**Executive Summary**

The Auditor is elected by voters countywide. The Auditor's Office's mission is to promote accountable and equitable county government. We independently examine county programs; receive and investigate reports of suspected fraud, waste, and abuse of position; and serve as an impartial resource to help people resolve issues with county programs. The Auditor's Office serves the public interest by finding out how well the county government is working, recommending improvements, and reporting to the public on our work. We adhere to high ethical standards; use an equity lens and a trauma-informed approach continually in our work; and value accountability, inclusion, and equity, particularly racial equity.

**Program Description**

The County Charter directs the Auditor to conduct performance audits of all county operations and financial affairs, as well as studies to measure or improve the performance of county efforts. The Auditor prioritizes auditing programs that directly impact people's health and safety. Audits involve hundreds of hours of work, including research, interviews, onsite observations, and data analysis. Based on sufficient, appropriate evidence, we develop recommendations for improving government. Through audits and follow-up efforts, auditors provide systems-level accountability to the public.

In 2022, the Charter established the County Ombudsperson in the Auditor's Office. The ombudsperson quickly became a resource for people having trouble resolving problems with county programs on issues ranging from vehicle tows to rent assistance to paroles. The ombudsperson impartially investigates complaints and makes related reports to support high standards of fairness, competency, efficiency, and justice in the provision of county services.

County Code entrusts to the Auditor the operation of the Good Government Hotline, which the Auditor created in 2007 for employees and the public to confidentially report potential fraud, waste, or abuse of position in County government. Since 2014, reports investigated by hotline staff have led to the identification of more than \$1 million in county funds that had been used fraudulently or inefficiently. The hotline is a critical function for ensuring that County government resources are used efficiently and ethically.

Also per County Code, the Auditor's Office provides technical and clerical support to the Audit Committee, which is a liaison to the Board of County Commissioners, management, and the external auditor for the external financial audits required under Oregon law.
