**Executive Summary**

The Tax Supervising and Conservation Commission (TSCC) serves the public by overseeing budget, debt, and property tax issues for local governments in Multnomah County. Created by the Legislature in 1919, the TSCC focuses on four primary duties: advocating for the public by holding public hearings, training and supporting local government staff on issues related to local and state budget law, informing the public on issues related to local government budgets through publications, and conducting annual reviews and certifications of budgets for member districts. The Commission considers the whole community to be its customers and seeks to make the financial affairs of local governments transparent and accountable to those living within each district.

**Program Description**

The Tax Supervising and Conservation Commission (TSCC), established by ORS 294.605-710, is an independent and impartial panel of five governor-appointed citizen volunteers that review and monitor the financial affairs of local governments in Multnomah County. TSCC protects and represents the public interest, ensures local government compliance with local budget law, promotes economy and efficiency within those local governments, and provides budgetary advice and assistance. Oregon law describes the duties of the TSCC, including the following:

**Advocacy and Public Information:** TSCC holds public hearings on member budgets and tax measures to engage with elected officials and advocate for the public in the spending of taxpayer dollars. Guided by a commitment to equity, TSCC encourages members of the public from all corners of our community to attend and comment at these public hearings. Additionally, each year the TSCC publishes a comprehensive report on local government budgets, indebtedness, and property taxes. This report is the only one of its kind in the region. The report was revised in 2022 to improve accessibility.

**Budget Reviews/Certifications and Training:** TSCC checks to see that budgets are balanced, property tax revenue projections are reasonable, and that the budget processes comply with state and local budget laws. TSCC staff works closely with the county assessor's office as a double check that property tax levies are requested and calculated accurately. These efforts reduce violations of local budget law, especially if the error results in a property tax levy that exceeds authority. TSCC holds annual local budget law trainings and provides regular advisory and consultative services to local government staff to improve compliance with budget law.

TSCC funding comes from three sources per ORS 294.632: the County General Fund, member districts, and the state's County Assessment Function Funding Assistance grant. TSCC budget increases are set by law to 4% annually.
