

## Legal / Contractual Obligation

County Charter 8.10 states, "The auditor shall conduct performance audits of all county operations and financial affairs and make reports thereof to the board of county commissioners according to generally accepted government auditing standards. The auditor may also conduct studies intended to measure or improve the performance of county efforts. Government auditing standards outline our practices, including ongoing training and peer reviews; we will be peer reviewed this year. Other Charter duties include the Salary Commission and redistricting after the census every ten years. The County Code establishes the Audit Committee and our work in supporting that function and contract.
