8% a year earlier. For Oregon, the January 2018 rate was 4.1% vs. 4.2% a year earlier. In Multnomah County, the similar figures are 3.7% vs. 3.9% a year earlier. With nonfarm employment in Multnomah County at 514,000, employment levels are roughly 10,300 or 2.0% higher than the previous year. The strong job growth and falling unemployment rate have led to real wage growth at all income levels, and real wages for workers in the lowest quintile have finally caught up to pre-recession levels.

The Oregon Office of Economic Analysis forecasts employment growth of 2.1% in 2018 and 2019, and personal income growth of 5.5% in 2018 and 5.7% in 2019.

### Forecasting the General Fund

Multnomah County uses ongoing financial forecasting and monitoring to estimate revenues and expenditures in the General Fund, the County's largest source of discretionary revenues. Forecasts are made for a five-year time horizon and updated on a quarterly basis. The forecast helps form the basis on which Multnomah County builds its annual budget.

The Budget Office's March 2018 Five-Year Forecast projected ongoing revenues exceeding ongoing expenditures by \$3.1 million for FY 2019. As the table below shows, the surplus turns into an \$11.0 million deficit in FY 2020. The gap grows to a deficit of \$30.8 million or 5.2% of expenditures in FY 2023, the fifth year of the forecast.

Forecasted Ongoing General Fund Expenditures, Revenues, and Operating Balance (In Millions)					
	FY 2019	FY 2020	FY 2021	FY 2022	FY 2023
<b>Revenues</b>	\$504.6	\$514.2	\$531.1	\$548.6	\$566.6
<b>Expenditures</b>	501.6	<u>525.1</u>	<u>550.5</u>	<u>573.5</u>	<u>597.4</u>
<b>Surplus/(Deficit)</b>	<b>3.1</b>	<b>(11.0)</b>	<b>(19.4)</b>	<b>(24.9)</b>	<b>(30.8)</b>
<i>Change in Surplus from Prior Year</i>		<i>(14.0)</i>	<i>(8.4)</i>	<i>(5.5)</i>	<i>(5.9)</i>
<i>Surplus/(Deficit) is this % of Expenditures</i>	0.61%	-2.09%	-3.52%	-4.34%	-5.16%

*Note: Revenues/Expenditures include video lottery, but exclude reserves, FQHC wraparound and prospective health payments*

These estimates do not account for potential cost increases associated with labor contracts that are either in negotiation or were in negotiation during the budget process. These include the County's Parole & Probation Officers (127.50 FTE), Deputy Sheriffs (130.25 FTE), Nurses (180.09), and Prosecuting Attorneys (73.95 FTE) and together account for about 10% of the County's workforce.

Based on this forecast and assuming a five-year planning horizon, the County cannot support any additional ongoing spending without reallocating from existing programs, increasing revenues, or increasing operational or programmatic efficiencies.

More information on the County's forecast can be found at [www.multco.us/budget](http://www.multco.us/budget).

### *Local Revenues*

Property tax is the single largest discretionary source of revenue in the General Fund, accounting for 60% of ongoing revenues. General Fund growth, therefore, is particularly sensitive to taxable value growth and compression. The FY 2019 budget assumes the following rates of growth (as measured from the FY 2018 Adopted budget) for each revenue source:

- Property Tax – An increase of 4.4%
- Business Income Tax – An increase of 0.6%
- Motor Vehicle Rental Tax – A decrease of 0.4%
- Recording Fees/CAFFA Grant – A decrease of 7.1%
- US Marshal Jail Bed Rental – An increase of 6.2%

As measured from the FY 2018 Adopted budget, ongoing General Fund resources for FY 2019 are projected to increase by nearly 3.1%. However, as measured from currently forecasted FY 2018 revenues, ongoing General Fund resources will increase by a more modest 1.9%.

### *Cost Drivers*

The County's General Fund expenditures are forecast to grow at roughly 4.2% to 4.9% annually through FY 2023, a rate of growth that takes into account inflation, employee compensation, and long-term fixed costs. For FY 2019, the cost of providing current service levels is expected to grow at 4.7%. This relatively strong rate vs. prior years is driven by personnel costs, which are forecast to grow at 5.7%. Specifically, the personnel cost increase is driven by:

- Cost of Living Adjustment: 3.5% (of base pay)
- Step/Merit Increases/Contract Adjustments: 2.0% (of base pay)
- Medical/Dental: 6.5%
- PERS: 0.85% (of base pay)

Inflation, which has been modest for most of the recovery, has picked up significantly as measured by the Portland CPI-W. The increase has been driven in part by the strong rise in both housing prices and rents in the Portland area. This is significant as the County's labor contracts are tied to this index to determine employees' COLA. The Portland CPI-W is being phased out by the Bureau of Labor Statistics, and the County's labor contracts are expected to be tied to the West Coast Size A CPI-W index in the future. This index continues to show inflation at 3.8%.

The strong job market is also pushing base wage growth above inflation levels. Combined, these two factors are driving significant wage growth.

The County's pension costs via the Public Employees Retirement System (PERS) are also expected to rise significantly over the foreseeable future. This is due to a number of factors, which are discussed in more detail later, but are driven by five basic factors:

1. In April 2015, the Oregon Supreme Court in the Moro case invalidated the majority of the 2013 reforms passed by the Oregon Legislature.
2. The PERS Board has steadily reduced the assumed earnings rate from 8.0% to 7.2%.
3. The impact of using collared rates.
4. The PERS Board updating its mortality assumptions.
5. The PERS system earning less than assumed in recent years.

The impact of these decisions and events is to increase the County's unfunded liability (UAL) from \$89.2 million as of December 2013 to \$660 million as of the December 31, 2016 valuation.

The County's PERS rates are set biennially and FY 2019 is mid-biennium, so the County's rates are unchanged. However, the County is expecting its PERS rates to increase by 5.0% to 5.5% of base pay for FY 2020. In light of this and past rate increases and volatility, the County has historically "smoothed" the internal rates it charges to departments to provide predictability, stability, and mitigate risk.

For FY 2019, the rates charged to departments are increased by 0.85% of base pay to address the significant future increases in the County's rates, our unfunded liability, and to smooth the increases. This internal rate increase, combined with the establishment of PERS side accounts, should address just less than half of the anticipated FY 2020 rate increase.

For FY 2019, internal service rates charged to departments for items such as information technology and facilities services are assumed to increase 7.06%. As the County's internal services are heavily labor dependent, the increase in personnel cost growth has put upward pressure on internal costs.

### *Policy Direction from the Chair & the Board and Balancing the General Fund*

*These actions also  
lower the FY 2020  
projected deficit from  
\$11.0 million to \$7.4  
million.*

The Chair directed all departments to submit General Fund budgets that reflected a 2% reduction from current service level budgets as a starting point for the FY 2019 budget. These reductions generated \$8.3 million in "savings" for the Chair to reallocate. Departments could also propose service expansions, restoration of reductions, backfill of grants, and new programs. Departments were also able to request one-time-only funds.

The Chair's Proposed General Fund was balanced by:

- Treating the previously noted \$3.1 million FY 2019 "surplus" as one-time-only (OTO) since new or expanded programs funded with the surplus can not be supported on an ongoing basis.
- Accepting approximately \$5.8 million of the \$8.3 million in proposed departmental reductions or cost shifts, recognizing \$826,000 of ongoing savings from reduced debt servicing costs due to the \$14 million OTO capital contribution to the Courthouse, and recognizing \$1.2 million of additional revenue and savings based on departments' submitted budget. This provided \$7.9 million of ongoing funds to be "spent".
- Of the \$7.9 million, \$3.6 million was treated as OTO, lowering the FY 2020 projected deficit from \$11.0 million to \$7.4 million.
- The remaining \$4.3 million was allocated to various programs and to cover the expected cost of labor agreements.

The Proposed budget allocates the \$25.4 million of discretionary one-time-only (OTO) General Fund as follows:

- Allocating \$21.5 million to major capital projects.
- Allocating the remaining \$3.9 million to a variety of costs, such as the LEAD program, residential appraiser development program, and various studies and ramp-down or transition costs.

The Proposed budget also includes \$4.275 million of Tax Title resources in the Joint Office of Homeless Services and \$5.0 million from the sale of the Wapato Jail in the Supportive Housing Fund, per Board resolution.

Per past practice, the Business Income Tax reserve is funded at 10% of BIT revenues for FY 2019. This is on top of the County's 10% General Fund revenue reserve. The FY 2019 budget conservatively assumes that departments will fully spend their FY 2018 General Fund appropriations.

The Chair's budget message provides additional information on her policy initiatives. The following sections of the Budget Director's Message provide more detail on the County's one-time-only resources and spending.

The Board subsequently utilized \$1.7 million of unspent FY 2018 General Fund contingency funding that had been set aside to cover potential State and Federal funding reductions. This funding was used to fund a series of additions, including:

- Providing \$50,000 for LGBTQ+ culturally responsive mental health services.
- Providing \$50,000 for economic prosperity and anti-displacement efforts in East County.
- Providing \$191,108 to restore the in-jail human trafficking position in the Sheriff's Office.
- Providing \$350,000 in capital for the development of a substance abuse treatment facility.
- Providing \$340,000 in legal aid for immigrant and refugee communities.
- Providing \$100,000 to connect employment and housing resources for families, youth, and communities of color.

The Board also set aside \$300,000 in contingency funding for the following programs:

- \$150,000 for a broadband feasibility study.
- \$50,000 for the Counterpoint Outpatient Program.
- \$100,000 for a pilot program to expand legal services to reduce barriers to employment and housing for adjudicated individuals.

The list of Board adjustments can be found here: <https://multco.us/file/73358/download>.

Per past practice, the Business Income Tax reserve is funded at 10% of BIT revenues for FY 2019. This is on top of the County's 10% General Fund revenue reserve. The FY 2019 budget conservatively assumes that departments will fully spend their FY 2018 General Fund appropriations.

The Chair's budget message provides additional information on her policy initiatives. The following sections of the Budget Director's Message provide more detailed information on the County's one-time-only resources and spending.

### Overview of Additions, Reductions, & Reallocations

#### Health & Human Services Additions

The FY 2019 budget includes a number of General Fund additions, reductions, and reallocations. The following tables summarize these by broad service area. Investments in infrastructure have been included by the most relevant service area.

The tables include both ongoing and OTO funds and do not reflect cuts that were proposed by departments but restored in the Chair's Proposed budget. They do not include Tax Title funds restricted by Oregon Law.

Several tables also show how Departments internally reallocated General Fund resources to higher priorities.

Prog. #	Program Offer Name	General Fund Adds	FTE Adds

<b>Total</b>		<b>\$9,554,511</b>	<b>3.80</b>

### *Health & Human Services Reductions*

The largest General Fund reductions in the Health and Human Services area are administrative, with most in the Department of County Human Services. The closure of FamilyCare in early 2018 resulted in more services being contracted with the County. The additional funds and added efficiencies allowed the Health Department to shift funding for some services from the General Fund to the Behavioral Health Care Fund, thereby freeing up General Fund without a service impact.

Prog. #	Program Offer Name	General Fund Reductions	FTE Cuts

### Health & Human Services Reallocations

By using State Homeless Assistance Program (SHAP) funding, the Joint Office of Homeless Services was able to reallocate \$475,000 of ongoing General Fund from the Gresham Women's/DV Shelter to cover the \$475,000 of one-time-only General Fund resource from FY 2018 in the Housing Placement & Retention - Homeless Families program.

The Department of County Human Services reallocated ongoing funds from several existing programs to continue two, higher-priority programs that were previously funded on a one-time-only basis.

Prog. #	Program Offer Name	General Fund Reallocated	FTE Reallocated
<b>Joint Office of Homeless Services</b>

25133	YFS - Housing Stability Team	\$250,000	0.00

### Public Safety Additions

The additions in the public safety area are focused on infrastructure. The most notable of these is additional Courthouse funding. These investments will help to reduce future capital and debt requirements, allowing more funds for operations. Not captured on these tables are significant labor costs increases that impact the majority of the programs.

Prog. #	Program Offer Name	General Fund Adds	FTE Adds
<b>District Attorney's Office</b>

<b>Total</b>		<b>\$17,312,302</b>	<b>4.25</b>

### Public Safety Reductions

The public safety reductions are sprinkled throughout the system, but do not impact the number of jail beds. Jail operation costs constitute the majority of the General Fund spending on public safety, so not reducing jail beds requires reductions elsewhere.

<b>Total</b>		<b>(\$2,672,149)</b>	<b>(14.06)</b>

### Public Safety Reallocations

The Department of Community Justice made several significant reallocations from programs that were not fully utilizing their budget or were deemed to be less effective than other programs. For instance, jail re-entry services were reduced to provide ongoing funding for the Community Healing Initiative pilot that engages 17-25 year-old African American males convicted of felonies and misdemeanor gun crimes and was funded with one-time-only funds in FY 2018.

50032	Adult Gang and African American Program - Community Healing Initiative	337,720	0.00

### *General Government Additions*

The General Government additions respond to a variety of priorities and needs, such as workforce equity and ensuring voter access to elections. The second year of funding for the DART Residential Appraiser Development program provides for workforce development, but also ensures the County accurately and fully appraises property, which impacts the County's and other jurisdictions' property tax revenues. Savings within the SummerWorks program allowed 40 slots to be added. An additional 60 were added with new General Fund, resulting 100 new ongoing slots. OTO funding for the high risk youth slots was continued for another year.

### Budget Overview - All Funds

Local budget law requires that Multnomah County report the “total” budget. The total budget reflects the actual resources needed by the County, plus internal charges, transfers, loans, and accounting entities. The total budget for FY 2019 is \$2.07 billion. When adopted, the budget sets the legal appropriation.

Because the total budget overstates what is actually spent, the County often refers to the net budget. The FY 2019 net budget of \$1.71 billion is a more accurate statement of the money the County actually plans to spend on operations during the year. The net budget (shown in the table below) subtracts all internal charges, transfers, and loans from one fund to another. Internal transactions between funds are typically the result of one department providing a service to another, such as information technology or facilities services. It also removes all reserves for future years to more accurately reflect the ongoing operating budget.

The table on the following page compares the FY 2018 Adopted budget to the FY 2019 Proposed budget at the fund level. Two new funds, 1521 - Supportive Housing Fund and 2515 - Burnside Bridge Fund, are established to record funds the Board has dedicated to supportive housing and the Burnside Bridge replacement or reconstruction. Year-over-year, the budget (including internal charges, transfers, and loans) has decreased by 0.15%. While most operating funds have increased, spending out funds allocated for major capital projects, such as the new Courthouse, reduces the overall budget.

FY 2019 Budget	
Direct Department Expenditures	\$1,688,228,931
Contingency	<u>\$23,435,111</u>
<b>Total Net Budget</b>	<b>\$1,711,664,042</b>
Service Reimbursements	\$192,440,043
Internal Cash Transfers	\$32,958,172
Reserves	<u>\$129,895,667</u>
<b>Total Budget</b>	<b>\$2,066,957,924</b>

<b>Total</b>		<b>\$2,070,096,517</b>	<b>\$2,066,957,924</b>	<b>(\$3,138,593)</b>	

### *Department Expenditures All Funds (\$1.88 billion)*

Department expenditures for all funds, excluding cash transfers, contingencies, and unappropriated balances, total \$1.88 billion in FY 2019 vs. \$1.86 billion in FY 2018.

The bar chart below shows appropriations by department in millions of dollars across all funds. This figure includes internal service payments, and thus represents some double-counting.

The construction of the Downtown Central Courthouse, the new Health Department Headquarters, and the ERP project are budgeted in the Department of County Assets. Taken together, these projects account for nearly \$264 million or 58 percent of County Assets spending, greatly distorting the size of its budget.

### *Department Revenues All Funds (\$1.70 billion)*

Total direct resources, or "revenues," for FY 2019 are \$1.70 billion vs. \$1.73 billion in FY 2018 (excluding service reimbursements and cash transfers between funds). Intergovernmental revenues are the County's single largest revenue category at \$602.5 million or 35.4%. This reflects a \$54.4 million or 9.9% increase from FY 2018.

Taxes constitute the next largest revenue source (28.2%) and include property tax, business income tax, motor vehicle rental tax, transient lodging tax, and county gas tax. For FY 2019, tax collections are anticipated to increase 2.6% from \$466.7 million in FY 2018 to \$478.9 million.

Beginning working capital (BWC) is the County's third largest resource for FY 2019, at \$401 million or 23.6%. BWC as a percentage of total resources is significantly larger in FY 2019 than in FY 2018, increasing from 19.2% to 23.6%. In dollar terms, BWC increased from \$331.7 million in FY 2018 to \$401 million in FY 2019. Several significant changes include:

- A \$58.6 million increase in the Downtown Courthouse Fund.
- A \$3.4 million decrease in the General Fund.
- A \$22.7 million decrease in the PERS Bond Sinking Fund.
- A \$11.5 million increase in the Capital Improvement Fund.
- A \$19.8 million increase in the ERP Project Fund.

### The General Fund

#### General Fund Expenditures and Reserves (\$641.5 million)

The \$641.5 million General Fund comprises one-third of the County's budget. It is the largest pool of discretionary funds that the Board of County Commissioners can allocate. Resources include property taxes, business income taxes, motor vehicle rental taxes, interest earnings, state shared revenues, and beginning working capital. The General Fund also includes Federally Qualified Health Center (FQHC)/Alternative Payment Method (APM) Medicaid reimbursement funds.

The following graph shows total General Fund "spending," including cash transfers, service reimbursements, contingencies, and unappropriated balances (reserves), from FY 2010 through FY 2019. The Temporary Personal Income Tax (ITAX) is shown in FY 2010 and is not significant enough to warrant being called out separately in subsequent years. Additionally, the graph shows how much one-time-only (OTO) and ongoing funding was spent in the General Fund from FY 2010 to FY 2019. Combining each segment provides the total General Fund.

### General Fund Revenues

General Fund resources for FY 2019 (excluding service reimbursements and cash transfers) have increased from FY 2018. Direct resources are budgeted at \$604 million – a \$21.3 million or 3.7% increase over FY 2018. Ongoing taxes are budgeted to increase by \$13.3 million or 3.3%, while one-time-only BWC is projected to be \$3.4 million (4.1%) lower.

As the graph below shows, taxes make up the majority of General Fund revenues. If one excludes BWC, service reimbursements, and the \$55.2 million of budgeted FQHC and prospective health payments, taxes account for nearly all of the Board's discretionary ongoing funds. Property taxes, accounting for \$304.2 million, are budgeted to increase by \$13.0 million or 4.5%. Business income taxes, accounting for \$85.0 million, are budgeted to be up \$500,000 or 0.6%. Motor vehicle rental taxes, accounting for \$30.9 million, are budgeted to decrease by \$600,000 or 1.8%.

### Use of One-Time-Only (OTO) Funds

The FY 2019 budget contains approximately \$38 million of one-time-only General Fund resources after fully funding the General Fund reserve and the BIT reserve. These funds include:

- \$18.7 million of additional BWC in FY 2018 (from departmental underspending in FY 2017) and higher FY 2018 revenues (mainly from higher than-budgeted business income taxes) less reserve adjustments.
- \$3.1 million of FY 2019 ongoing funds that were treated as one-time-only.
- \$3.6 million of FY 2019 ongoing reductions treated as one-time-only to reduce the FY 2020 deficit.
- \$5.1 million of funds carried over (unspent) from FY 2018, including \$4.3 million of restricted TaxTitle Funds.
- \$1.7 million of unspent FY 2018 state and federal rampdown funding.

The tables on the following pages show how the County plans to use one-time-only resources in FY 2019. The table lists one-time-only resources supporting one-time-only expenditures, or programs not expected to continue beyond FY 2019.

1/ The OTO funds for these programs are budgeted in Video Lottery Fund (1519)

### *General Fund Reserves*

The County maintains General Fund reserves as outlined in the County's Financial and Budget Policies. In FY 2019, reserves are maintained in the General Fund equal to 10% of ongoing "corporate" General Fund revenues – resources that the Board has wide discretion over, such as property taxes. The FY 2019 budget fully funds the General Fund reserves at \$43.4 million and is in compliance with the Financial and Budget Policies. The level of General Fund reserves is considered a fundamental measure of financial health.

The FY 2019 budget continues to maintain a 10% BIT Stabilization Reserve of \$8.5 million. This stabilization reserve is in addition to the General Fund reserve and is specifically intended to mitigate the risk of an unexpected downturn in the regional economy as the BIT is a volatile revenue source.

### **Policy Issues and Opportunities**

#### *Organization-wide Issues*

#### **Homelessness and Housing Affordability**

Like many other communities, Multnomah County is experiencing a significant increase in homelessness. The February 2017 point-in-time count found 4,177 people living on the streets, in shelter, or in transitional housing, which was nearly 10% more than the previous count. However, unlike in other communities, the number of entirely unsheltered people fell by 11% and the rate of unsheltered families fell by half.

The credit for some of this progress is attributable to the Joint Office of Homeless Services (JOHS), which was created in 2016 in response to the growing homelessness and housing affordability crisis. The JOHS brought together new and existing General Fund resources of Multnomah County and the City of Portland, including homelessness-related staff and programs, into a single office that operates under policy guidance from both jurisdictions.

The FY 2019 budget includes total Joint Office of Homeless Services funding of \$71.1 million, with \$29.1 million of discretionary County Funds. This reflects over \$14.0 million of County General Fund resources that have been added in the last four years. Significant challenges remain, including:

- Finding suitable shelter locations and operating shelter facilities.
- Establishing and maintaining funding for permanent supportive housing as the Federal Government reduces funding and rents continue to climb.
- Reducing the racial disparities within the homeless population.
- Addressing the chronically homeless who may have mental health or addictions struggles.

### *Personnel Costs*

#### **Merit, Step, and COLA Wage Increases**

The backbone of the County has been and continues to be its workforce, which absorbed increased workloads and achieved increased efficiencies during the economic downturn. The budget provides for COLAs and merit or step increases for all labor groups.

#### **Open Labor Contracts**

County employees are members of 11 labor unions. The terms of the labor contracts negotiated between the County and the unions normally run from two to four years. As of April 2018, five labor contracts were open or will be open for renegotiation during FY 2019. This includes the County's Parole and Probation Officers, Deputy Sheriffs, Oregon Nurses Association, Prosecuting Attorneys, and Juvenile Custody Services Specialists. The five open contracts cover 11% of total County FTEs. The results of these negotiations could have a significant impact on personnel costs going forward.

#### **Public Employees Retirement System**

The County participates in PERS, a cost-sharing, multi-employer, defined benefit pension plan administered by the State of Oregon. PERS rates are established biennially, with the most recent set of rates taking effect July 1, 2017 based on the December 31, 2015 valuation.

As noted in the cost driver section, the reforms made by the Oregon Legislature in 2013 were largely invalidated by the Oregon Supreme Court on April 30, 2015. As of the December 31, 2016 valuation, the County's unfunded actuarial liability increased to \$660 million due to these reforms not being upheld, the PERS Board reducing the assumed earnings to 7.20% and updating its mortality assumptions, and below assumed earnings.

The County expects its rates to increase 5.0 to 5.5% of base pay in FY 2020. In response, the County has increased its internal PERS rates by 0.85% of payroll to pro-actively address the UAL in FY 2019. The County also established a \$25 million PERS side account in FY 2017, and contributed another \$25 million in FY 2018, to reduce future rate increases. The FY 2019 budget includes funds to make a third \$25 million contribution to our PERS side account. These actions should address just less than half the expected FY 2020 increase.

Regardless of these measures, the County will face rising PERS costs for the foreseeable future.

More information on PERS can be found at [www.oregon.gov/PERS](http://www.oregon.gov/PERS), in the County's Comprehensive Annual Financial Report, and in staff's PERS Briefing to the Board, which is located at [www.multco.us/file/42452/download](http://www.multco.us/file/42452/download).

### Investing in Infrastructure

#### Burnside Bridge

The Burnside Bridge was built in 1926 and has been designated as an official emergency transportation route by Metro. The bridge is not up to current seismic standards and is in need of rehabilitation or replacement in order to ensure it can meet its obligation to serve as a lifeline corridor in an emergency.

The County Board approved resolution 2015-116 on November 5, 2015, which authorized a \$3.0 million internal loan to fund a feasibility study for the seismic rehabilitation or replacement of the Burnside Bridge. The three year feasibility study is expected to be completed in the fall of 2018.

The County has been talking with community members and a team of experts to better understand what options should be considered. To date, the project has considered over 100 Burnside crossing options. After two rounds of screening, the list has been narrowed down to two groups that represent over 20 remaining options for further evaluation: Enhanced Seismic Retrofit and Replacement. A final decision will be made in the fall of 2018.

Passage of HB 4064 during the 2018 legislative session will allow large counties to use vehicle registration fees for bridges without distributing a portion of the funds to cities, providing funding for the National Environmental Policy Act (NEPA) analysis phase of the project. The County is funding the current study period but is working to get local, state and federal support for the bridge design and construction. A new capital fund (2515) to track revenues and expenses for the Burnside Bridge project is contained in the FY 2019 budget. The County's FY 2019 budget earmarks \$6 million to start the NEPA study phase, which is expected to last approximately three years.

More project information can be found at <https://multco.us/burnside-bridge-projects> and <https://multco.us/earthquake-ready-burnside-bridge>

#### Earthquake Ready Burnside Bridge Project Timeline

### *Investing in Infrastructure (Continued)*

#### **New Central Downtown Courthouse**

The existing Multnomah County Courthouse was built between 1909 and 1914 and is functionally and structurally obsolete. In-custody defendants use the same public hallways as court personnel, crime victims, and the general public and the unreinforced masonry walls do not meet current seismic codes. The Courthouse is also at capacity with no room for additional growth.

The County has partnered with the State of Oregon, as well as other stakeholders, to plan and design a new 17-floor, 44-courtroom courthouse at the corner of SW First Ave and SW Madison street, near the west end of the Hawthorne Bridge.

The new Courthouse is estimated to cost \$324.5 million and will be paid for jointly by Multnomah County and the State of Oregon. Recent legislation passed by the State of Oregon allows it to provide 50% of the construction cost for State court related functions, subject to appropriation of funds from the State Legislature. The project assumes a total of \$125 million from the State.

The County is funding its share of the project with \$69.3 million of one-time-only General Fund resources contributed in prior fiscal years plus another \$14 million proposed in the FY 2019 budget. The Board also allocated \$10 million from the sale of the Morrison Bridgehead property to the project. The balance will be debt financed with bonds, with most having been sold in December 2017.

Debt payments will be covered by \$4.44 million of ongoing County General Fund resources set aside in the FY 2019 budget, as well as a \$5 surcharge on Circuit Court parking and traffic violations legislatively authorized by HB 4093.

The new Multnomah County Central Courthouse is scheduled to open in Spring 2020.

More information on the Courthouse can be found at: [www.multco.us/central-courthouse](http://www.multco.us/central-courthouse)

### *Investing in Infrastructure (Continued)*

### *New Information Technology*

#### **Health Department Headquarters**

The new Multnomah County Health Department (MCHD) headquarters building will replace the County's aging and obsolete McCoy building. The new facility will be located on the east half of block U, adjacent to Bud Clark Commons in downtown Portland.

The MCHD headquarters will be 157,000 square feet at an estimated cost of \$94.1 million. The new facility will house approximately 500 employees providing administrative, clinical, pharmacy and laboratory services. Project funding includes \$36.4 million from Prosper Portland. An additional \$20.4 million of one-time-only General Fund resources has been dedicated to the project. The County issued debt of \$43.5 for the balance of the project in December 2017. A portion of that debt will be repaid from the sale of McCoy building which Health currently occupies. The FY 2019 budget includes \$3.0 million of ongoing General Fund to support debt service.

Construction began February 20, 2016 and is expected to be completed in FY 2019.

#### **Enterprise Resource Planning(ERP) Replacement**

Multnomah County is in the process of replacing its SAP Enterprise Resource Planning (ERP) system, which was implemented in 1999. The County first embarked upon a review of its current system and business needs, as well as current technology. That review was completed in March 2015. An RFP was subsequently released in November 2015, with the County selecting Workday as the system with Deloitte Consulting as the system integrator. Jaggaer (formerly SciQuest) was selected to support the County's source to settle needs, while IBM Tririga was selected to support Facilities asset management operations. The County's current Questica software will continue to support budget operations.

The project is currently in the system integration testing phase, with user acceptance testing scheduled to begin in July. Deployment and training will occur through late summer and into December. The system is expected to be live in late 2018 or early January 2019.

The \$42.8 million implementation cost will be financed over seven-years with debt service covered by allocating costs to departments on a per FTE basis of \$1,323.

### *New Information Technology (Continued)*

#### **CRIMES Replacement**

The District Attorney's (DA's) Office is legislatively required to keep a register of all official business. The DA's Office currently uses a case management system consisting of two modules (CRIMES Juvenile and CRIMES Adult) to keep an official record of all court proceedings, including information on hearings, judgements, defendants, witnesses, and victims. The 16 year-old case management system is built on obsolete technology and has become cost prohibitive to maintain. The CRIMES replacement project will replace the current, outdated system with a new web-based application.

The project began in FY 2016 with funding of \$100,000 for planning and vendor identification. The FY 2017 and FY 2018 budgets included a total of \$2.5 million for the project, and the FY 2019 budget includes an additional \$458,844 of one-time-only funds for final project completion (program offers 15012 and 78319). Project completion is anticipated by the fall of 2019.

#### **Cybersecurity**

In FY 2016, the County initiated a multi-year cyber security program to upgrade outdated technology, increase cyber security awareness, and implement tools for managing cloud-based data systems. The project will continue through FY 2019, with \$515,599 budgeted in program offer 78318. Major elements for work in FY 2019 include continued implementation of the County's enterprise firewall platform and the data center fabric redesign.

Given the constantly evolving cyber security environment, the County will continue to adapt existing technology to remain diligent towards security threats.

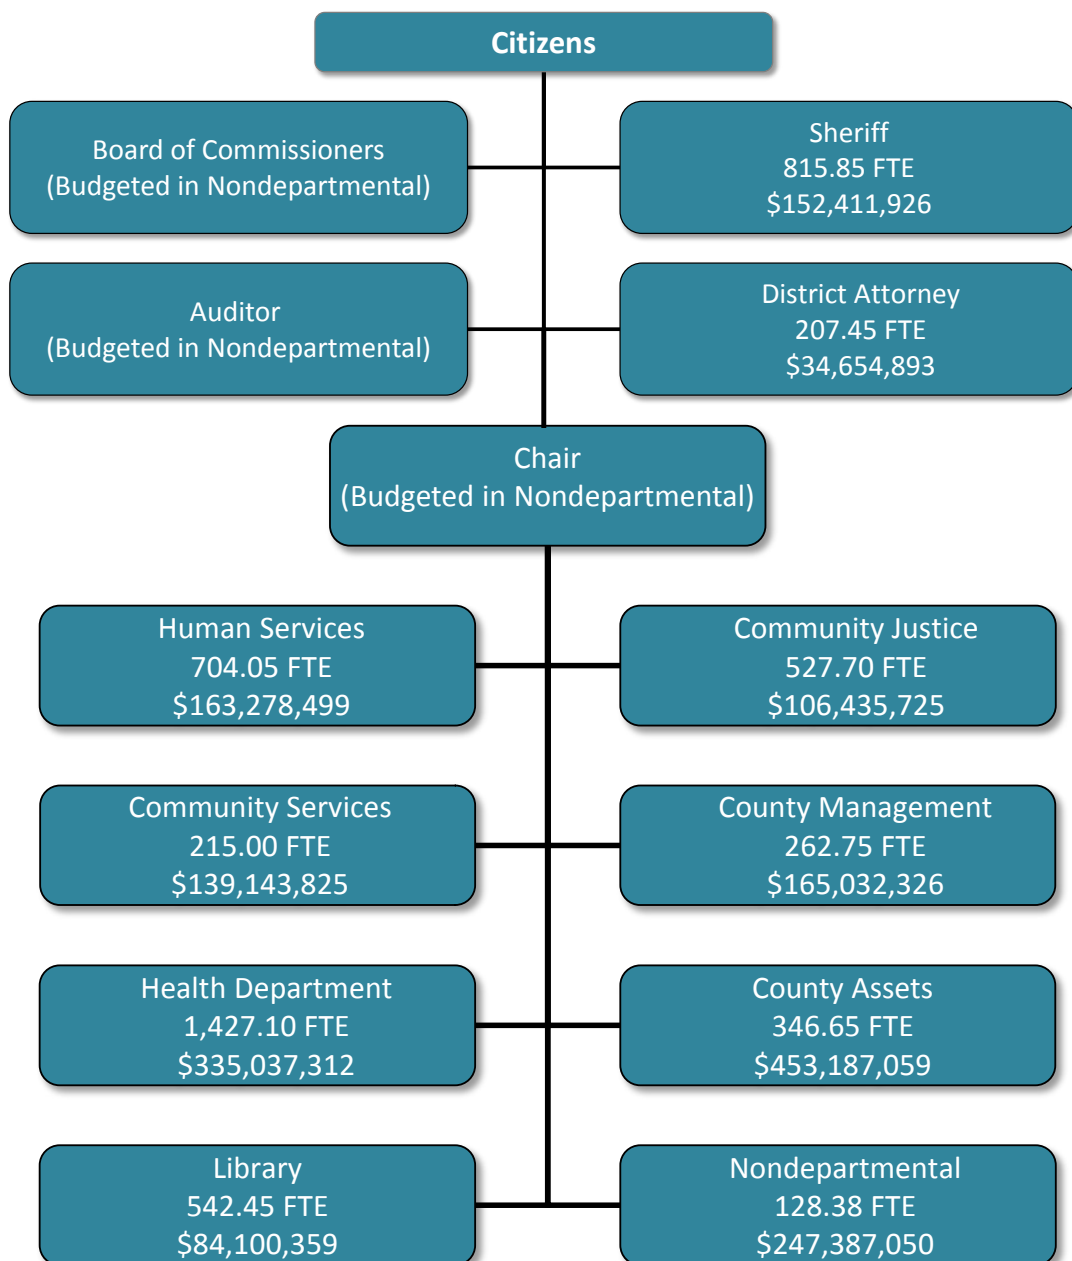

### *Future Budget Pressure*

While the County is experiencing strong economic growth, it is not immune to broader economic issues and will continue to face internal and external budget pressures in years to come. For example, today's budget decisions, such as the opening of a new facility, have an impact on future budgets. The following list is a brief outline of the budget pressures the County will monitor for impacts beyond FY 2019.

- Revenue – The Business Income Tax is inherently volatile and will invariably decline during the next recession. Property tax, while relatively stable, is constitutionally limited in its growth rate. As inflation increases, costs are expected to grow faster than the County's core property tax revenue stream.
- Capital Investment and Debt – The County is undertaking several major capital projects, including replacement of the downtown Courthouse and construction of a Health Department Headquarters building. Board policy directs 50% of one-time-only funds (after contingencies and reserves are fully funded) for capital needs, which will cover a significant amount of the funding for these buildings. However, debt will still be required, and servicing that debt will put pressure on future budgets and reduce flexibility.
- Healthcare Costs – While the rate of growth in County healthcare costs has been relatively modest in recent years, a return to previous rates of growth would put significant pressure on County costs.
- Pension and Post-Employment Benefit Costs – While the County's pension and post-employment benefit funds are among the best funded in the country, the overturning of the 2013 PERS reforms will add cost pressures in future years. The PERS system is structurally dependent on stock market returns to fund a significant portion of its cost, so poor market returns may create additional budget pressures.
- Technology – As technology becomes more prevalent in day-to-day County operations, the associated infrastructure and support costs also increase. The most problematic issue tends to be semi-routine replacement of IT applications. There is currently no ongoing funding stream to pay for these replacements or new technological investments.

## Multnomah County Organization Chart

Multnomah County delivers its services through 10 departments, including three managed by independently elected officials: Mike Reese, Sheriff; Rod Underhill, District Attorney; and Steve March, County Auditor. There are 5,177.38 full time equivalent (FTE) positions in this budget.

## Appreciation

This document is the outcome of many hours of hard work and analysis by County agencies and their staff, and I would like to thank these people for their contributions. Particularly, I want to thank the leadership in the Chair's Office: County Chair Deborah Kafoury; Chief of Staff Kim Melton; and Chief Operating Officer Marissa Madrigal. I also want to extend my appreciation to the department heads and constitutional officers, along with their budget teams and staff, for their hard work, cooperation and assistance.

Finally, I want to acknowledge the remarkable teamwork by the people in the Central Budget Office who were instrumental in putting this budget together: Jackie Arbour, Adam Brown, Shannon Gutierrez, Ching Hay, Dianna Kaady, Ashlye Manning, Jeff Renfro, Chris Yager, and Trista Zugel-Bensel, and to the Evaluation and Reseach Unit: Jillian Girard, Anna Plumb, and Allison Sachet.

It is a privilege to work with the dedicated people who serve our County.

Mike Jaspin

## Budget Notes

### *Municipal Broadband Feasibility Study*

The following budget notes were adopted by the Board of County Commissioners on May 31, 2018. Board discussion and deliberation is an integral part of the County budget process. Budget notes document policy discussions and decisions made by the Board of County Commissioners during the budget worksessions and provide direction to departments in achieving the Board's policy goals during the fiscal year.

The Board placed \$150,000 in the General Fund Contingency to work with regional partners to contract for a feasibility study about implementing municipal broadband in Multnomah County. The total cost of the feasibility study is estimated at \$300,000. This funding is placed in contingency in anticipation that regional partners will contribute the remaining funding. The Department of County Assets will work with regional technology partners to identify additional funding sources and will brief the Board once they have been identified.

### *Public Safety Budget Metrics*

In January 2019, the Board requests a review of the District Attorney's Office, Department of Community Justice, and the Sheriff's Offices' metrics and performance measures used in budget program offers for the purpose of addressing equity, inclusion, fairness, harm reduction and public safety in response to concerns raised by public safety and public health nonprofits.

### *Sheriff's Office Overtime & Premium Pay Use*

The Board requests that the Sheriff's Office provide a briefing in the spring of 2019 on the use of overtime and premium pay expenditures incurred in FY 2018 and the first half of FY 2019. This should include:

1. An explanation of any increase or decreases in FY 2018 or FY 2019, including how usage is driven by:
  - a. Sick Time
  - b. Comp Time

## *Counterpoint Outpatient Program*

The Board placed \$50,000 in the General Fund Contingency for the Counterpoint outpatient program, which offers specialized treatment for youth and their families where inappropriate sexual behavior is an issue. The County, the State Department of Human Services, and the community provider of this program are in discussions about how to jointly fund this program going forward. These funds would be available for the program pending the outcome of those discussions.

## *Legal Services for Employment and Housing Barriers*

The Board placed \$100,000 in the General Fund Contingency for a pilot program to expand the availability of legal services to adjudicated populations for reducing barriers to employment and housing. This funding is to be made available if grant funding is not secured.

### Introduction

Multnomah County is home to approximately 807,500 residents, making it the most populous county in the state of Oregon. The county is located in Northwestern Oregon where the Columbia and Willamette rivers meet. It is bordered by the State of Washington to the north and is surrounded by Hood River, Clackamas, Washington and Columbia Counties in Oregon. The county seat is Portland, which is also the largest city in the State of Oregon (see page 10 for a detailed map).

Geographically, Multnomah County is the smallest county in Oregon and includes densely populated urban areas as well as rural land. The County covers 465 square miles, most of which lie in the Willamette Valley between the Cascade Mountains to the east and the Coast Range to the west. The elevation ranges from 77 feet above sea level in Portland to 4,751 feet above sea level at Buck Peak in the Cascade foothills.

### Form of County Government

Multnomah County is governed according to its Home Rule Charter. Multnomah County’s legislative body, the Board of County Commissioners, is composed of four non-partisan County Commissioners elected from geographical districts and the County Chair, who is elected at-large and serves as both Chief Administrator and Legislator. The County has three other independently elected positions -- the Sheriff, the District Attorney and the Auditor.

There are 41 governmental districts located wholly or partially inside of Multnomah County. Portland (population 647,805) and Gresham (population 111,053) are the two largest cities in Multnomah County. Other major governmental entities located within Multnomah County include Metro, Portland Public Schools, the Port of Portland, TriMet, and Portland Community College. Overlapping districts share a tax base, infrastructure and services with Multnomah County.

### Population

#### *Race and Ethnicity*

Multnomah County's current population is estimated at 803,000 residents, a 10.0% increase since 2010, which is slightly higher than the 8.0% increase for the state of Oregon as a whole. Multnomah County has a population density of 1,727 people per square mile.

The US Census estimates that in 2017 Multnomah County's population was 79.5% White, 7.9% Asian, 6.0% Black or African-American, 0.7% Native Hawaiian or other Pacific Islander, 1.4% American Indian or Alaskan Native, and 4.6% people with two or more races. Approximately 11.6% of the County's population is Hispanic. Hispanics are a fast growing ethnic group, with 88.4% population growth between 2000 and 2017 estimates, compared with 21.6% population growth for the County as a whole.

Multnomah County is also home to diverse languages and nationalities. Almost 14% of residents were born in another country, compared with 9.6% for Oregon as a whole. Almost twenty percent of County residents over the age of 5 speak a language other than English at home. Of those speaking a language other than English at home, 40.8% speak Spanish.

### Income

Multnomah County has one of the highest levels of per capita income in the state of Oregon. According to the federal Bureau of Economic Analysis, in 2016 Multnomah County had a per capita personal income of \$51,508, third highest in the state.

### Education

An estimated 88.1% of Multnomah County's school aged population is enrolled in public schools. Public school districts in Multnomah County include Portland Public Schools, Parkrose, Reynolds, Gresham-Barlow, Centennial, Corbett, David Douglas, and Riverdale.

There are a number of post-secondary schools in Multnomah County. Portland State University has a total enrollment of 27,670 for the Fall 2017 school year. Multnomah County is also home to Oregon Health Sciences University, which educates health professionals and is a leader in biomedical research. Other colleges include Lewis & Clark College, the University of Portland, and Reed College. Portland Community College and Mount Hood Community College both educate County residents and are partially supported by local property taxes.

Multnomah County residents have above average educational achievement for the state of Oregon. In 2016, 45.2% of county residents 25 years or older had achieved a bachelor's degree or higher compared to 32.7% statewide.

## Employment and Industry

### Employment

Multnomah County saw a net increase of 22,544 jobs (+4.7%) from 2016 to 2017. The State of Oregon as a whole gained a slightly lower percentage of jobs during this period, 2.2%, or almost 41,000 jobs. The County's unemployment rate decreased from 4.3% in 2016 to 3.6% in 2017.

Source: Oregon Labor Market Information System (OLMIS)

### Industry

In 2017, the industry with the most employees in Multnomah County was Trade, Transportation and Utilities, with 18.3% of total employment. Government and Professional and Business Services also had high numbers of employees, with 15.1% and 16.2% of total employment, respectively.

The Port of Portland operates Portland's harbor, and serves more than one thousand businesses in Oregon. Its major trading partners include Japan, South Korea, China, Taiwan and Mexico and it is the largest automobile import port in the United States.

Multnomah County leads the country in craft brewing and distilling, a growing trend in the beverage industry. According to the Oregon Brewers Guild, the Portland metro area is the largest craft brewing market in the US with 105 breweries, including 70 in Portland proper, more than any other city in the world. Oregon brewing companies employed 9,453 people and the total economic impact from the beer industry is \$4.49 billion.

## Transportation and Infrastructure

### *Roads and Highways*

### *Portland International Airport*

### *TriMet*

Multnomah County is served by an international passenger airport, a local bus and light rail system, and the interstate highway system. According to the 2016 American Community Survey, approximately 60.3% of Multnomah County workers age 16 and older drive alone to work. Over 11.1% take public transportation, 9.5% carpool, 7.0% worked from home, 4.7% bike to work and the remainder get to work by walking or other means of transportation.

Multnomah County is connected to the wider region by seven major highways: Interstates 5, 84, 205, and 405 and U.S. Highways 26, 30, and 99. The County operates and maintains over 300 miles of roads and 18 vehicular bridges, including 6 bridges over the Willamette River.

Portland International Airport is located on the northern border of Multnomah County. Portland International Airport handled 18.3 million domestic and 0.7 million international passengers in 2017. The airport also serves as a regional hub for flights to smaller cities in Oregon and other Western destinations.

The Tri-County Metropolitan Transportation District (TriMet) operates approximately 80 bus lines, a light rail system, and a commuter rail system that together connect Multnomah County with neighboring areas. Riders boarded a TriMet bus, MAX train, WES train or LIFT Cab nearly 100 million times in FY 2017.

## Culture and Recreation

### *Arts and Entertainment*

### *Recreation*

Multnomah County is a regional destination for the visual and performing arts and hosts numerous festivals, concerts, and sporting events every year. The County also has a mild climate and extensive public space for relaxing or exploring.

The County is home to major arts and cultural institutions, including the Lan Su Chinese Garden, Oregon Museum of Science and Industry, the Oregon Symphony, and the Portland Art Museum. Festivals are held year-round in Multnomah County, including the Oregon Seafood and Wine festival, the Portland Rose Festival, the Mt. Hood Jazz Festival, and the Oregon Brewer's Festival.

Multnomah County is also home to four professional sports teams: the Portland Trail Blazers (National Basketball Association), the Portland Winterhawks (Western Hockey League), the Portland Thorns (National Women's Soccer League), and the Portland Timbers (Major League Soccer).

Multnomah County is home to over 37,000 acres of parks and numerous natural areas. The gateway to the scenic Columbia River Gorge is located in eastern Multnomah County. The Gorge is a spectacular river canyon, 80 miles long and up to 4,000 feet deep, with numerous areas for hiking, camping, boating, and day trips. Portland's Forest Park, the largest urban forested natural area in the nation, covers over 5,000 acres of urban land and has over 70 miles of trails. The County also houses Portland's International Rose Test Garden, the oldest rose garden in the nation.

Columbia River Gorge

### Climate

Multnomah County typically has a mild climate that is heavily moderated by the Pacific Ocean. January and February are typically the coldest months with an average low of 36 degrees Fahrenheit. July and August are the hottest months with an average high of 81 degrees Fahrenheit. Multnomah County experiences greater cloud cover and precipitation during winter months – there is an average of 5.47 inches of precipitation in December, while the average for August is 0.67 inches.

### Fun Facts

- Portland's name came from the results of a coin toss by founders Asa Lovejoy from Boston, Massachusetts, and Francis Pettygrove of Portland, Maine who wanted to name the city after their hometowns.
- There is no sales tax in Oregon.
- "The Simpsons" creator Matt Groening's hometown is Portland and many of the show's characters are named after Portland streets and locations
- The Portland Saturday Market is the country's largest continuously operating open-air crafts market.
- The Portland Rose Festival's Junior Parade is the largest children's parade in America.
- Powell's City of Books that occupies an entire downtown Portland block is the world's largest independent bookstore.
- Multnomah County is home to Mill Ends Park, the world's smallest public park at 452 square inches.
- The sculpture Portlandia located on the Portland building in downtown Portland is the second largest hammered copper statue in the country, second only to the Statue of Liberty.

# How Multnomah County Budgets

fy2019 adopted budget

(this page intentionally left blank)

## Reader's Guide

The budget document for Multnomah County consists of two separate volumes that have the following structure:

**Policy Document and Legal Detail - Volume 1** contains the following sections:

- Chair's Message – The County Chair's budget message to the community.
- How Multnomah County Budgets – A description of the budget process with information on opportunities for public input and other resources.
- Budget Director's Message – An introduction and general overview to the budget and discussion of key issues that affect budget decisions.
- Summaries – A set of summaries of resources and requirements, property tax information, cash transfers and debt management.
- Department Budget by Fund (Legal Detail) – A listing of expenditure and position detail, grouped department and then by fund within each department.
- Financial Summary (All Funds) - A listing of expenditure and revenue detail, grouped by fund and then by department within each fund.
- Capital Budget – A summary of program offers that fall under the County's plan to determine long term financing for fixed assets.
- Financial and Budget Policies – A summary of the Board approved policies that dictate how the County approaches financial decisions.

**Program Information by Department Volume 2** contains a section for each department. The budget is structured around the County's nine distinct operating departments, as well as, a "Nondepartmental" department grouping.

Each section contains a summary narrative portion followed by detail pages for each of the department's program offers. Programs identified as one-time-only have been designated to end by the last day of the fiscal year under consideration unless otherwise noted. The narrative portions include department and division overviews as well as three lists: (1) budget trends (2) budget by division and (3) a list of the departments programs.

## How We Budget

Multnomah County's Board of Commissioners adopts an annual budget to plan for the effective delivery of services to its citizens and to responsibly manage the public resources that support these services. Budgeting in Oregon is a collaboration between the community members who receive the services and the elected or appointed officials who are responsible for the provision of those services. Community involvement in the budget process ensures that desired services are adequately funded, while County officials ensure that the budget balances competing needs, is fiscally sustainable, and meets legal requirements.

## Local Budget Law

Multnomah County's budget is developed within constraints imposed by Oregon's Local Budget Law, Chapter 294 of the Oregon Revised Statutes. The law has four major objectives:

1. To provide standard procedures for preparing, presenting, and administering local budgets;
2. To ensure involvement in the preparation of the budget;
3. To provide for a method of estimating revenues, expenditures, and proposed taxes; and
4. To offer a way of outlining the programs and services provided by local governments and the fiscal policy used to carry them out.

Local Budget Law requires that appropriations be established by department for each fund. Expenditures may not legally exceed appropriations at the fund level for each department. Local Budget Law also establishes the Tax Supervising and Conservation Commission (TSCC) to review the budgets of jurisdictions within Multnomah County (including the County) for compliance with the law.

## Fund Structure and Basis of Budgeting and Accounting

Funds are legally established accounting entities with a self-balancing set of accounts that are established to track specific revenues or services. Multnomah County has 37 funds. These funds include General Fund, Special Revenue Funds, Debt Service Funds, Capital Projects Funds, Internal Services Funds, and one Enterprise Fund:

### **Modified Accrual Basis of Budgeting**

The budget is prepared on a modified accrual basis, the same accounting basis as that of the General Fund, Special Revenue Funds, and Debt Service and Capital Project Funds (the Internal Services and Enterprise Funds are accounted for using accrual accounting). The basis defines the timing of when revenues and expenditure transactions are recognized for recording purposes. The budget estimates revenues based on whether they are measurable and available within the current period and expenditures on when they will likely occur. Governmental accounting focuses on disclosing how public money is spent during a discrete period.

# How Multnomah County Budgets

fy2019 adopted budget

One exception is the acknowledgement of revenues. Property Tax and Business Income Tax (BIT) revenues are acknowledged in the budget for 60 days after close of the fiscal year. All annual appropriations lapse at fiscal year end. Items not fully expended must be re-budgeted in the following fiscal year.

## Accrual and Modified Accrual Basis of Accounting

Governmental accounting, governed by state statute and Generally Accepted Accounting Principles (GAAP), differs substantially from private sector accounting. Private sector financial reports measure economic profits, whereas governmental accounting focuses on how public money is spent.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all the provider requirements are met.

Governmental *fund* financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Type of Fund	Type of Resources or Expenditures	Example	Basis of Budgeting	Basis of Accounting
General Fund	Discretionary	General Fund	Modified Accrual	Modified Accrual
Special Revenue Fund	Restricted to a specific purpose	Road Fund	Modified Accrual	Modified Accrual
Debt Service Fund	Pay debt service	General Obligation Bond Fund	Modified Accrual	Modified Accrual
Capital Projects Fund	Capital Improvements and Asset Preservation	Capital Improvement Fund	Modified Accrual	Modified Accrual
Internal Services Fund	Internal business functions	Fleet Services	Modified Accrual	Full Accrual
Enterprise Fund	External business functions	Behavioral Health Managed Care Fund	Modified Accrual	Full Accrual

## Fund Accounting Structure

### *Governmental Funds*

### *Proprietary Funds*

### *Fiduciary Funds*

According to local budget law and the Governmental Accounting Standards Boards (GASB), the County is required to establish and maintain various funds. Each year the Chief Financial Officer is responsible for preparing and presenting a resolution to the Board defining the various County funds. The County will adhere to Generally Accepted Accounting Principles and GASB when creating a fund and determining if it is to be a dedicated fund. The following types of funds should be used by state/local governments:

- **General Fund** - to account for all financial resources not accounted for and reported in another fund.
- **Special Revenue Funds** - Restricted or committed specific revenue sources will comprise a substantial portion of the fund's resources, but the special revenue fund may also include other restricted, committed and assigned resources. The County will establish a Special Revenue Fund when 30% or more of the resources in the fund are restricted.
- **Capital Projects Funds** - to account for and report financial resources that are restricted, committed or assigned to expenditures for capital outlays, including the acquisition or construction of capital facilities and other capital assets. Capital projects funds exclude those types of capital-related outflows financed by proprietary funds or for assets that will be held in trust for individuals, private organizations or other governments.
- **Debt Service Funds** - to account for and report financial resources that are restricted, committed or assigned to expenditure for principal and interest. Debt service funds should be used to report resources if legally mandated. Financial resources that are being accumulated for principal and interest maturing in future years also will be reported in debt service funds.
- **Enterprise Funds** - to account for operations (a) that are financed and operated in a manner similar to private businesses, where the intent of the governing body is that the costs of providing goods or services to the public on a continuing basis be financed or recovered through user charges; or (b) where the governing body has decided that periodic determination of revenue earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, or accountability.
- **Internal Service Funds** - to account for the financing of goods or services provided by one department or agency to other sections of the governmental unit, or to other governmental units, on a cost-reimbursement basis.
- **Trust and Agency Funds** - to account for assets held in a trustee capacity or as an agent for individuals, private organizations, governmental units, and/or other funds. These include: (a) Expendable Trust Funds; (b) Nonexpendable Trust Funds; (c) Pension Trust Funds; and (d) Agency Funds.

## Multnomah County Funds

### *General Fund (1000)*

The budget includes 37 funds that were adopted by the Board of County Commissioners. The following policies and fund structure are the guidelines for the financial accounting of County resources and expenditures.

To account for and report all financial operations of the County which are not accounted for and reported in another fund. The primary sources of revenue are property taxes, business income taxes, motor vehicle rental taxes, service charges, intergovernmental revenue, fees and permits, and interest income. The majority of expenditures in the General Fund are made for general government, public safety, health services, aging services, and youth and family services. The General Fund also accounts for the repayment of short-term debt interest expenses incurred through the sale of short-term promissory notes.

### *Road Fund (1501)*

In accordance with ORS 366.739 - 366.774 and ORS 368.705, accounts for revenues primarily received from the State of Oregon motor vehicle fee apportionment, County gasoline taxes, federal reserve yield, and interest income. Expenditures are restricted by Article IX, Section 3A of the Constitution of the State of Oregon and consist of construction, repair, maintenance, and operations of public highways and roads.

### *Bicycle Path Construction Fund (1503)*

Accounts for one percent of State of Oregon Motor Vehicle fees collected pursuant to ORS 366.514. Expenditures are restricted by ORS for bicycle path construction and maintenance.

### *Recreation Fund (1504)*

The revenues are from the County Marine Fuel Tax. Under an intergovernmental agreement with Metro entered into in 1994, transferred revenues to Metro are restricted to be used for the purposes of development, administration, operation and maintenance of those County facilities transferred to Metro pursuant to this agreement.

### *Federal/State Program Fund (1505)*

Accounts for the majority of grant restricted revenues and expenditures related to funding received from federal, state and local programs. The fund also includes some non-restricted operational revenues in the form of fees and licenses.

## *County School Fund (1506)*

Accounts for Forest Reserve yield revenues received from the State pursuant to ORS 293.560 & 294.060. Expenditures are restricted per ORS 328.005 - 328.035 for distribution to County School districts.

## *Animal Control Fund (1508)*

Accounts for revenues from dog and cat licenses and animal control fees per ORS 609.060(3). Cash transfers are made to the General Fund for animal services programs. The fund also contains donations that are restricted by the donors to be used for programs or projects related to Animal Services.

## *Willamette River Bridges Fund (1509)*

Accounts for State of Oregon Motor Vehicle fees and County gasoline taxes. Restricted Federal and State revenue sharing funding is also recorded in the Willamette River Bridges Fund. Expenditures are for inspections and maintenance of County bridges.

## *Library Fund (1510)*

Accounts for the Multnomah County Library operations. The principal source of revenue is reimbursement from the Library District (Fund 1520) pursuant to an intergovernmental agreement.

## *Special Excise Tax Fund (1511)*

Accounts for a portion of the County's transient lodging taxes collected from all hotels and motels in the County and motor vehicle rental tax collected from rental agencies. Expenditures are restricted to the Convention Center, visitor development purposes, regional arts and culture purposes and other uses pursuant to Multnomah County Code 11.300 and 11.400.

## *Land Corner Preservation Fund (1512)*

Accounts for the collection of recording fees on real property transactions and surveying activities. Expenditures are made for the establishment, re-establishment, and maintenance of public corners of government surveys pursuant to ORS 203.148.

## *Inmate Welfare Fund (1513)*

Accounts for the proceeds from the sale of jail commissary items. Expenditures are made for food and supplies for inmates in County jails. Excess funds are used on inmate amenities such as recreation equipment for the institutions. Ending balances in this fund are committed per Board of County Commissioners Resolution 2011-035.

## *Justice Services Special Operations Fund (1516)*

Accounts for revenues and expenditures that are dedicated to Justice Services and Operations. Revenues are primarily from various fees and fines, including probation fees, criminal processing assessment fees, conciliation court fees, marriage license fees, ambulance franchise fees, forfeitures, video lottery, alarm permits, concealed weapon permits, gun ordinance fees and liquor license fees (ORS 471.166) collected for civil processing inspection. Where a County Ordinance or Board resolution restricts resources recorded in this fund, any remaining balances will be accounted for as committed. Any unrestricted ending balances will be transferred to the General Fund at year-end.

## *Oregon Historical Society Levy Fund (1518)*

Accounts for the 5-year local option levy revenues collected on behalf of the Oregon Historical Society and four east county historical societies. The funding is passed through to support the history library, museum and educational programs.

## *Video Lottery Fund (1519)*

Accounts for revenues received from the Oregon State Lottery. Expenditures are restricted to furthering economic development per House Bill 3188 passed during the 2011 Regular Session of the 76th Oregon Legislative Assembly.

## *Supportive Housing Fund (1521)*

Accounts for proceeds from the disposition of the Wapato Facility in April 2018. Funds are earmarked for use in providing housing services and funding comprehensive housing stabilization strategies.

## *Capital Debt Retirement Fund (2002)*

Accounts for lease/purchase and full faith and credit obligation principal and interest payments for buildings and major pieces of equipment acquired by the issuance of Certificates of Participation or other financing arrangements. Revenues consist of service reimbursements and cash transfers from other County funds.

## *General Obligation Bond Sinking Fund (2003)*

This fund accounts for the payment of principal and interest on General Obligation (G.O.) Bonds. The G.O. Bond Sinking Fund accounts for the Series 2010 which refunded the Series 1999 advance refunding. Series 1999 refunded the 1994 G.O. Library Bonds and the 1996 G.O. Public Safety and Library Bonds. Proceeds are derived from property taxes and interest earned on the cash balances.

*PERS Bond  
Sinking Fund  
(2004)*

Accounts for the principal and interest payments on pension obligation revenue bonds issued to retire the County's PERS unfunded actuarial accrued liability. The revenues are derived from charge backs to departments based on their departmental payroll costs.

*Downtown  
Courthouse  
Capital Fund  
(2500)*

Accounts for expenditures for the planning and construction of a new downtown County courthouse. Resources in the fund are derived from the State of Oregon, debt issuance, and other financing proceeds.

*Asset  
Replacement  
Revolving Fund  
(2503)*

Accounts for expenditures for small capital assets/equipment that might otherwise need to be acquired through the issuance of debt. Resources in the fund are derived from one-time revenue available in FY2015. Expenditures will be reimbursed over time by loan payments charged to the budgets of programs for which the assets are purchased.

*Financed Projects  
Fund (2504)*

Accounts for expenditures for acquiring, remodeling, or construction of County facilities, information technology capital investments, and other capital projects. Resources are derived from full faith and credit bonds or other financing proceeds and General Fund service reimbursements.

*Library Capital  
Construction Fund  
(2506)*

Accounts for the capital improvement project fees collected from County Libraries (1510) to provide for needed capital projects for the Library District (1520). Expenditures are made for capital improvements and acquisitions for the Library District. This fund was created in order to segregate capital activity for the Library District from the general government capital activity.

*Capital  
Improvement  
Fund (2507)*

Accounts for the proceeds derived from the sale of unrestricted property, interest income, and any service reimbursement or operating revenue from leased facilities. Expenditures are made for capital acquisitions or for the retirement of lease/purchases. Authorized by Board Resolution 99-144.

*Information  
Technology  
Capital Fund  
(2508)*

Accounts for expenditures for Information Technology capital projects. Resources are derived from transfers from Information Technology Fund (3503) and County General Fund.

*Asset Preservation  
Fund (2509)*

Accounts for expenditures for building scheduled maintenance projects such as boiler replacement, carpet replacement, roof replacement etc. This fund was established and is being maintained to provide prospective maintenance and not deferred maintenance. Resources are derived from an asset preservation fee that is part of the facilities charges assessed to building tenants.

*Health  
Department HQ  
Capital Fund  
(2510)*

Accounts for expenditures for construction of a new Health Department's headquarters and clinic facility. Resources in this fund are derived from tax increment financing (TIF) and debt issuance.

*Sellwood Bridge  
Replacement Fund  
(2511)*

Accounts for expenditures for construction and replacement of the Sellwood Bridge. Resources are derived from Vehicle Registration Fee, City of Portland, Clackamas County, State of Oregon and federal funds, debt issuance or other financing proceeds.

*Hansen Building  
Replacement Fund  
(2512)*

Accounts for expenditures for planning, relocation, and construction of new County Sheriff's Office operation facility. Resources are derived from debt issuance or other financing proceeds.

*ERP Project Fund  
(2513)*

Accounts for expenditures associated with the implementation of the new enterprise resource planning (ERP) system. Resources are derived from debt issuance and internal service reimbursements.

*Burnside Bridge  
Fund (2515)*

Accounts for expenditures for rehabilitating or replacing the Burnside Bridge. Resources are derived from Vehicle Registration Fee (HB 4064). It is anticipated that a consortium of federal, state, and regional agencies, including Multnomah County, will fund the future environmental study, final design, and construction efforts.

### *Behavioral Health Managed Care Fund (3002)*

Accounts for all financial activity associated with the State of Oregon's required behavioral health capitated services. This includes payments to providers with whom the County contracts for services. Revenues are fee for service payments from the State of Oregon to Multnomah County.

### *Risk Management Fund (3500)*

Accounts for all internal service reimbursements, revenues, and expenses associated with the County's insurance requirements and administration of workers' compensation, general liability, tort, auto, property, employee medical, dental, vision, life and long-term disability claims and insurance, employee benefits, health promotion, other post-employment benefit obligations, and unemployment insured and self-insured programs pursuant to Multnomah County Code 7.101.

### *Fleet Management Fund (3501)*

Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's motor vehicle fleet.

### *Fleet Asset Replacement Fund (3502)*

Accounts for internal service reimbursements, revenues and expenses associated with the replacement of County owned vehicles and equipment.

### *Information Technology Fund (3503)*

Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's data processing and telephone services operations. This fund includes replacement and upgrade of personal computers, standard software suite common to all County users and telephone equipment.

### *Mail Distribution Fund (3504)*

Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's U.S. Mail, internal distribution and delivery, central stores and records management.

### *Facilities Management Fund (3505)*

Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's property management, custodial, maintenance and leasing of all County-owned and leased property.

## Measuring Performance

Performance measurement is an integral part of the budgeting process in Multnomah County. Performance measurement is a management tool to improve operations and services and communicate program results to the community. Performance measures are integrated into each program offer and the department narratives to ensure accountability and to establish a link between resources and results. A more detailed discussion of performance measurement can be found in the Introduction section of Volume 2.

## Four Phases of the Budget Process

Multnomah County uses an incremental budgeting process in which departments are given expenditures targets that they cannot exceed. The budget process consists of four distinct phases:

Phase I - The departments provide their submitted budgets

Phase II - The Chair develops the Proposed Budget

Phase III - The Board approves the Proposed Budget

Phase IV - The Board adopts the final budget

### *Phase I - Requested Budget*

#### **Phase I - Departments Submit their Requested Budgets**

Multnomah County's budget process begins in early fall with a review by the Budget Director and department directors of the most recent budget development cycle. Survey comments are collected from department budget staff and feedback is incorporated into the process where appropriate. In mid-to-late fall the Budget Office presents the General Fund Five-Year Forecast to the Board of Commissioners informing them of the fiscal health of the County for the foreseeable future. The forecast is typically updated in February, when the budget process is further along.

In conjunction with the County Chair's Office, the Budget Office issues guidelines to set broad limits and direction for the County's budget cycle. Based on the General Fund forecast, departments are directed to constrain, maintain or expand their operating costs by a targeted amount. From January through February, department heads, the Chair's Office, and the Budget Office meet to discuss proposed budget changes in order to provide policy direction to the departments prior to submitting their budget requests.

### *Phase II - Proposed Budget*

#### **Phase II - The Chair Prepares the Proposed Budget**

Beginning in February and ending in March, meetings occur between the Chair, the Chief Operating Officer, Budget Office staff, elected officials and department directors to review and discuss the department's submitted budgets. The sessions are designed to provide two-way communication concerning budget needs and assessments, and also to provide information that would assist the Chair in developing a responsible and balanced budget. During this time, the Chair's Office focuses on short and long term goals and objectives to provide the basis of the budget plan for the fiscal year.

### *Phase III - Approved Budget*

### *Phase IV - Adopted Budget*

#### **Phase III - The Board Approves the Budget and TSCC Reviews**

The Chair's Proposed Budget is submitted to the Board of Commissioners for discussion. The Proposed Budget must be approved by the Board no later than May 15th and submitted to the Tax Supervising and Conservation Commission (TSCC), a five-member citizen board appointed by the Governor that helps determine whether the County's budget complies with Local Budget Law. The TSCC holds a public hearing and returns the budget to the County, no later than June 28th. Accompanying the budget is a letter of certification with instructions for corrections, recommendations, and objections. The Board is required to respond to these recommendations and objections. Approval and forwarding the budget meets the legal requirements of Oregon Budget Law and allows the Board to begin public deliberation of the budget.

After the budget has been submitted to the TSCC, no fund may be increased by more than 10% in total revenue, and no property tax greater than the amounts included in the Proposed Budget may be levied. Voting to forward the budget without extensive public review and comment might produce adverse comment, if it were not clearly understood that the process meets a technical requirement of the law, or if the Board were not to hold extensive public review before adopting the budget.

#### **Phase IV – The Board Adopts the Budget**

The adoption process begins after the budget is approved. Five weeks of work sessions and public hearings are scheduled prior to adopting the budget in May. During the work sessions, the Board may propose amendments to the Approved Budget. The amendments get voted on as part of the budget adoption.

An important part of this final phase is community input -- the Community Involvement Committee (CIC), the departments' Citizen Budget Advisory Committees (CBAC's), and public hearings held during the evening all provide an opportunity for direct feedback from the community and facilitate a participatory budget process. In May, the Board adopts the budget, makes appropriations, and declares tax levies in a public meeting.

## Public Testimony and Hearings

Community input is an important part of Multnomah County budget development. Community input comes from the Community Involvement Committee, the departments' Community Budget Advisory Committees, and public hearings and forums that together provide an opportunity for direct feedback from the community and facilitate a participatory budget process.

Community members have several opportunities to testify on the budget in person and written testimony can be hand delivered, mailed, faxed or submitted via e-mail.

### **Annual Budget Hearings**

The Board, sitting as the Budget Committee, held public hearings after the approval of the Chair's budget and before the final budget adoption. Hearings were scheduled from 6:00 p.m. – 8:00 p.m. in the following locations:

- May 2, 2018 – Immigrant and Refugee Community Organization (IRCO) Gymnasium, 10301 NE Glisan, Portland, Oregon (hosted by the Communities of Color)
- May 9, 2018 – Multnomah Building, Board Room 100, 501 SE Hawthorne Blvd., Portland, Oregon
- May 16, 2018 – East County Building, Sharron Kelley Room, 600 NE 8th St., Gresham, Oregon

### **The Tax Supervising and Conservation Commission Hearing**

On May 23, 2018 at 9:30 a.m. TSCC convened a public hearing on the budget at the Multnomah Building (501 SE Hawthorne Blvd.)

### **The Budget Hearing**

Testimony was also taken at the Board session for final adoption of the budget on May 31, 2018.

## Budget Calendar

The budget calendar can be found on the County's website at: <http://multco.us/budget/calendar>.

Major budget milestone dates include:

- Nov. 2017-Mar. 2018 Chair's Office meetings with departments to discuss strategic directions
- Dec. 15, 2017 Release of budget instructions to departments
- Feb. 16, 2018 Due date for department's submitted budgets
- April 26, 2018 Chair Executive Budget proposal
- May 2018 Budget work sessions and hearings
- May 23, 2018 TSCC public hearing
- May 31, 2018 Board budget adoption

## Modifying the Budget and Supplemental Budgets

The adopted budget is the County's financial and operational plan for the fiscal year. However, during the year, events occur which require the plan to be modified. State law gives the Board of County Commissioners wide latitude to change the budget during the year. County departments request changes, and then the Board must review them, before passing any resolution to approve them. The appropriation of new, unanticipated revenue requires that the Board adopt a supplemental budget through a resolution.

During the year, the Board has the authority to:

- alter appropriations to reflect changed priorities during the year;
- incorporate new grant revenue into the expenditure plan;
- change approved staffing levels; and
- transfer appropriations from contingency accounts.

## Where to Find Other Information

### **Comprehensive Annual Financial Report (CAFR)**

<https://web.multco.us/finance/financial-reports>

The CAFR reports actual revenues and expenditures for the last completed fiscal year, discusses financial policies, and provides demographic and economic information about the region. The CAFR, required by state statute, is prepared in accordance with Generally Accepted Accounting Principles (GAAP). It reconciles differences between the budgetary basis – as presented in the annual Adopted Budget – and the modified accrual method used for the CAFR.

### **Tax Supervising and Conservation Commission Annual Report**

[www.tscmultco.com](http://www.tscmultco.com)

This report discusses the property tax system and taxing levels and summarizes budgeted and actual revenues and expenditures for all governments in Multnomah County.

### **County Auditor's Financial Condition Report**

<https://web.multco.us/auditor>

This report discusses the performance of the County and the region according to guidelines recommended by the International City Managers' Association.

### **Community Budget Advisory Committees (CBACs)**

<https://multco.us/oci/community-budget-advisory-committees-cbacs>

CBACs are appointed by the Community Involvement Committee and partner with Commissioners, departments, and the public during the budget cycle. CBACs monitor department budgets and operations and identify issues for the Commissioners' consideration. All County departments have a CBAC and each committee presents reports during the Budget work sessions.

### **Budget Website**

[www.multco.us/budget](http://www.multco.us/budget)

The County's Central Budget Office home page contains budget information by year, the budget calendar, current and upcoming year budget documents, economic forecasts and revenue information and other tools, forms, and resources.

## Tax Information

### *Permanent Tax Rate*

### *Exemptions*

### *Local Property Tax Option*

Property tax administration, governed by the Oregon Constitution, State tax laws, and regulations of the Department of Revenue, includes the assessment, equalization, levy, and collection of taxes. A tax limitation measure ("Measure 50") affecting property tax collections was approved by the voters in the May 1997 special election. This legislation changed the property tax administration system substantially, with changes to levy rates, assessments and equalization.

Each local taxing district which imposed operating ad valorem taxes in FY 1998 received a permanent tax rate. The rate was calculated by dividing the total operating ad valorem taxes imposed by the County in FY 1998 (reduced by an average of approximately 17% statewide) by the property's AV. Measure 50 prohibits increases in permanent tax rates. Permanent tax rates are subject to the Measure 5 limitations. The County's permanent tax rate is \$4.3434 per \$1,000 Assessed Value.

Measure 50 exempted from its limitations taxes levied to pay voter-approved general obligation bonds. Levies to pay general obligation bonds are also exempt from the Measure 5 limitations. Measure 50 also exempted the following levies, which are subject to Measure 5 limitations:

1. Levies to pay bonds and other borrowings, if they were made before December 5, 1996, and were secured by a pledge or explicit commitment of ad valorem property taxes or a covenant to levy or collect ad valorem property taxes.
2. Certain local government pension levies.

The County has no levies of the types described in paragraphs 1 and 2, above.

Local governments are able to override Measure 50 for limited-term local option levies subject to voter approval under the participation requirements discussed below. Local option levies may last up to five years for any purpose or ten years for capital projects.

Local option levies are subject to "special compression" under Measure 5. If operating taxes for non-school purposes exceed Measure 5's \$10/\$1,000 limit, local option levies are reduced first to bring operating taxes into compliance with this limit. This means that local option levies can be entirely displaced by future approval of permanent rate levies for new governments, or by urban renewal and the City of Portland's pension levy.

Measure 50, which passed in 1997, requires that local option levies be approved by a majority of the voters at a general election in an even-numbered year or at any other election in which not less than 50% of the registered voters cast a ballot. For example, voters approved an extension of the Library Levy in the May, 2002 election but less than 50% of the registered voters cast a ballot. Therefore, the Library Levy failed. Subsequently the County resubmitted the Library Local Option to voters in November 2002 and the measure passed.

### *Voter Participation*

In November 2008, voters passed Measure 56 which eliminated the voter turnout requirement for property tax elections held in May and November but keeps the voter turnout requirement for elections at any other time (50% of qualified voters must vote and a majority of those voters have to approve the property tax measure). As a result, for May and November elections, local property tax measures become law when approved by a majority of voters.

### *General Obligation Bonded Indebtedness*

Levies to pay the following general obligation bonds are exempt from the limitations of Measure 50 and Measure 5:

1. General obligation bonds authorized by the Oregon Constitution;
2. General obligation bonds issued on/before November 6, 1990; or
3. General obligation bonds for capital construction/ improvements; and
  - if issued after November 6, 1990, and approved prior to December 5, 1996, by a majority of voters; or
  - if approved after December 5, 1996, in accordance with Measure 50's voter participation requirements, or bonds issued to refund the preceding bonds.

### *Tax Collection*

The County Tax Collector extends authorized levies, computes tax rates, bills and collects all taxes, and makes periodic remittances of collections to levying units. Tax collectors calculate public school and local government taxes separately, calculating any tax rate reductions to comply with tax limitation law, and developing percentage distribution schedules. The tax collector then reports to each taxing district within five days the amount of taxes imposed.

Tax collections are segregated into two pools, (1) public schools and (2) local governments. Each taxing body shares in its pool on the basis of its tax rate (adjusted to tax limitation rate caps), regardless of the actual collection within each taxing body. Therefore the amount for each taxing body becomes a pro rata share of the total tax collection record of all taxing bodies within the County. Thus, an overall collection rate of 90% of the countywide levy indicates a 90 percent tax levy collection for each taxing body.

The tax year (fiscal year) for all property starts July 1 and ends June 30 of the following year. The assessment date for the tax year starting July 1 is January 1 of the same calendar year. Tax payments are due November 15. Under the partial payment schedule a one third payment is due November 15, February 15, and May 15. If full by November 15, a 3% discount is allowed; if two-thirds are paid by November 15, a 2% discount is allowed. For late payments, interest accrues at a rate of 1.33% per month. Property is subject to foreclosure proceedings three years after the tax due date.

A Senior Citizen Property Tax Deferral Program allows homeowners to defer taxes until death or the sale of the home. Qualifications include a minimum age of 62 and household income less than \$43,500. Certain other requirements apply. Taxes are paid by the State, which obtains a lien on the property and accrues interest at 6% compounded annually. More information can be found at [www.oregon.gov/dor/deferral](http://www.oregon.gov/dor/deferral).

## Debt Overview

Debt is frequently an appropriate method of financing capital projects. It entails careful monitoring of such issuances to ensure that an erosion of the County's credit quality does not result. The County is rated by Moody's Investors Services as well as Standard & Poor's. Moody's rates the County's General Obligation and Full Faith & Credit debt at Aaa, the highest municipal rating that can be assigned. Standard & Poor's assigns a comparable AAA rating. Both rating agencies note that the County has a stable financial outlook.

Various types of securities are used to issue debt. Features of a security include its purpose, length of financing and the source of funds for repayment. The following types of long-term securities are available to Multnomah County:

- General Obligation Bonds
- Full Faith and Credit Bonds
- Revenue Bonds
- Pension Obligation Bonds

The County may also enter into capital leases and take out loans from other governmental entities (i.e., State of Oregon) as permissible by statute. Capital Leases do not currently count against debt limits that are established in Oregon Revised Statutes (ORS).

In FY 2019, the County has \$367.7 million of the following debt obligations:

- Pension Obligation Bonds - \$74.8 million outstanding
- Full Faith & Credit Obligations - \$290.9 million outstanding
- Oregon Transportation Infrastructure Bank Loan - \$2 million outstanding

In addition to issuing its own debt, the County has acted as facilitator in the issuance of Conduit Debt for private educational institutions and hospitals as authorized by state statute. The Conduit Debt issued creates a liability for the company for whom it is issued and is not a direct or contingent liability of Multnomah County and is therefore not included as debt obligations in this budget. Of the total \$228.4 million remaining on principal outstanding on Conduit Bonds as of June 30th 2018, 97% was issued on behalf of seven hospital facilities and the other 3% on behalf of educational facilities.

The following sections describe each debt category including debt limitations and a detailed table of principal and interest payments.

### *General Obligation Bonds*

General Obligation Bonds (GO Bonds) issued by jurisdictions within Oregon have two important features. First, they must be referred to, and receive the approval of, a majority of voters within the jurisdiction. The second feature that differentiates GO bonds from other long-term debt obligations is the fact that they are supported by a dedicated Property Tax levy. Under Measures 5 and 50, taxes levied to pay debt service associated with GO bonds are outside the constitutional limitations imposed on other Property Tax levies.

The County does not currently have any General Obligation debt nor does it intend to ask for voter approval for new GO bonds in the near future.

State statute (ORS 287A.100) provides a debt limit on voter approved GO bonds of 2% of the real market value of all taxable property within the County. The following table represents the GO debt capacity as of July 1, 2018.

#### **GO Bond Debt Limitation**

Real Market Value 2017-2018	\$158,551,847,377
Debt limit at 2%	3,171,036,948
Outstanding Debt (7/1/2018)	0
Legal Debt Margin	\$3,171,036,948

### *Full Faith and Credit Bonds*

There are currently four outstanding Full Faith and Credit bonds (FFCs). As the name implies, FFCs are backed by the County's credit worthiness and are payable from any legally available revenue source.

The Series 2010B bonds were sold as Build America Bonds (BABs) that were authorized by the American Recovery and Reinvestment, better known as the stimulus package. These bonds are taxable but carry a 45% interest subsidy from the federal treasury which results in a lower total cost of borrowing than could be achieved under a tax-exempt financing.

In December 2012, the County issued \$128 million in Series 2012 bonds to pay for the County's share of the Sellwood Bridge replacement project. The bridge was opened to commuters in March of 2016; the project is now substantially complete. Total cost of the project is estimated at \$330 million.

The Series 2014 FFC was a refunding of Series 2004 completed in late FY 2014. The savings from the refunding were \$2.6 million or approximately 10% of the refunded principal. Projects supported by this issue include acquisition of the Multnomah Building, construction of the Multnomah County East facility, and costs related to acquisition and implementation of SAP. The bonds have a final maturity date of August 2019.

The County issued \$164 million in Series 2017 in December 2017 to fund the County Courthouse Capital Construction Project, the Health Department Capital Construction Project, the Enterprise Resource Planning Implementation Project, and the Department of Community Justice East Campus Capital Project. The expected debt service for FY2019 is budgeted at \$14.9 million.

The County has approximately \$290.9 million of outstanding FFC debt. This represents the non-voter approved debt against which the internal financial policy is measured. ORS 287A.105 provides a debt limit on non-voter approved debt of 1% of the real market value of all taxable property within the County. The following table represents the estimated debt capacity as of July 1, 2018.

### Full Faith and Credit Obligations Debt Limitation

Real Market Value 2017 - 2018	\$158,551,847,377
Debt limit at 1%	1,585,518,474
Outstanding Debt (7/1/2018)	(292,956,000)
Legal Debt Margin	\$1,292,562,474

In addition to these statutory debt limits, the County's internal Financial & Budget Policies adopted by the Board in FY 2018 further limit non-voter approved debt service payments to no more than 5% of budgeted General Fund revenues for debt supported directly by the General Fund. Under this policy, in FY 2019, the County will have an estimated \$25 million in available revenue for debt and an estimated \$53 million in remaining debt capacity for future bond issues.

Debt payments are approximately \$30.3 million in FY 2019. Most FFC debt, not attributed to the Sellwood Bridge, is recovered from departments in the form of internal service charges. For example, tenants in the Multnomah Building pay their share of debt service based on the space they occupy in the facility. All of the existing FFC debt will be retired by FY 2047.

Ultimately, the General Fund is the primary source for repayment of FFC debt. However, approximately 36% of total principal and interest payments, primarily for bonds that supported construction of the Sellwood Bridge, are paid by other funds. Ratings agencies have taken note of the fact that the County has taken steps to minimize the impact of debt service payments on the General Fund. During 2017, both Moody's Investor Services and Standard & Poor's upgraded the County's FFC debt rating to Aaa/AAA, the highest ratings assigned to government bonds.

# Financial Summaries

<b>Total Full Faith and Credit</b>				<b>\$329,640</b>	<b>\$290,990</b>	<b>\$273,440</b>	<b>\$12,486</b>	<b>\$17,550</b>

## Revenue Bonds

Revenue bonds are debt instruments that are retired by specified dedicated revenues, often generated by an activity or a project funded out of the debt proceeds. Revenue bonds are designed to be self-supporting through user fees or other special earmarked receipts; the general taxing powers of the jurisdiction are not pledged for retirement of the debt.

The debt created through the issuance of revenue bonds is repaid by the earnings from the operations of a revenue-producing enterprise or from special taxes. The County currently has no outstanding revenue bonds.

## PERS Pension Revenue Bonds

Pension Obligation Bonds were issued in FY 2000 to cover the County's estimated unfunded actuarial liability (UAL) to Public Employees Retirement System (PERS). The County issued \$185 million of taxable debt for this purpose. Issuance of pension obligation bonds can provide present value savings because the PERS fund can make investments in instruments that produce higher yields than the County's investment portfolio. Debt service payments are covered through internal service charges based on payroll. For FY 2019, the rate charged to departments is 7.65% of payroll.

## PERS Pension Revenue Bonds *(in thousands)*

Debt Description	Dated	Maturity Date	Average Annual Interest	Amount Issued	Principal Outstanding 6/30/2018	Principal Outstanding 6/30/2019	2018-19 Interest	2018-19 Principal

### *Leases, Contracts, and Loans*

The County has entered into various lease/purchase agreements to acquire property and equipment. These lease agreements qualify as capital leases for accounting purposes and have been capitalized in accordance with generally accepted accounting principles (GAAP).

In FY 2009, the County entered into a loan with the State of Oregon for the purpose of making capital improvements to the County road system.

#### Leases, Contracts and Loans (in thousands)

Debt Description	Dated	Maturity Date	Average Annual Interest	Amount Issued	Principal Outstanding 6/30/2018	Principal Outstanding 6/30/2019	2018-19 Interest	2018-19 Principal

<b>Total Leases and Contracts</b>				<b>\$5,400</b>	<b>\$3,702</b>	<b>\$3,289</b>	<b>\$179</b>	<b>\$414</b>

### *Interfund Loans*

An interfund loan is a transfer between funds or fund types within the County for an approved amount and a definite plan of repayment in a specific period of time (up to 10 years). Interfund loans are subject to ORS 294.468 and are designed to provide financing resources to address short-term cash flow needs in County operations or capital financing plans. Interfund loans are either operating or capital and shall meet the following requirements:

- An operating interfund loan is made for the purpose of paying operation expenses.
- A capital interfund loan is made for the purpose of financing the design, acquisition, construction, installation, or improvement of real or personal property and not for the purpose of paying operating expenses.

In FY 2018, an interfund loan of \$105,000 from the Asset Replacement Revolving Fund (2503) to the Willamette River Bridge Fund (1509) was paid off. The loan was issued to provide funding for replacing lighting on the Broadway, Burnside, Morrison, and Hawthorne Bridges.

In FY 2016, an interfund loan of \$3 million from the Risk Fund (3500) to the Willamette River Bridge Fund (1509) was issued to provide funding for a feasibility study for the seismic rehabilitation or replacement of the Burnside Bridge. The loan has a 10-year term at an interest rate of .54% per annum.

### Introduction

Multnomah County’s Capital Budget funds improvements and construction of County-owned buildings, roads, Willamette River bridges and major information technology systems. The FY 2019 budget includes \$376.7 million for capital projects, primarily for the ERP Project, the new Health Department Headquarters, and a Downtown Courthouse. The table below shows routine and non-routine capital project expenditures by fund.<sup>1</sup> **Routine projects** maintain existing assets or are normal system-wide projects. **Non-routine projects** invest in new assets or substantially alter the function, maintenance requirements, operational costs or capacity of current assets.

1. Capital expenditures are for items or projects that have a useful life of three or more years and for which the initial costs exceed \$5,000.

Fund	Routine Projects	Non-Routine Projects	Total
Asset Preservation Fund (2509)	\$13,253,747	\$0	\$13,253,747
Bicycle Path Construction Fund (1503)	356,400	0	356,400
Burnside Bridge Fund (2515)	0	6,000,000	6,000,000
Capital Improvement Fund (2507)	13,852,159	12,737,059	26,589,218
Downtown Courthouse Capital Fund (2500)	0	213,217,626	213,217,626
ERP Project Fund (2513)	0	19,849,934	19,849,934
Federal/State Fund	0	1,125,000	1,125,000
Financed Projects Fund (2504)	0	2,043,268	2,043,268
General Fund (1000)	0	5,000,000	5,000,000
Hansen Building Replacement Fund (2512)	0	4,166,405	4,166,405
Health Headquarters Capital Fund (2510)	0	31,682,405	31,682,405

Road Fund (1501)	1,600,000	21,232,600	22,832,600
Sellwood Bridge Replacement Fund (2511)	0	18,712,821	18,712,821
Willamette River Bridge Fund (1509)	<u>100,000</u>	<u>5,186,276</u>	<u>5,286,276</u>
<b>Total</b>	<b>\$33,199,743</b>	<b>\$343,497,717</b>	<b>\$376,697,460</b>

The Capital Budget includes three major groups, Facilities and Property Management (FPM), Information Technology (IT) and Transportation, discussed in the next section.

### *Capital Groups*

#### **Facilities and Property Management (FPM) - Department of County Assets**

This capital group is for the implementation of building construction and improvement projects. Multnomah County owns or leases over 142 facilities that include libraries, health and dental clinics, school-based health centers, senior service centers, courthouses, correctional facilities, homeless shelters, office buildings, boathouses, warehouse and maintenance shops, and an animal shelter. The County owns 82 facilities with an estimated replacement cost of over \$1.2 billion. The County's estimated seismic liability is \$249.2 million and the Library District's seismic liability is estimated at \$12.8 million. Once the new Downtown County Courthouse and Health Department Headquarters are completed, this seismic liability will be reduced by nearly \$86 million.

#### **Information Technology (IT) - Department of County Assets**

This capital group is for the implementation of large scale technology projects. The County's Information Technology Division maintains more than 300 business applications operating on more than 8,500 PCs, laptops, and mobile devices. In FY 2017, IT completed a Fitness Assessment of the County's technology portfolio. This assessment categorized the most critical technology components and applications used throughout the County. The result of the assessment was the identification of technology requiring investments in the short and medium term. The unfunded investments are estimated at approximately \$20 million. The capital budget planning process will begin to address these needs.

#### **Transportation - Department of Community Services**

This group implements improvements to County-owned roads and bridges that are significant components of the regional transportation system. The County maintains roads in unincorporated areas, most of which are in eastern Multnomah County as well as major roads within the East County cities of Fairview, Wood Village and Troutdale. In total, the County is responsible for the maintenance, operation and capital improvement of 300 miles of unincorporated County road-, bicycle- and pedestrian-ways and six Willamette River bridges. Construction of the new Sellwood Bridge was substantially completed during FY 2018. The County estimates a total of \$705.4 million seismic liability for the remaining four bridges: Broadway, Burnside, Morrison and Hawthorne.

The table on the following page details out by capital group where the projects are budgeted.

# Capital Budget

## Capital Budget Planning and Prioritization

The prioritization and planning methods for projects in Multnomah County's Capital Budget vary by group. The following summarizes planning and prioritization strategies by capital group:

- **Facilities and Property Management:** Staff evaluate the lifecycle and condition of current building systems and work with departments to identify facility needs. The needs are prioritized as projects to be included in a five-year Capital Improvement Plan (CIP). Projects are prioritized with a scoring system that considers: safety, building condition, code requirements, condition of major systems (heating, cooling etc.), potential operational savings, workplace environment impact, and potential to leverage outside funding. Phase II of the Facilities Strategic Plan prioritized facilities to be assessed in order to determine the cost/benefit of specific investments in the portfolio. In FY 2019, the program focus is on continuing the assessments of medium and poor performance buildings and evaluating renovation, modernization and redevelopment opportunities that improve department service delivery.
- **Information Technology:** Information Technology staff work with departments to plan for and request new technology additions and improvements. Countywide requests and impacts are reviewed with the Technology Council formed in FY 2017, made up of representatives from all County departments. Prioritization of requests from individual departments is made with department leadership. When necessary, prioritization of Countywide requests is made by the Leadership Council and input from department directors. In all cases, prioritization is based on the following criteria: improving service quality to the public and/or internal customers, reducing risks, achieving return on investments, achieving return on our mission, significant cost savings or revenue potential, and the availability of IT resources.
- **Transportation:** Staff uses a twenty-year long-term Capital Improvement Plan to identify and rank transportation improvement needs for County roadways and bridges. Transportation staff use safety, congestion relief, support of regional land use goals, the availability of project-specific funding, and community support as criteria and apply the Equity Lens to evaluate projects for inclusion in to the Capital Budget.

After prioritizing and aligning projects with long-term plans, the capital groups develop program offers for inclusion in department budget requests and when the Board holds department work sessions on the Chair's proposed budget, there is a work session for the Capital Budget with a presentation that covers the capital groups.

## Financing Capital Projects

Multnomah County finances capital projects through dedicated tax revenue, fees, bond proceeds, grants, and internal charges. The County largely follows a pay-as-you-go philosophy to finance capital projects, preferring dedicated taxes, fees, and internal charges to issuing debt. In some years, the County also funds capital projects with one-time-only General Fund resources and the County considers bond issuance for non-routine projects with sizeable future benefit and/or long-term cost savings potential.

Facilities and Property Management project funding comes from voter-approved General Obligation Bonds, Full Faith and Credit bonds, internal services charges, one-time-only General Fund, project-specific grants and other sources. Routine facilities projects are typically financed by per-square-foot capital improvement and asset preservation fees.

Information Technology projects are financed through internal services charges, one-time-only General Fund, and limited debt proceeds from Full Faith and Credit bonds.

Transportation project funding comes from State and County vehicle fuel taxes and vehicle registration fees, land development activity, and federal sources. Fuel taxes and vehicle registration fees are the most flexible funding, while federal and private development funds are typically project specific.

The table on the next page summarizes the revenue for funds that contain capital projects and delineates requirements for capital project spending from requirements for other spending in those funds.

### Major Capital Projects

#### *Health Department Headquarters*

In FY 2011, Multnomah County and Home Forward prepared a feasibility report to relocate operations from the outdated McCoy Building on 426 S.W. Stark to a new Health Department facility on the east half of block U in downtown Portland. The McCoy facility, built in 1923, needs significant maintenance and seismic investments, and a new building is expected to better support health care personnel; the office of the Health Officer; and administrators and staff who oversee Multnomah County’s health services, services for children and families, and public health emergency preparedness. The new building will also house clinics, a pharmacy, and the central laboratory. In FY 2016 the project was expanded to add 3 floors in order to incorporate functions from the McCoy Building that were not included in the original project scope. Construction of the new Headquarters building began in FY 2017. The FY 2019 project budget is \$31.8 million including contingency. Revenues are:

- \$22.3 million of carried-over funds from FY 2018
- \$9.5 million for a third Portland Development Commission payment

FY 2019 Budget	Total Project Cost	Estimated Operating Expenditures	Estimated Completion	Program Offer #
\$31,682,405	\$94,100,000	TBD	FY 2019	78214

### *Downtown County Courthouse*

The downtown Courthouse is functionally obsolete, structurally deficient and was not designed to current seismic standards. Built in 1914, the 300,000 square foot building has outlasted its useful life, is expensive to operate and is ill-suited for modern courtroom and security needs. A new court facility would provide for the County’s space needs, reduce maintenance costs, and increase energy efficiency. A new facility would also allow the State to meet community demand, ensure that justice is carried out in a timely manner, and support services to Multnomah County citizens. In FY 2015 a site was selected for the new building on the west end of the Hawthorne Bridge, and in FY 2016 the County selected an architect and construction manager/general contractor (CM/GC), and started the design phase. The new Courthouse is currently under construction. The FY 2019 project budget is \$213.2 million and includes:

- \$90.9 million of carried-over funds from FY 2018
- \$92.6 million of State match funds
- \$15.3 million from Financing Proceeds
- \$14.0 million of FY 2019 one-time-only General Fund
- \$0.4 million of Energy Tax Credits for Energy Trust of Oregon

FY 2019 Budget	Total Project Cost	Estimated Operating Expenditures	Estimated Completion	Program Offer #
\$213,217,626	\$324,500,000	TBD	FY 2020	78212

## *MCSO Facilities Relocation and Reconfiguration*

The Sheriff’s Office is exploring the possibility of consolidating several facilities into one facility, to an East County site that is yet to be determined. The facilities under consideration include moving evidence storage and miscellaneous operations currently located at the Hansen Facility, operations at the Kelly Building, operations at the Columbia Gorge location including all training and commissary functions, and operations at Yeon including the Transport team. This study also includes the consolidation of all administration staff currently located at the Multnomah Building. Preliminary programming requirements are under way with MCSO and FPM along with a Business Case Analysis development. This project will require full funding analysis prior to DCA Leadership review. The FY 2019 project budget is \$4.2 million, which has been carried over from FY 2018.

FY 2019 Budget	Total Project Cost	Estimated Operating Expenditures	Estimated Completion	Program Offer #
\$4,166,405	\$5,700,000	TBD	FY 2020	78218

### *DCJ East County Campus*

The Department of Community Justice (DCJ) and the Facilities and Property Management Division (FPM) identified the need to acquire an asset in a mid-county location that will consolidate services in East County. This aligns with the County’s Facilities Asset Strategic Plan to increase operational efficiencies, align departmental points of service with their client base and eliminate the lease risks associated with the existing leased facilities.

The program envisions the co-location of DCJ District Managers, seven Parole and Probation units, space for Teaming Partners, a client Resource Center, a training facility for parole officers, a Community Services support facility and convenient staff amenities. As part of the Facilities Strategic Asset Plan, the majority of these functions will be relocated from facilities with expiring leases or properties that the County is planning to reposition. The FY 2019 project budget is \$7.2, which has been carried over from FY 2018.

FY 2019 Budget	Total Project Cost	Estimated Operating Expenditures	Estimated Completion	Program Offer #
\$7,150,331	\$12,000,000	TBD	FY 2021	78220

### Capital Projects by Fund

#### *General Fund (1000) & Federal/State Fund (1505)*

The complete list of projects included in the Capital Budget are displayed here by fund under “Routine” or “Non-routine” headers. Each fund is dedicated for specific purposes as described by Board action, and projects assigned must meet the restrictions on that funding source.

While most capital projects are budgeted in capital funds, the FY 2019 budget contains \$5.0 million in the General Fund (1000) and \$1.25 million in the Federal/State Fund (1505) for the development high quality, year-round shelter capacity for multiple populations in improved facilities, as well as funding to support the establishment of additional temporary/seasonal shelters in the coming fiscal year. This funding is budgeted in Joint Office of Homeless Services and represents a joint commitment on the part of the County and the City of Portland to address unmet needs in the emergency shelter system.

Non-Routine Projects (1000/1505)	FY 2019 Budget	Total Project Cost	Estimated Completion	Program Offer #
Emergency Shelter Strategic Investment	\$6,125,000	\$6.125 million	Ongoing	10058

#### *Road Fund (1501)*

Road Fund (1501) capital projects maintain and enhance the County road system. The FY 2018 program will continue preservation work with asphalt overlays on SE 172nd Ave, SE Stark St, Orient Dr, and the levee section of Sauvie Island, slide repairs (Newberry Rd), culvert replacement on SE Stark Street and Cochran Road. Design work continues into construction on Cornelius Pass Rd which will target driver safety improvements on this high use County rural road. Both NE Arata Road and NE Sandy Boulevard projects will be in construction phases each supporting the cities of Fairview and Wood Village. Projects receive funding from State Motor Vehicle sources, County gasoline tax, permits, development fees, and federal and state grants.

East County Cities Capital	<u>150,000</u>	<u>150,000</u>	TBD
<b>Total</b>	<b>\$1,220,000</b>	<b>\$1,220,000</b>	

## Bicycle Path Construction Fund (1503)

The Bicycle Path Construction Fund (1503) receives its revenue from one percent of the County's share of motor vehicle fees, dedicated project grants and intergovernmental agreements. The fund is dedicated to the construction of bicycle and pedestrian projects. Routine projects may include bike lane striping projects or work on pedestrian crossings. In FY 2018, the program's focus will be on routine projects.

Routine Projects (1503)	FY 2019 Budget	Total Project Cost	Program Offer #
Miscellaneous Projects	\$248,532	\$248,532	91018

### *Willamette River Bridge Fund (1509)*

The Willamette River Bridge Fund (1509) receives its revenue from gasoline tax, a portion of the County’s State Motor Vehicle fee, and dedicated Federal and State project revenues, and grants. Projects in this fund are limited to the Sellwood, Hawthorne, Morrison, Burnside, Broadway, and Sauvie Island bridges. Construction completed on the Broadway Rall Wheel project as well as the Morrison Deck Replacement in FY 2018. Construction will continue on the Burnside Maintenance project. The Earthquake Ready Burnside Bridge feasibility study, intended to provide a small range of feasible alternatives for a seismically resilient crossing of the Willamette River on the Burnside Street lifeline route, will be complete. In addition, the Morrison Paint Project will continue the design phase.

Non-Routine Projects (1509)	FY 2019 Budget	Total Project Cost	Estimated Completion	Program Offer #
Morrison Paint Project	\$4,187,916	\$21,345,440	FY 2022	91018A
Burnside Maintenance Construction	698,360	31,128,797	FY 2020	91018A
Earthquake Ready Burnside Bridge	<u>300,000</u>	<u>3,000,000</u>	FY 2019	91018A
<b>Total</b>	<b>\$5,186,276</b>	<b>\$55,474,237</b>		

Routine Projects (1509)	FY 2019 Budget	Total Project Cost	Program Offer #
Miscellaneous Small Building Improvements	\$100,000	\$100,000	91015

### *Downtown Courthouse Capital Fund (2500)*

The Downtown Courthouse Capital Fund (2500) was created solely for the Downtown Courthouse Project to account for the associated revenues and expenses. This project is discussed in the Major Projects Section.

Non-Routine Projects (2500)	FY 2019 Budget	Total Project Cost	Estimated Completion	Program Offer #
Downtown County Courthouse	\$213,217,626	\$324.5 million	FY 2020	78212

### *Financed Projects Fund (2504)*

The Financed Projects Fund (2504) is for acquiring, remodeling, or constructing County facilities, information technology capital investments, and other capital projects. Funding is from Full Faith and Credit bonds or other sources including a \$1.5 million one-time-only General Fund cash transfer in FY 2015. In FY 2019 the Financed Projects Fund will continue to be dedicated to the appraisal and collection system replacement for the Division of Assessment, Records and Taxation (DART).

Non-Routine Projects (2504)	FY 2019 Budget	Total Project Cost	Estimated Completion	Program Offer #
DART Assessment & Taxation System Replacement	\$2,043,268	\$7,260,470	FY 2019	72035

# Capital Budget

fy2019 adopted budget

## *Library Construction Fund (2506)*

The Library Capital Construction Fund (2506) is for capital improvements to County libraries and was created with the FY 2015 budget to segregate capital activity for the Library District from the general government capital activity.

Routine Projects by Building (2506)	FY 2019 Budget	Total Project Cost	Estimated Completion
<b>Belmont Library</b>			
Replace Flooring & Install Wall Tile PRRs	\$41,976	\$45,000	FY 2019

### Capital Improvement Fund (2507)

The Capital Improvement Fund (2507) projects are funded by a capital improvement fee assessed to County building tenants, interest income, financing proceeds, revenue from leased facilities and one-time-only General Fund cash transfers. The fund supports capital repair, replacement and upgrade projects to improve building systems in owned Tier 2 and Tier 3 buildings.

Non-Routine Projects (2507)	FY 2019 Budget	Total Project Cost	Estimated Completion

### *Health Department Headquarters Fund (2510)*

The Health Department Headquarters Fund (2510) is used for the Health Department Headquarters project to account for the associated revenues and expenses for this project. This project is discussed in the Major Projects section.

Non-Routine Projects (2510)	FY 2019 Budget	Total Project Cost	Estimated Completion
Health Headquarters Construction	\$31,682,405	\$94,100,000	FY 2019

### *Sellwood Bridge Replacement Fund (2511)*

The Sellwood Bridge Replacement Fund (2511) was created for the Sellwood Bridge Replacement project revenues and expenses. The project, which began construction in December 2011, replaced the 88 year-old Willamette River crossing with a new bridge and interchange with Highway 43. The mid-river pier was removed in FY 2018 and the project is now considered substantially complete. Project closeout will continue in FY 2019

Non-Routine Projects (2511)	FY 2019 Budget	Total Project Cost	Estimated Completion
Sellwood Bridge Replacement	\$18,712,821	\$328,000,000	FY 2019

### *Hansen Building Replacement Fund (2512)*

The Hansen Building Replacement Fund (2512) was created for the Hansen Building project revenues and expenses. This project is discussed in the Major Projects section.

Non-Routine Projects (2512)	FY 2019 Budget	Total Project Cost	Estimated Completion
MCSO Facilities Relocation and Reconfiguration	\$4,166,405	\$5,700,000	FY 2020

### *ERP Project Fund (2513)*

The ERP Project Fund was established to support the implementation of a new Enterprise Resource Planning (ERP) suite of integrated technology that includes Workday, Tririga, Jaggaer (formerly Sciquest), and Questica. The new ERP suite will replace the existing SAP solution, automate key business processes such as employee time sheets and performance management, provide improved reporting, and will be accessible via mobile devices. The new technology suite is planned to go live January 2019. The FY 2019 project budget is \$22.6 million and consists of carried-over funds from FY 2018.

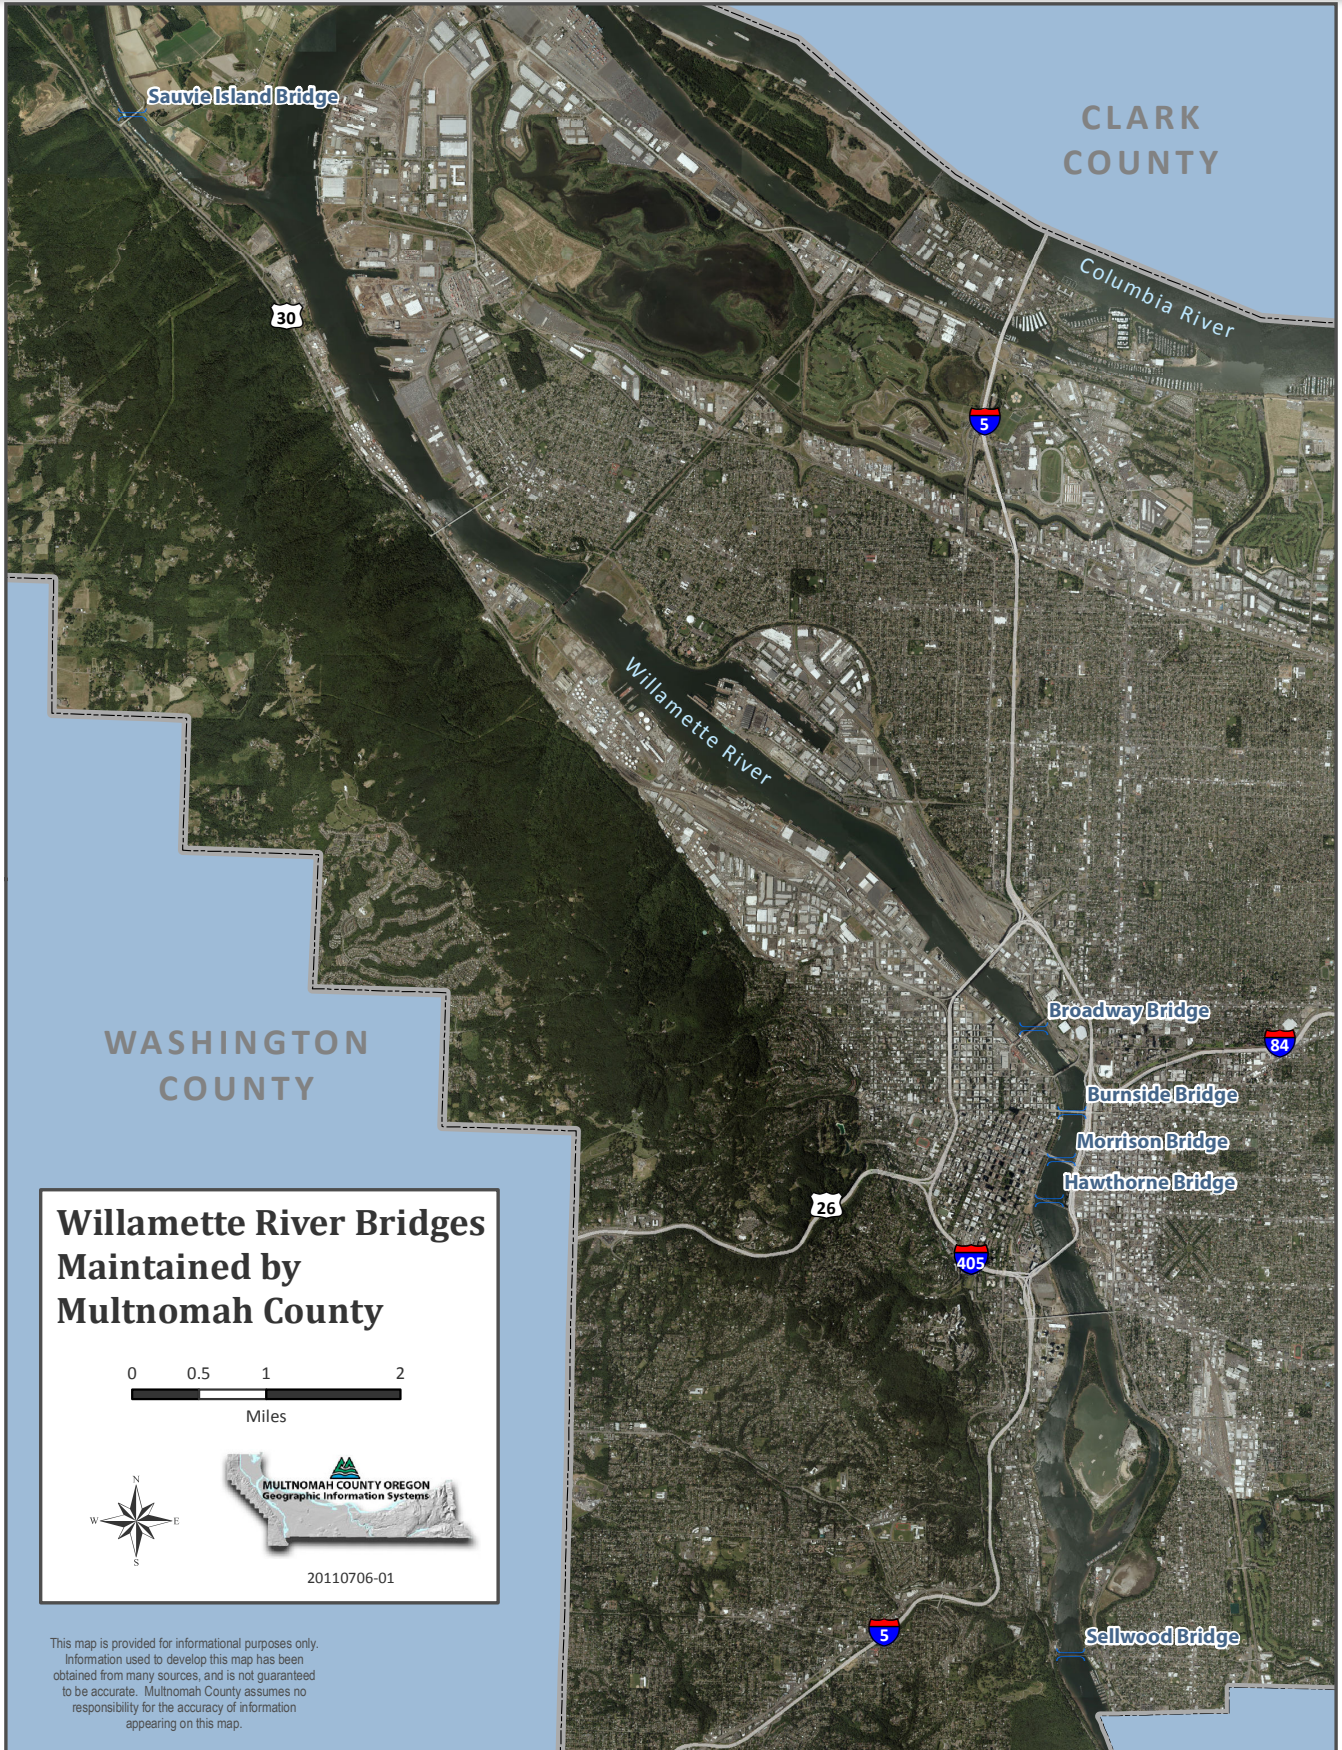

Non-Routine Projects (2513)	FY 2019 Budget	Total Project Cost	Estimated Completion
ERP Project	\$22,615,988	\$41,300,000	FY 2020

### *Burnside Bridge Fund (2515)*

The Burnside Bridge is deemed to be a lifeline route for emergencies in Portland. As such, it is the Bridge Division's highest priority to ensure that the bridge meets seismic standards to withstand the anticipated Magnitude 9.0 Cascadia Subduction Zone event that the Oregon Department of Geology and Mineral Industries has calculated as having a 27% chance of occurring before 2065. This bridge should remain fully operational to vehicles and river traffic following such an event. This Burnside Bridge Fund (2515) was created to track the revenues and expenses related to this effort. The National Environmental Policy Act (NEPA) Study will begin in FY 2019 and will continue for three years to determine the environmental impact of the various options of rebuilding or repairing the Burnside Bridge. Additional information about the project can be found on page 28 in the Budget Directory's Message.

Non-Routine Projects (2515)	FY 2019 Budget	Total Project Cost	Estimated Completion
Burnside Bridge	\$6,000,000	\$18,000,000	FY 2021

## Goals

The goals of the County's financial policies are:

1. To preserve capital through prudent budgeting and financial management.
2. To achieve the most productive use of County funds that meets the goals of the Board of County Commissioners.
3. To achieve a stable balance between the County's ongoing financial commitments and the continuing revenues available to the County.
4. To leverage local dollars with Federal and State funding/grants.
5. To support accountability to the citizens of Multnomah County.

It is the intention of the Multnomah County Board of Commissioners to comply with all federal and statutory requirements, Generally Accepted Accounting Principles (GAAP), and Governmental Accounting Standards Board (GASB) directives (see Multnomah County's Ordinance No. 1101).

## Financial Forecasts for the General Fund

Governments at all levels should forecast major revenues and expenditures. The forecast should extend at least three to five years beyond the budget period and be regularly monitored and updated. It should be clearly stated and available to participants in the budget process, as should its underlying assumptions and methodology. The forecast should also be referenced in the final budget document. To improve future forecasting, the variances between previous forecasts and actual amounts should be analyzed. The variance analysis should identify all factors that influence revenue collections, expenditure levels, and forecast assumptions.

## Policy Statement

The Board of County Commissioners recognizes the importance of developing a combined revenue and expenditure forecast. The Budget Office will prepare a five-year financial forecast for the General Fund to assess the long-term financial implications of current, as well as proposed, policies and programs. The forecast will detail assumptions regarding both short-term and long-term financial issues facing the county. Those assumptions will guide the development of appropriate financial strategies to achieve the goals outlined above. The forecast will be referenced on the County's website and incorporated in the annual budget document. The General Fund revenue and expenditure forecast will:

1. Provide an understanding of available funding;
2. Evaluate financial risk;
3. Assess the likelihood that services can be sustained;
4. Assess the level at which capital investment can be made;
5. Identify future commitments and resource demands;
6. Identify the key variables that might change the level of revenue; and
7. Identify one-time-only resources and recommend appropriate uses.

## Status

The County is in compliance with this policy.

## Tax Revenues

State statutes and the County Code provide Multnomah County with the ability to raise revenue through taxation. The County currently uses the following taxes:

1. Property Taxes are governed by state statute and the Oregon Constitution and are levied for the following purposes:
  - a “Permanent Rate” is available for general uses, that is set at \$4.34 per \$1,000 of assessed value.
2. Business Income Tax is set at 1.45% of net business income generated in Multnomah County. This tax is authorized by County Code, Chapter 12.
3. Motor Vehicle Rental Tax is set at 17% of the value of rental fees. The first 14.5% is available for general uses. The remaining 2.5% supports the Oregon Convention Center under an agreement with the Metropolitan Service District. This tax is authorized by County Code, Chapter 11.
4. Transient Lodging Tax is set at 11.5% of the room rent charged by hotel operators. Nearly all of the County proceeds from this tax are used to support the Oregon Convention Center and other tourist amenities under an agreement with the Metropolitan Service District. This tax is authorized by County Code, Chapter 11.
5. Motor Vehicle Fuel Tax is set at 3 cents per gallon of gasoline (or diesel) sold in Multnomah County. The proceeds of this tax are restricted to transportation programs. This revenue is shared by Multnomah County and the cities of Portland, Gresham, Troutdale, and Fairview. This tax is authorized by County Code, Chapter 11.

## Policy Statement

The Board recognizes that taxation is necessary to provide public services to the citizens of the county. When considering changes to the County’s tax structure, the Board will consider:

- The ability of taxpayers to pay the taxes;
- The impact of taxes imposed by the County on other local governments;
- The effect of taxes on the county economy;
- The administrative and collection costs of the taxes; and
- The ease with which the taxes can be understood by taxpayers.

State statutes allow the County to levy “local option” taxes that are not allowed to exceed five years. It is the intent of the Board to use this short-term revenue source to fund priority service programs only after all other sources of revenue have been analyzed and have been determined not to be feasible.

All decisions to levy taxes are made in an atmosphere of intense public and internal debate, particularly with regard to the progressivity of the tax, its administrative cost, its impact on the regional economy, its effect on other

## Status

local governments, and the degree to which the tax might be acceptable to the public.

The County's tax revenues represent about 42% of the total Governmental Fund Type revenues (General and Special Revenue Funds). The following graphs depict actual tax revenue by source (\$ in thousands). No new taxes are proposed in the FY 2019 budget.

Other Tax Revenue By Source

Other Tax Revenue	2013	2014	2015	2016	2017

<b>Total Property Taxes</b>	<b>\$245,672</b>	<b>\$243,800</b>	<b>\$259,242</b>	<b>\$273,672</b>	<b>\$280,349</b>

## Federal/State Grant and Foundation Revenues

### Policy Statement

Grants and foundation funds are used, and provide significant leverage, to support an array of County services. All of these revenues are restricted to a specific purpose, such as health and social services or public safety. Reimbursements made to the County as a result of leveraging outside resources are considered to be unrestricted General Fund revenue unless the spending is specifically detailed by Grantor or Foundation.

The Board understands that grants and private sources present opportunities and risks. They allow the County to provide basic or enhanced levels of service and to cover gaps in services, but they may also commit the County to serving larger or different groups of clients which would put pressure on County generated revenues if the grant were withdrawn. When applying for a grant, the Board will consider:

1. Whether the funds are aligned with the County's mission and goals.
2. Opportunities for leveraging other funds to continue the program.
3. The amount of locally generated revenue required to supplement the revenue source.
4. Whether the revenue will cover the full cost of the proposed program, or whether the County is expected to provide program support and administrative overhead. It is the intent of the County to recover all costs related to grant and foundation revenues.
5. The degree of stability of the funding source.
6. Whether decline or withdrawal of the revenue creates an expectation that the County will continue the program.
7. How County programs can maximize revenue support from state or federal sources.
8. Whether the funds are used for pilot or model programs and will result in a more efficient and/or effective way of doing business.

Departments will provide the Board with a notice of intent (NOI) before applying for grant funding (see Administrative Procedure BCC-1). The Board requires the resources to be used in accordance with any stipulated restrictions and prior to using unrestricted revenues including General Fund appropriations for the same program or purpose. Money (or goods) donated to the County for a specific program or purpose are considered to be restricted resources and not subject to this policy.

Federal grants will be governed by a written Grant Management Manual. The Manual will cover all the items addressed in the Uniform Administrative Guidelines (Chapters I and II, Part 200 Uniform Guidance, Cost Principles and Audit Requirements for Federal Awards). The Manual will be ratified annually by the Board and will include any applicable updates resulting from changes in federal standards.

### Status

The County is in compliance with this policy.

## Recovery of Indirect Costs

### Policy Statement

### Status

The Federal government recognizes identifiable overhead costs are incurred in providing services to support grants and contracts. Therefore, the Office of Management and Budget (OMB) establishes principles and standards to provide a uniform approach for determining costs and to promote effective program delivery, efficiency and better relationships between governmental units and the Federal government. The County's indirect cost allocation plan is prepared annually in accordance with Chapters I and II, part 200 in the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards as published in the Federal Register on December 26, 2013, or commonly referred to as "Uniform Grant Guidance".

It is the policy of the Board to recover from dedicated revenue sources the full cost of programs supported by those sources.

The exception to the above policy occurs when the grantor agency does not allow the grantee to charge indirect costs or allows only a fixed amount or a maximum indirect cost rate. The Board will have the final authority to accept a grant that does not allow the recovery of all or part of indirect costs. In that event, the General Fund will absorb any indirect cost attributable to the program.

If a grantor agency only allows a fixed amount or a maximum percentage indirect cost rate, departments are required to first fully recover the central indirect cost rate prior to recovering the department indirect cost rate.

The County updates the plan annually and the Chief Financial Officer certifies the accuracy of its indirect cost rate proposal and cost allocation plan. For further information, see the Finance Cost Allocation Plans website at <https://multco.us/finance/cost-allocation-plans>.

## Use of One-Time-Only Resources

### Policy Statement

Unrestricted one-time-only resources present organizations with temptations that are hard to resist. In the short run it appears more beneficial to allocate such resources to the highest priority public service that would otherwise be unfunded than to restrict them to costs associated with one-time needs and those that will not recur in following years. However, the result of this practice is to expand operational levels and public expectations beyond the capacity of the organization to generate continuing funding. This inevitably produces shortfalls and crises. Sustaining an ongoing program level by deferring necessary expenditures or by incurring future obligations also inevitably produces shortfalls and crises.

It is the policy of the Board that the County will fund ongoing programs with ongoing revenues, and to restrict the allocation of one-time revenues to nonrecurring expenditures.

Examples of one time revenues include:

- Proceeds on the sale of capital assets
- Business Income Taxes collected in excess of budgeted revenues
- General Fund ending fund balance in excess of budgeted balance

As the ending balance in the General Fund is typically the largest sources of one-time-only resources, it is the policy of the Board that departments may not propose to carryover appropriations from one year to the next.

When the County budgets unrestricted one-time-only resources, the Board will first set these funds aside for reserves. If reserve requirements have been met, one-time only resources can be allocated to projects or programs that will not require future financial commitments. The Board will consider the following when allocating these one-time-only resources:

1. After fully funding reserves as established by policy, 50% of any remaining one-time only resources will be allocated to the capitalization, or recapitalization, of major County facilities projects.
2. One-time only spending proposals for projects or pilot programs, particularly investments that may result in innovative ideas or technology, long-term efficiencies or savings that do not require ongoing support.
3. Bridge or gap financing for exiting programs for a finite period of time.

### Status

During budget deliberations, the Budget Director is responsible for providing a list of sources and uses of one-time-only funds and informing the Chair and the Board on the recommended use of the funds received. With this information, the Board is able to appropriate and direct one-time-only resources to infrequent and unique expenditures in an effort to achieve compliance with this policy.

## User Fees, Sales, and Service Charges

### Policy Statement

State and local governments use charges and fees to fund the provision of goods and services. Charges are voluntary payments that are used to finance traditional governmental services. A fee is imposed as a result of a public need to regulate activities, typically related to health, safety or other protective purposes. Fees result in the purchase of a privilege or authorization and are applied to such activities as restaurant inspections, building permits and marriage licenses.

User fees are generally intended to cover all the costs or an agreed upon portion of the costs for providing services. Inflation or increased service delivery can erode the established user fees if the cost of service increases faster than revenue from fee increases.

It is the general policy of the Board that user fees and service charges be established at a level to recover 100% of the costs to provide services. Exceptions to this policy will be made depending on the benefit to the user of the service, the ability of the user to pay for the service, the benefit to County citizens, and the type of service provided.

User fees and service charges collected by County agencies will be periodically reviewed. Based on this review, the Chair will make recommendations to the Board regarding proposed changes to fee or service charge schedules. Revenues generated from sales (and commissions on sales) of goods and services sold in County-owned or leased facilities are to be credited to the County's General Fund unless:

1. They are generated for inmate welfare commissary operations;
2. They are generated in Library facilities used for Library operations;
3. They are generated by internal service providers and offset rates charged to departments;
4. The Board grants an exception.

### Status

The Budget Office provides an annual comprehensive review of fees and charges (more information can be found at <https://multco.us/budget/master-fee-schedule>). Departments are generally responsible for ongoing review of fees and charges associated with their operations during the year

### Budgeted General Fund Reserves

Using all available ongoing revenue each year to pay for ongoing programs can result in fluctuations in program levels as revenues vary from one year to the next. Adding programs in one year (based on positive short term receipts) can cause the same or other programs to be cut in the next year if costs outpace revenues. This has a detrimental effect on service delivery over time, reducing efficiency and causing budgetary and political problems that can be avoided if program decisions are made in the context of the County's long-term financial capacity. The County's General Fund is weighted toward a handful of revenues that make up approximately 90% of total resources. Because the revenue stream is not very diverse, and the major source of General Fund revenue is limited by the State Constitution, it is critical that the County maintain an appropriate level of reserves.

It is a goal of the County to build a more diverse revenue stream. Further, the County may want an additional reserve in order to offset the volatility of or lack of diversity in the revenue stream.

Maintaining an appropriate reserve helps the County maintain its favorable bond rating, which is currently Aaa from Moody's Investors Service for both the County's General Obligation bonds and Full Faith and Credit Bonds. Moody's generally established benchmark for the General Fund Balance or reserve is a dollar amount equal to at least 10% of actual General Fund revenues.

Moody's general guidelines for issuing bond ratings presume that an entity has a sufficiently diverse revenue stream to enable it to sustain adversity of any one of the revenue sources. In addition, the guidelines presume that the entity is not facing future liabilities it will be unable to meet or that it has adopted and followed a plan to address significant known liabilities.

The Board understands that to avoid financial instability, continuing requirements should be insulated from temporary fluctuations in revenues.

It is the goal of the Board to fund and maintain a General Fund budgeted reserve, designated as unappropriated fund balance and funded at approximately 10% of the "corporate" revenues of the General Fund and the Special Revenue Video Lottery Fund. Corporate revenues are defined as revenues that are available for general use and over which the Board has complete discretion.

Corporate revenues include Property Tax, Business Income Tax, Motor Vehicle Rental Tax, State Revenue Sharing (Cigarette, Liquor, Video Lottery, and Amusement Device Taxes), and Interest Earnings. These revenue sources account for approximately 90% of total General Fund resources excluding Beginning Working Capital.

### Policy Statement

### Status

The budgeted reserve account in the General Fund is to be used when overall revenue growth\* falls below the rate of annual revenue change achieved during the prior ten years. In years when basic revenue growth falls below long-term average growth, the Board will reduce the unappropriated fund balance to continue high priority services that could not otherwise be funded by current revenues. If the reserve account is so used, to maintain fiscal integrity, a reserve restoration plan will be included in the adopted budget following the fiscal year in which the reserve fell below the 10% level.

The FY 2019 reserves are budgeted at \$43.4 million based on current forecasts.

The following graph shows the reserve goal, budget and actual unreserved fund balance (\$ in thousands). The budgeted reserves do not include funds budgeted in contingency.

**Unreserved Fund Balance (Budgetary Basis)**

General Fund Reserves	2013	2014	2015	2016	2017
Goal	\$32,100	\$32,600	\$34,322	\$37,529	\$39,855
Budget	32,100	32,600	34,322	37,529	39,855
Unreserved Balance	\$69,956	\$71,894	\$99,087	\$110,389	\$103,188

\*"Growth" is defined as total increase in fiscal year compared to the amount of prior fiscal year, adjusted for changes in collection method, accrual method, or legislation defining the rate or terms under which the revenue is to be collected.

## General Fund Contingency

### Policy Statement

General Fund contingency transfers have a significant effect on the annual budget process by reducing the amount of ending fund balance that is carried over to the subsequent fiscal year as beginning working capital. Contingency transfers should be reviewed in the context of other budget decisions so that high priority programs and projects are not jeopardized.

The Board understands that in order to avoid financial instability, continuing obligations cannot increase faster than continuing revenues. It is the policy of the Board to establish an emergency contingency account in the General Fund, as authorized by ORS 294.352, each fiscal year during the budget process. The account will be funded at a level consistent with actual use of transfers from contingency during the prior ten years.

To maintain financial stability, the following guidelines should be used by the Board in considering requests for transfers from the General Fund Contingency Account:

1. One-time-only allocations.
2. Contingency funding limited to the following:
  - Emergency situations which, if left unattended, will jeopardize the health and safety of the community.
  - Unanticipated expenditures necessary to keep a public commitment or fulfill a legislative or contractual mandate, or which have been demonstrated to result in significant administrative or programmatic efficiencies that cannot be covered by existing appropriations.
3. The Board may, when it adopts the budget for a fiscal year, specify programs it wishes to review during the year and increase the Contingency account to provide funding to support those programs if it chooses. Contingency funding of such programs complies with this policy.

### Status

The Budget Director is responsible for informing the Board if contingency requests submitted for Board approval meet the criteria of this policy. In addition, each year the Budget Director will provide an annual report to the Board detailing the prior fiscal year's contingency actions. This report will include the total dollar amount of contingency requests, dollar amount approved, and dollar amount that did not meet the criteria of this policy.

## Capital Asset and Transportation Planning Policies

### *Capital Improvement Plan - Facilities and Property Management*

Capital financial management policies demonstrate to the credit rating industry and prospective investors (bond buyers) the County's commitment to sound financial management. Adherence to adopted policies ensures the integrity of the planning process and leads to maintaining or improving bond ratings and lowering the cost of capital.

It is the policy of the Board that the County will attempt to meet its capital maintenance, replacement or acquisition requirements on a pay-as-you-go basis. If the dollar amount of the capital requirement cannot be met on a pay-as-you-go basis, if it is financially beneficial to issue bonds or other debt instruments, and if the project has been determined to benefit future citizens, the County will evaluate the feasibility of issuing a long term debt financing instrument.

As of close of FY 2017, Multnomah County owned 80 buildings with a historical cost of approximately \$451 million, and an estimated replacement cost of \$1.4 billion (including soft costs; excluding land acquisition). Structural and systems replacement in the County's capital plan is largely a non-discretionary activity. That is, the question is not whether such expenditures are necessary but in what year to schedule the expenditure on particular projects. Deferral of capital improvements and maintenance creates an unacceptable unfunded liability and contributes to further deterioration of properties. It is the goal of the Board to fund the County's capital needs at approximately 2% of the cost of County Tier 1 and Tier II buildings, equivalent to depreciating the facilities over a 50-year period. Only "fire-life-safety" and urgent capital projects will be considered for Tier III buildings, to avoid further investment in these facilities until they are disposed of.

The Facilities and Property Management Division shall maintain an inventory of the capital needs in all owned County facilities. An evaluation process and rating system shall be implemented and managed by Facilities and Property Management to assist in determining which projects to propose for funding each year.

Any remaining balance of the Fund shall be maintained as a long-term reserve. During the annual budget development process the Director of the Facilities and Property Management (FPM) division is directed to update the five-year Capital Improvement Plan (CIP). The Plan shall provide for and prioritize maintenance projects, anticipated major improvements to County capital assets and any additional replacement of capital assets. The Plan shall include major construction to be undertaken by the County, regardless of funding source. The Plan will be reviewed and updated annually, and submitted to the Board of County Commissioners as part of the annual budget (see Five Year Capital Improvement Plan).

## Status

The five year CIP is updated and presented to the Board annually. The County is not in compliance with the policy goal to fund capital needs at a rate of 2% of the replacement cost of buildings, but has increased fees charged to tenants in County owned buildings in an effort to reach the goal over time.

The following graph depicts the annual infrastructure spending goal and actual expenditures (\$ in thousands). The goal refers to a level of ongoing expenditures.

Infrastructure Expenditures

	2013	2014	2015	2016	2017
Goal	\$20,000	\$20,000	\$31,400	\$33,600	\$27,459
Actual	\$8,554	\$8,918	\$8,917	\$9,070	\$9,377

## *Best Use or Disposition of Surplus Property Policy*

The Board will make the final determination on the best use or disposition of the property identified. When deciding on the best use or disposition of surplus property, the Board will consider that the proceeds from the sale of unrestricted property may be allocated in the following prioritized manner:

1. Credited to the Asset Preservation Fund to provide reserves to meet future capital needs in Tier I facilities.
2. Credited to the Capital Improvement Fund to provide resources for future capital projects, deferred maintenance, or capital acquisition/construction.
3. Retire outstanding debt related to the disposed of or surplus property.
4. Used to increase General Fund reserves to achieve full funding according to these policies.

In addition property may be traded for other properties or may be leased to other agencies in order to provide services or carry out the mission of the County.

## *Transportation Financing*

Multnomah County owns, operates and maintains approximately 300 miles of urban and rural roads and 30 bridge structures, six of which are Willamette River bridges (Sauvie Island, Broadway, Burnside, Morrison, Hawthorne and Sellwood). Ongoing maintenance and improvements to the transportation infrastructure are necessary for economic growth, to alleviate existing transportation problems, and to maintain the livability of the region.

It is the policy of the Board to support statewide and regional funding for transportation-related needs. If state and regional funding is inadequate, the County works with jurisdictions within its boundaries to address the transportation funding needs of local governments.

## *Status*

Multnomah County's Transportation Capital Improvement Plan and Program (CIPP) biennial update for 2014 to 2018 was presented to the Board of County Commissioners on May 2015 (presented annually through the budget process). The purpose of the CIPP is to ensure limited public funds are invested in transportation projects providing the greatest public benefit. The CIPP is fully updated every five years and reviewed biennially. The update to the plan identified numerous road, fish passage culvert, and bridge capital projects along with associated seismic upgrades. Substantial investment is required to meet these needs.

The Chair and Board continue to raise the awareness of the challenges faced by the County due to the shortfall of transportation revenue. The Board's acceptance of the CIPP forms the basis for the selection and funding of road and bridge projects. They are working with the Regional, State and Federal partners to address transportation funding issues. More information can be found at <https://multco.us/transportation-planning/plans-and-documents>.

*Information  
Technology  
Capital Projects  
Financing*

Multnomah County owns, operates, and maintains a significant investment in information technology (IT) equipment, software, and infrastructure. Maintaining and upgrading IT infrastructure is increasingly a non-discretionary activity, as County operations grow ever more reliant on information technology to deliver services efficiently.

The Board recognizes that adequate capital equipment replacement and upgrade funding is essential to avoid costly repair, replacement, or failure of major IT capital assets. During the annual budget development process the Director of the Department of County Assets is directed to update a five-year IT Asset Replacement Plan. The Plan shall provide for and prioritize major software projects, anticipated major improvements to County IT assets and infrastructure, and identify any additional replacement of IT assets. The plan and associated funding mechanisms shall be reviewed by the County Technology Council and approved annually by the Board of County Commissioners during the annual budget process.

Status

The Chief Information Officer will report to the board on the status of the projects during the annual budget process.

*Insurance  
Coverage for  
Large Capital  
Projects*

In planning for large capital construction projects the County will consider and evaluate all options for providing insurance coverage on the project. Projects that are estimated to cost more than \$50 million may be insured through an Owner Controlled Insurance Program (OCIP). In those cases, the County will conduct an analysis of insurance options in advance of contract negotiations in order to determine whether an OCIP would be beneficial to the project.

## Long-Term Liabilities

### Policy Statement

Governments are required to account for and report on long-term and other liabilities per Governmental Accounting Standards Board (GASB) pronouncements. Long-term liabilities reflect future obligations that have been incurred as a result of required or contractually obligated payments. The County recognizes the need to account for unfunded long-term liabilities and to develop a plan to manage them prudently.

Multnomah County has two long-term liabilities related to the cost of personnel. There are additional long-term liabilities associated with the County's self-insurance programs for liability and worker's compensation.

The County participates in the Public Employees Retirement System (PERS), a cost-sharing, multiple-employer defined benefit pension plan administered by the PERS Pension board. PERS provides retirement, disability, and death benefits to plan members and their beneficiaries. State statutes (ORS 238 and 238A) authorize the State to establish and amend all plan provisions. The PERS contribution requirements of the County are established and may be amended by the State. It is the policy and practice of the County to pay PERS obligations on an annual, pay-as-you-go basis. The rates assessed by the PERS Board also include an actuarial estimate of the amount required to provide for any unfunded liability that may exist.

The County also has incurred a liability associated with contractually obligated retiree healthcare benefits. This liability, commonly known as Other Post Employment Benefits (OPEB) is the sole responsibility of the County.

### Status

#### **PERS Long Term Liability**

As of December 31, 2016, the County's unfunded PERS liability is approximately \$660 million. If it is determined that the County could realize a present value savings from pre-funding the liability, the Chief Financial Officer may recommend the sale of Pension Obligation Bonds (POBs).

In FY 2017 the County established the first of three planned side accounts with Oregon PERS. These funds are invested by PERS and earn the same rate of return as the overall PERS portfolio. Creation of a side account allows the County to more effectively mitigate anticipated increases in PERS rates. Reserves which are restricted for this purpose, will be used to establish this side account. In FY 2019, the County will have invested a total of \$75 million in PERS side accounts.

### OPEB Long Term Liability

As of January 1, 2017, the County's unfunded OPEB liability is approximately \$117 million. The County set a goal to achieve a funding level of 30% of the OPEB liability by the end of FY 2019. The Chief Financial Officer developed recommendations for funding the liability beyond FY 2018 and presented those for the Board's consideration. Funding to meet the OPEB, liability insurance, and worker's compensation liabilities is held in the form of reserves in the Risk Management Fund. The reserves are allocated, and reported to the state, by the Chief Financial Officer based on actuarial analysis. Reserves in the fund are considered set asides for the exclusive use of meeting these liabilities. As of June 30, 2017, actuarial liabilities are fully funded at 38%.

The County receives actuarial valuations for PERS and OPEB liabilities every two years. In connection with the County's OPEB actuarial valuations, the CFO and the County's actuaries will present the actuarial valuation on OPEB liabilities to the Board along with the CAFR presentation. The CFO may recommend OPEB funding structures to the Board based on the actuarial valuations and the County's Risk Management Fund. This will allow the Board to be better informed when considering funding options such as establishing a trust fund for the County's OPEB obligations. The County's next actuarial valuation will be as of January 1, 2018.

The following is the June 30, 2017 funding level of each liability (\$ in thousands):

Liability Description	Total Liability	Amount Funded	Percent Funded	Added per Risk Fund Statement
Self Insurance (1)	\$11,089	\$11,700	106%	\$11,695,804
Post Retirement (2)	116,510	44,496	38%	44,496,309
				\$56,192,113

(1) GASB requires self-insurance claims be recorded as a liability in the financial statements.

(2) GASB requires employer paid benefits extended to retirees be disclosed in the financial statements. Liability reflects the most recent unfunded actuarial accrued liability amount per Mercer actuarial report.

## Other Post-Employment Benefits Liability Funding

	2013	2014	2015	2016	2017
Goal	\$33,678	\$33,678	\$38,156	\$45,787	\$34,953
Actual	\$34,275	\$35,925	\$38,663	\$39,726	\$44,496

## Other Fund Balances

### Policy Statement

Balances also exist in funds other than the General Fund. These fund balances are held for a variety of purposes. For example, balances in capital project funds may represent the unspent portion of projects approved by the Board in a prior year's budget. Balances may exist in debt service funds to ensure compliance with bond covenants. Other fund balances account for reserves that are held for asset replacement.

The Government Accounting Standards Board (GASB) has developed a statement – known as GASB 54 – that clarifies how fund balances are accounted for financial reporting purposes. The standard aims to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied.

It is the policy of the County to adhere to the GASB 54 guidelines and the following fund balance classifications that have been established.

- Restricted – for resources constrained on use by externally imposed creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- Committed – for resources constrained on use authorized by the Board of County Commissioners via resolution or ordinance. For the purposes of the GASB statement, resolutions and ordinances are considered to be equally binding. Resources will be committed prior to June 30th and the amount may be determined at a subsequent date.
- Assigned – for resources reported in the governmental funds outside of the General fund that are not otherwise restricted or committed. Assigned balances represent the residual balance in funds other than the General Fund and are approved as part of the annual budget process.
- Unassigned – for fund balances not reported in any other category. Unassigned fund balances will only be reported in funds other than the General Fund. An unassigned fund balance occurs when restrictions and commitments of resources are greater than the fund balance in total.

### Status

Accounting for resources in these categories is reported on the Combining Balance Sheet for each governmental fund type in the County's Comprehensive Annual Financial Report (CAFR).

The table and chart on the next page provide the balances in the Governmental Funds as of June 30, 2017. The County is in compliance with this policy.

Governmental Funds	Balances on June 30, 2017
Nonspendable	\$1,537
Restricted	88,143
Committed	104,827
Assigned	15,475
Unassigned (GF)	<u>65,620</u>
<b>Total fund balances</b>	<b>\$275,602</b>

**Governmental Fund Balances Reported at June 30, 2017  
(amounts reported in thousands)**

## Internal Service Funds

### Policy Statement

The purpose of establishing internal service funds is to identify and allocate costs related to the provision of specific goods and services within the County.

Internal Service funds will be used to account for business operations and charge for goods or services provided to other departments or agencies on a cost-reimbursement basis. Periodically the rates charged will be compared to other public or private sector operations to ensure that pricing is competitive. The internal service fund charges will include asset replacement charges (depreciation) to ensure that adequate funds will be available to purchase replacement assets.

The charges may include a contingency or reserve amount not to exceed 10% of operating expenditures as recommended in the Auditor's 2011 Financial Condition Report (<https://multco.us/file/18858/download>) to ensure that service reimbursements charged to other departments are maintained at a relatively constant level. Rates will be trued up on an annual basis, thereby eliminating excess reserves.

### Status

The County is in compliance with this policy.

## Investments Banking, Services and Cash Management

### Policy Statement

Multnomah County maintains an active investment program. In accordance with ORS 294.135, investment transactions are governed by a written investment policy, which specifies objectives, diversification goals, limitations, and reporting requirements. The investment policy sets guidelines for diversification that are more stringent than those allowed by State statute, reflecting the County's strategic preference for a conservative investment approach. The investment policy is ratified annually by the Board of County Commissioners and includes any applicable updates resulting from changes in state statutes (ORS 294 and 295).

In addition, the County uses an independent Investment Advisory Board to review the County's policy and investment performance and contracts with an investment advisor to provide non-discretionary advisor services. The investment advisor assists in developing investment strategies, assists in the execution of trades, prepares monthly and quarterly investment portfolio performance reports, and monitors portfolio compliance to applicable rules and regulations. The current policy can be found at the following link: <https://multco.us/finance/investments>.

Banking services shall be solicited at least every five years on a competitive basis. The Chief Financial Officer (or their designee) is authorized to act as the County's "Custodial Officer" responsible for performing the treasury functions of the County under state statute and the County's Home Rule Charter.

Treasury regularly analyzes and monitors the County's cash flow. Cash balances are reported in the monthly Investment Report prepared by Treasury. Historically, the County's low point for cash occurs prior to the time that Property Tax revenue is received in November. If necessary, and when there is a financial benefit to the County, the Chief Financial Officer may recommend the issuance of short-term, Tax and Revenue Anticipation Notes (TRAN). It is the policy of the County to issue TRANs only when there is a favorable interest rate environment or when internal sources will not cover the projected cash flow shortfall.

### Status

The County is in compliance with this policy.

## Short-term and Long-term Debt Financings

### Policy Statement

The County is authorized to issue debt under state statute (ORS, 287A) which establishes limits on the amount of debt that may be issued. In addition to the legal debt limits the County has imposed an internal limit on the issuance of debt that is expressed as a percentage of budgeted General Fund revenues.

The County’s Debt Management Manual sets guidelines to comply with applicable State statutes, County imposed debt limitations, and Internal Revenue Service requirements. The Manual covers all aspects of debt financing from selecting the method of sale through bond closeout. The Debt Management Manual is reviewed annually by the Chief Financial Officer and, as requested, by the Municipal Debt Advisory Commission within the State Treasurer’s Office.

It has been the County’s policy to issue debt for public projects that provide long-term benefit to County residents. Under no circumstances will the County fund ongoing operations with the proceeds of long-term debt.

When issuing debt, the County will follow the Government Finance Officers Association recommended practice of selecting and managing the method of sale. As noted above, debt issuance is limited by state statute. The limit on voter approved, General Obligation Bonds is 2% of the real market value assessed within the County. The limit on all other debt instruments is 1% of the real market value assessed within the County. However, the County further limits non voter- approved debt supported by the County General Fund to an annual debt payment amount that will not exceed 5% of General Fund budgeted revenues. Likewise, debt that is supported by other funds will be limited to 5% of the total revenues of the supporting fund unless dedicated revenue sources are pledged for repayment of debt service. Annual debt service payments should never exceed the minimum level of General Fund reserves, (10% of annual General Fund revenues), providing the County with the ability to meet annual debt payment obligations in the case of severe budgetary challenges. The statutory and General Fund debt limitations are highlighted in the table below.

Limitation	Basis for Limit	Value of Limit	Debt Capacity
Statutory - GO Bonds	2% of RMV	158,551,847,377	3,171,036,948
Statutory - All Other	1% of RMV	158,551,847,377	1,290,826,474
County Policy	5% of GF Revenue	n/a	25,268,000

### Status

The different types of financings the County may use to fund its major capital acquisitions or improvements are:

- General Obligation Bonds (requires voter approval)
- Full Faith and Credit Obligations
- Revenue Bonds
- Capital Lease-Purchases
- Leases

Where debt is issued to finance capital projects, the term should be limited to the economic life of the financed asset. In general it is the Board's policy that debt issuances not exceed 20 years. However, when market conditions warrant or when a specific asset would have a longer useful life, the Chief Financial Officer may recommend a longer term of issuance.

The Chief Financial Officer regularly reviews and analyzes opportunities to refinance debt. It is the policy of the Board to enter into refinance agreements when net present value savings exceed 3% of the outstanding principal balance. Over the past several years, the County has taken an aggressive approach to debt management. All of the current debt issues that could be refinanced have been.

A schedule of the County's outstanding debt obligations as of July 1, 2018 can be found in Volume One of the FY 2019 budget in the Summaries tab.

## Interfund Loans

### Policy Statement

An interfund loan is defined as a transfer between funds or fund types within the County for an approved amount and a definite plan of repayment in a specified period of time. Interfund loans are subject to ORS 294.468 and are designed to provide financing resources to address cash flow needs in County operations or capital financing plans. Interfund loans are either operating or capital and shall meet the requirements noted below:

- An Operating Interfund Loan is a loan made for the purpose of paying operating expenses.
- A Capital Interfund Loan is a loan made for the purpose of financing the design, acquisition, construction, installation, or improvement of real or personal property and not for the purpose of paying operating expenses.

Interfund loan requests must be reviewed and approved by the County's Chief Financial Officer and Budget Director prior to a request for authorization from the Board of County Commissioners. Interfund loans must be authorized by a Board Resolution, stating the fund from which the loan is made, to the fund needing the loan, the purpose and intent for which the loan is made, the principal amount of the loan, the interest rate at which the loan shall be repaid (if applicable), and a schedule for repayment of principal and interest. In addition, interfund loans:

1. Shall not be made from reserve funds, debt service funds, or any other funds restricted by law, constitutional provisions, bond covenants, grantor requirements, Board resolutions or ordinances, unless the restrictions on these funds allow for the purpose of the interfund loan.
2. Shall not be used to fund ongoing operations unless specifically approved by Board resolution.
3. Shall be granted only after it has been demonstrated that reasonable consideration was given to other potential resources available to the fund and when the loan is required to meet a pressing need or to take advantage of a special opportunity.
4. Shall not exceed 10 years for any capital interfund loan; shall not extend beyond the end of the next fiscal year for an operating interfund loan.
5. May be made only if there is a likely expectation that the fund receiving the loan will have the ability to repay it. If not, the use of an interfund transfer should be considered if appropriate.
6. May be repaid in advance without any additional accrual of interest (if applicable) or any other penalties.
7. Must be made in compliance with all other statutory requirements and limitations of ORS 294.468.

No County fund shall carry a deficit cash balance for more than four months during any 12 month period without written authorization of the CFO. Absent authorization, department responsible for a fund shall be required to initiate a request for an interfund loan to be presented to the Board.

### Status

The County is in compliance with this policy.

Although the goal of the County's budget is to provide information that is concise and understandable, the complexities of public finance and Oregon State Budget law can be confusing for those not familiar with the budget process. The Glossary of Terms contains many of the key words and terms used in the County's budget to help the reader. Following the Glossary of Terms is a list of acronyms commonly used by Multnomah County.

### -A-

**Accrual Basis.** Method of accounting in which revenue is recorded when measurable and earned, and expenses are recognized when a good or a service is used.

**Adopted Budget.** Financial plan adopted by the Board of County Commissioners for the fiscal year that forms the basis for appropriations.

**Ad Valorem Tax.** A property tax computed as a percentage of the value of taxable property. Based on the Assessed Value.

**Advance Refunding.** Advance refunding means selling new bonds, all or part of which are to be used to pay an outstanding bond one year or more after the advance refunding bond is issued and before any right to call or otherwise retire the old bond issue arises.

**Appropriation.** Authorization for spending a specific amount of money for a specific purpose during a fiscal year. The appropriation can be changed during the year by board transfer, grants or the supplemental budget.

**Approved Budget.** The budget that has been approved by the Board of County Commissioners.

**Assessed Value.** The value set on real and personal taxable property as a basis for levying taxes. It is the lesser of the property's maximum assessed value (the value that grows by 3%) or real market value.

**Assessment Date.** January 1. The date on which the real market value of property is set.

**Audit.** The review and appraisal of the County's accounts and fiscal affairs conducted by an accountant. A report is issued by the auditor expressing an opinion about the financial statements and compliance with requirements.

### -B-

**Balanced Budget.** Oregon Administrative Rule requires jurisdictions within Oregon to propose and adopt balanced budgets. According to the State of Oregon, the definition of a balanced budget is an estimate of expenditures and resources whereby total resources in a fund equal the total expenditures and requirements for that fund, and the total of all resources equal the total of all expenditures and all requirements for all funds of the jurisdiction.

**Basis of Accounting.** The time various financial transactions are recorded (e.g., cash basis, the modified accrual basis or accrual basis).

**Beginning Working Capital.** An accounting term used to describe financial resources that are available in the current fiscal year because they were not expended in the previous fiscal year.

**Board of Commissioners.** As set forth in the Multnomah County Home Rule Charter, the Board of County Commissioners consists of four members, elected by district and a chair elected countywide for a four year term, who are devoted full-time to County's business.

**Bond.** A written promise to pay a specified sum of money (called the face value or principal amount), at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specific rate. Bonds issued by state governments or municipalities are generally exempt from tax.

**Bonded Debt** (“local improvement”). Borrowed monies for a capital construction project, approved by voters to be repaid by a tax levy.

**Budget.** Basis of the legal authorization for the expenditure of funds. A written plan of financial operation for estimating expenditures for one year, and the proposed means of financing the estimated expenditures. Must include a balanced statement of actual revenues and expenditures during each of the last two years, estimated revenues and expenditures for the current and upcoming year.

**Budget Committee.** Fiscal planning board of a local government, consisting of the five Commissioners, which authorizes the maximum for the tax levy.

**Budget Cycles.** The various developmental stages: REQUESTED (prepared by departments), the PROPOSED (prepared by County Chair), APPROVED (adjusted by the Board) and ADOPTED (adjusted/ approved by the Board).

**Budget Director’s Message.** Written explanation of the budget and the local government’s financial priorities.

**Budget Officer (Director).** Person designated to assemble budget material and information and to physically prepare the proposed budget.

**Budget Period/Fiscal Year.** A 12-month period from July 1 through June 30 to which the annual operating budget applies.

### -C-

**Capital Expenditures/Capital Outlay.** Expenditures on items or projects that have a useful life of three or more years, for which the initial costs exceed \$5,000. Examples include machinery, land, furniture, equipment, and building and infrastructure (roads and bridges) projects.

**Capital Project.** Any major repair, renovation or replacement of a current fixed asset that extends the useful operational life by at least five years or expands the capacity of an existing facility. Also includes construction of a new asset with a useful operational life of at least five years including roads, bridges, parks, marinas, and buildings.

**Capital Projects Fund.** A fund used to account for resources, such as bond sale proceeds, to be used for major capital purchase or construction projects. May be used for one or more projects.

**Cash Basis.** System of accounting under which revenues are accounted for only when received in cash, and expenditures are accounted for only when paid.

**Categories of Measure 5 Limitation.** The three categories in which taxes on property are placed before the constitutional limits can be tested: Education, General Government, Excluded from Limitation.

**Certificates of Participation.** Financing in which an individual buys a share of the lease revenues of an agreement made by a municipal or governmental entity, rather than the bond being secured by those revenues. This form of financing can be used by the municipal or government entity to circumvent restrictions that might exist on the amount of debt they might be able to take on.

**Classification.** A group of personnel positions which are enough alike in duties, authority, and responsibilities to require the same qualifications and the same pay for all positions in the group.

**Compression Loss.** The difference between property taxes actually imposed in a given year and property taxes that would have been imposed if Measure 5 limits did not exist. See Measure 5.

**Constraint.** Used in budgeting, a limitation set on the amount of General (or other funds) that may be used

by a program or department in a given fiscal year. Multnomah County sets a *constraint* on the amount of General Fund for which that departments may plan.

**Contingency.** An estimate in an operating fund for unforeseen spending that may become necessary.

**Contracted Services.** Expense of services rendered under contract by personnel who are not on the payroll of the jurisdiction, including all related expenses covered by the contract.

**Current Assets.** Assets available to finance current operations or to pay current liabilities.

**Current Liabilities.** Liabilities due within one year.

**Current Year.** The fiscal year in progress.

### -D-

**Debt Service Fund.** A fund established to account for payment of general long-term debt principal and interest.

**Discretionary Revenue.** Revenue not dedicated or restricted for a specific purpose. Local governments can spend these funds on any activity.

**Double Majority.** A term that refers to an election where at least 50 percent of the registered voters eligible to vote in the election cast a ballot and more than 50 percent voting approve the question.

### -E-

**Efficiency Measure (Productivity).** Efficiency measurement is a method for examining how effectively a program is performing its activities. This is an indicator that measures the cost of resources (e.g., in dollars, FTE, employee hours, time, etc.) per unit of output (e.g., per repair, per case, etc.).

**Employee Benefits.** Amounts paid on behalf of employees, excluding gross salary. These are fringe benefit payments not paid directly to employees, but are part of total compensation. Examples include health and life insurance, social security taxes, workers' compensation, and unemployment insurance.

**Encumbrance.** An obligation chargeable to an appropriation and for which part of the appropriation is reserved.

**Enterprise Fund.** A fund established to account for operations that are financed and operated in a manner similar to private business enterprises.

**Expenditures.** Total amount incurred if accounts are kept on an accrual or cash basis.

### -F-

**Fiduciary Fund.** A fund used to account for resources held for the benefit of parties outside the County.

**Financial Forecast.** A report prepared by the budget office that provides annual estimates of the revenues and expenditures for several years. The forecast uses both short and long-term forecasts to plan for the General Fund.

**Fiscal Year.** A 12-month period from July 1 through June 30 to which the annual operating budget applies.

**FTE.** Full Time Equivalent. The equivalent of one employee working full-time for one year.

**Full Faith and Credit.** A pledge of the general taxing power of a government for the payment of a debt obligation. See General Obligation Bonds.

**Fund.** A fiscal and accounting entity with self-balancing accounts to record cash and other financial resources, related liabilities, balances and changes, all segregated for specific, regulated activities and objectives. Fund types include: general, special revenue, debt service, capital projects, special

assessment, enterprise, internal service, trust and agency, and reserve.

**Fund Balance.** The excess of assets of a fund over its liabilities and reserves during a fiscal year. Also called Beginning Working Capital (BWC).

### -G-

**GASB.** Governmental Accounting Standards Board (GASB), which establishes and improves standards of state and local governmental accounting and external financial reporting.

**General Fund.** A fund used to account for most fiscal activities except for those activities requiring to be accounted for in another fund. Consists of discretionary and dedicated revenues.

**General Ledger.** A financial accounting system for recording and reporting actual expense and revenue activity.

**General Obligation Bond.** A common type of municipal bond backed by the credit and taxing power of the issuing jurisdiction rather than the revenue from a specific project. General obligation bonds are secured by the government's pledge to use legally available resources, including tax revenues, to repay bond holders. No assets are used as collateral.

**Grant.** Donation or contribution of cash or other assets to government from a third party, to be used or spent for a specified purpose, activity, or facility.

### -H-

**Home Rule Charter.** Voter-approved charter amendment that grants Multnomah County the authority to make its own laws.

### -I-

**Indirect Charges.** Administrative costs incurred by centralized activities and charged back to funds. Administrative costs include general administration, human resources, legal services, payroll and finance.

**Input Indicator.** Reports amount of resources such as financial, personnel, material that are devoted to a program. Financial and personnel data are the most common input measures.

**Interfund Loans.** Loans made by one fund to another. Loans must be repaid by the end of the ensuing year.

### -L-

**Levy.** Amount or rate of ad valorem tax certified by a local government for the support of governmental activities.

**Liabilities.** Debt or other legal obligation arising from transactions in the past that must be liquidated, renewed, or refunded at a future date, not including encumbrances.

**Line-item Budget.** The traditional form of budgeting where proposed expenditures are based on individual objects of expense within a department or division.

**Local Government.** Any city, county, port, school district, community college, public or quasi-public corporation commission operated by a separate board or commission; a municipality.

**Local Option Tax.** Voter approved temporary taxing authority that is in addition to the taxes generated by the permanent tax rate. Local option taxes can be for general operations, a specific purpose, or capital projects. They are limited to five years unless they are for a capital project, then they are limited to the useful life of the project or 10 years, whichever is less.

### -M-

**Mandates.** Activities required to be performed by local government. Requirements are legislated by state and federal government.

**Maximum Assessed Value (MAV).** The maximum taxable value limitation placed on real or personal property by the constitution. It can increase a maximum of three percent each year. The three percent limit may be exceeded if there are qualifying improvements made to the property, such as a major addition or new construction.

**Measure 5 Constitutional Limits.** In 1990, Oregon voters passed Measure 5 which established the maximum amount of tax on property that can be collected from an individual property in each category of limitation. (Art. XI, sect.11b, Or Const.). Property taxes dedicated for schools were capped at \$15.00 per \$1,000 of assessed value, and gradually lowered to \$5. Property taxes for other purposes were capped at \$10 per \$1,000.

**Measure 50.** In 1997, Oregon voters passed Measure 50, a revision of Measure 47 passed the prior year. These measures fundamentally changed the Oregon property tax system. Each jurisdiction was assigned a permanent tax rate limit. In addition, the assessed value of each property was reduced to FY 1998 and future increases in assessed value were capped. See Assessed Value and Permanent Tax Rate.

**Modified Accrual Basis.** A method of accounting where revenues and other financial resource increments, such as bond proceeds, are recognized when they become susceptible to accrual, that is, when they become both measurable and available (collectible) to finance expenditures for the current period.

### -O-

**OAR.** Oregon Administrative Rule. Written to clarify Oregon law. Has the authority of law.

**Object Classification.** A grouping of expenditures, such as personal services, materials and services, capital outlay, debt services, and other types of requirements.

**Obligations.** The amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment during the same or a future period.

**Operating Rate.** The rate determined by dividing the local government's operating tax amount by the estimated assessed value of the local government. This rate is needed when a local government wants to impose less tax than its permanent rate will raise.

**Ordinance.** A formal legislative enactment by the governing board of a municipality.

**Organizational Unit.** Any administrative subdivision of the local government, especially one charged with carrying on one or more specific functions, such as a department, office or division.

**ORS.** Oregon Revised Statute. Oregon laws established by the legislature.

**Outcome Measure (Results).** Designed to report the results of the service. It can often be described as a short-term (e.g., successful treatment completion), intermediate term (e.g., success by 3 or 6 months), or long-term outcome (e.g., 1 year or more). There should be a logical connection from outputs to meaningful outcomes, with activities supporting the results in a sequential fashion.

**Output Measure.** The most common type of indicator found in most performance measurement systems, reporting the number of units produced or services provided by the program. It describes the activities that a program has completed, but not necessarily their results. Data are typically reported as numbers and not percentages.

### -P-

**Payroll Expenses.** Health and accident insurance premiums, Social Security, retirement contributions, workers' compensation and unemployment taxes are examples.

**Performance Management.** Using performance measurement information to help set performance goals, allocate and prioritize resources, inform managers to either confirm or change current policy or program direction to meet those goals, and report on the success of meeting those goals.

**Performance Measurement.** The process of developing meaningful, objective indicators that can be systematically tracked to assess progress made in achieving predetermined goals. Only after the development of meaningful measures and matched with regular review and use is an organization able to move to performance management.

**Permanent Rate Limit.** The maximum rate of ad valorem property taxes that a local government can impose. Taxes generated from the permanent rate limit can be used for any purpose. No action of the local government can increase a permanent rate limit.

**Program Budget.** A budget based on programs of work or projects.

**Program Evaluation.** Systematic collection of information about activities, characteristics and outcomes of programs to make judgments about the program, improve program effectiveness and/or informed decisions about future programming. The application of scientific research methods to estimate how much observed results, intended or not, are caused by program activities.

**Program Offer.** A proposal from a department(s) that is submitted to County Commissioners. The offer states the services to be provided, the performance expectations, and the cost.

**Property Taxes.** Ad valorem tax certified to the County Assessor by a local government unit.

**Proposed Budget.** The financial and operating plan prepared by the County Chair. It is submitted to the public for review and the Board of County Commissioners for approval.

### -Q-

**Questica.** An internet-based program offer input template for use with the Multnomah County Budgeting Process.

**Quality Measure.** Reflects effectiveness in meeting customer expectations. Measures include reliability, accuracy, courtesy, competence, responsiveness, and completeness associated with the product or service. Customer satisfaction reflects the degree to which the customer's expectations of a service are met/exceeded. Lack of quality can also be measured.

### -R-

**Real Market Value (RMV).** Amount of cash which could reasonably be expected by an informed buyer acting without compulsion, in an "arms-length" transaction during the taxing period for the property.

**Receipts.** Cash received unless otherwise qualified.

**Requirement.** Sum of all appropriated and unappropriated items in a fund. Total requirements must always equal total resources in a fund.

**Reserve Fund.** Established to accumulate money for a specific purpose, such as purchase of new equipment.

**Reserves.** General reserves are the unappropriated ending fund balance maintained at an equivalent of 10% of the corporate revenues (see Financial Policies). These are the resources maintained to ensure the future financial stability of the County.

**Resolution.** A formal order of a governing body; lower legal status than an ordinance.

**Resource.** Estimated beginning funds on hand plus anticipated receipts. See Revenues.

**Revenues.** Money received or anticipated by a local government from either tax or non-tax sources.

### -S-

**SB 1145.** In 1995, the legislature passed Senate Bill 1145, which transferred management of offenders sentenced for 12 months or less to the counties, effective January 1, 1997.

**SB 400.** In 2007, the legislature passed Senate Bill 400, which made safety and staffing a mandatory subject of bargaining for public safety employees.

**Serial Levy.** A voter approved tax levy for a specific purpose, over a specific time no greater than five years, and for a specified maximum amount.

**Special Revenue Fund.** A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditure for specific purposes.

**Supplemental Budget.** A financial plan prepared after the regular budget has been adopted to meet unexpected needs or to spend revenues not anticipated when the regular budget was adopted.

### -T-

**Target Allocation.** Limitation set on the amount of General (or other) funds that may be used by a program or department in a given fiscal year.

**Tax.** Any charge imposed by a governmental unit upon a business, property or upon a property owner.

**Tax Levy.** Total amount of taxes imposed by a local government unit.

**Tax on Property.** Tax, fee, charge or assessment imposed by a government unit upon property or upon a property owner as a direct consequence of ownership except charges and assessment for local improvements.

**Tax Rate.** The amount of tax stated in terms of a unit of tax for each \$1,000 of assessed valuation of taxable property.

**Tax Roll.** The official list showing the amount of taxes levied against each property.

**Transfers.** Amounts distributed from one fund to finance activities in another fund. Shown as an expenditure in the originating fund and a revenue in the receiving fund.

**Trust Fund.** A fund used to account for fiscal activities of assets held in trust by a government.

### -U-

**Unappropriated Ending Fund Balance.** Amount set aside in the budget to be used as a cash carryover to the next fiscal year or period budget. It provides the local government with cash until tax money is received from the county treasurer in November. This amount cannot be transferred by resolution or used through a supplemental budget, unless necessitated by a qualifying emergency.

**Unappropriated Reserves.** The unappropriated ending balance is called a "requirement", not an expenditure. The law specifically requires the unappropriated ending fund balance to become a budget resource in the next fiscal year (cash balance). During a current year, unappropriated funds are not available under *any* circumstance.

**Unincorporated Area.** The areas of the County outside city boundaries.

## Acronyms
