Executive Summary

The central purpose of Multnomah County's Local Public Safety Coordinating Council (LPSCC) is to coordinate the public safety plans, policies, operations, and strategies of local government agencies to improve the local public safety system's cost-effectiveness and responsiveness to the needs of the community. Since 1995, LPSCC has convened leaders from local governments; public safety, social service and education agencies; private service providers and local communities throughout the County to collaborate on and improve public safety system outcomes.

Program Summary

Senate Bill 1145 (1995) established LPSCCs in each of Oregon's 36 counties to "coordinate local criminal justice policy among affected criminal justice entities" (ORS 423.560). To carry out this mission, LPSCC's Executive Committee meets monthly to share information, identify issues and problems affecting public safety, and oversee development of new plans, policies, and strategies. The Executive Committee is co-chaired by Multnomah County District 3 Commissioner Judy Shiprack and City of Portland Mayor Charlie Hales.

LPSCC and its partners collaborate on the development of (a) solutions to problems in the intergovernmental operations of the public safety system, (b) coordinated policies to improve that system and (c) evidence-based strategies that address issues important to community safety. The Council directs the work of several subcommittees and smaller working groups that focus on the most critical issues within the justice system. It also oversees the operation of Decision Support System-Justice (DSS-J), the County's public safety data warehouse, which is a repository for all public safety related data.

LPSCC also directs the work of several subcommittees and smaller work groups that focus on key issues within the public safety system, such as youth and gang violence prevention, coordination between the public safety and mental health systems, decreasing Racial and Ethnic Disparities and implementing House Bill 3194/Justice Reinvestment (2013).

In its FY 2010 adopted budget, Multnomah County's Board of Commissioners formally transferred responsibility for the administration of DSS-J to the County's Local Public Safety Coordinating Council (LPSCC), which agreed to oversee the development and maintenance of DSS-J and ensure data accuracy and security through a Policy Committee.

In FY 2016, LPSCC will fund the following staff: a full-time Executive Director, who directs and coordinates inter-agency public safety policy discussions; a full-time Public Safety System Analyst, who examines cross-agency data and relevant policies to identify improvements to the public safety system, and a full-time Executive Assistant, who provides organizational and communications support.

Performance Measures Descriptions

FY 15 performance measures have been enhanced for FY 16. FY 15 measure 1 read: # of LPSCC Executive Committee meetings. Measure 2 read: % of LPSCC pleased with meetings (90%). Measure 4 CYE is low due to technical challenges with the Oregon Court IT system upgrade and insufficient staffing on the DSS-J team.

Legal / Contractual Obligation

Senate Bill 1145 (1995) established LPSCCs in each of Oregon's 36 counties to "coordinate local criminal justice policy among affected criminal justice entities (ORS 423.560). As part of House bill 3194, counties apply for justice reinvestment grant funds. The State Criminal Justice Commission, which oversees statewide implementation of House Bill 3194, stated these applications "must be submitted by a local public safety coordinating council."
