Community Agreements FY25

- Acknowledge intent, address impact - Call each other in
- Listen to understand; pause; think intentionally about what you want to say before sharing
- What is said here stays, what is learned here leaves
- Speak from your own experience and prioritize using “I” statements
- Consider earned/unearned privileges that inform lived experiences
- Be willing to make mistakes and be accountable for missteps
- Move up, move back - elevate your participation, elevate your reflection
- Accept and make space for different participation levels and styles
- Allow time between speakers and topics, to allow everyone to process and participate. It is never too late to share a thought!
- Take breaks and prioritize what you need to be fully present
- Celebrate accomplishments
- Discuss ideas not people: dialogue not debate
