Program Description

The Chair is the Chief Executive Officer of Multnomah County, leading the County's efforts to create a community where anyone who needs help can find it, everyone shares in opportunity and the most vulnerable among us are seen and supported. With both legislative and executive responsibilities, the Chair leads the strategic policy direction, priorities and budget aimed at serving the community equitably and effectively. The Chair works with the Board of Commissioners to implement policy, priorities and budget under the Home Rule Charter. All departments and Nondepartmental policy offices, report to the Chair. The Chair is a key stakeholder at national, state and regional tables, as a convener for community partnerships and as a spokesperson for the core mission, values, and initiatives critical to the County.

The Chair oversees a \$4.0 billion budget and over 6,000 employees. Responsibilities include: developing an executive budget, appointing department directors, overseeing contracts, presiding over Board meetings, executing policies and ordinances adopted by the Board, serving as the Chief Personnel Officer and maintaining strong ties and connections with Multnomah County residents and other regional leaders.

The County plays a critical role providing a wide range of safety net services, which strive to reduce the systemic inequities that disproportionately harm Black, Indigenous and other communities of color. Many of the Chair's priorities, including preventing and ending homelessness, deepening family safety and stability, providing accessible, whole-person healthcare to underserved populations, and reducing the use of incarceration while increasing the use of diversion programs, are aligned with the County's work to build a more equitable community.

During FY 2026, Chair Vega Pederson will maintain or increase focus on the following priorities:

- Addressing and preventing homelessness in our community.
- Addressing substance use and increasing access to recovery and mental health services.
- Collaboration with local and statewide housing partners to align and coordinate resources and workflows.
- Continued development and expansion of shelter and affordable housing capacity in the County, maximizing revenues from the Metro Supportive Housing Services (SHS) Measure.
- Sustained investment in child, youth and family supports, particularly through the Preschool for All (PFA) program.
- Championing County Strategic Planning and continued implementation of Workforce Equity Strategic Plan (WESP) strategies that move the County towards greater safety, trust & belonging in the workplace for all employees.
