**Executive Summary**

The central purpose of Multnomah County's Local Public Safety Coordinating Council (LPSCC) is to coordinate the public safety plans, policies, operations, and strategies of local government agencies to improve the local public safety system's cost-effectiveness and responsiveness to the needs of the community. Since 1995, LPSCC has convened leaders from local governments; public safety, social service and education agencies; private service providers and local communities throughout the County to collaborate on and improve public safety system outcomes.

**Program Summary**

Senate Bill 1145 (1995) established LPSCCs in each of Oregon's 36 counties to "coordinate local criminal justice policy among affected criminal justice entities" (ORS 423.560). To carry out this mission, LPSCC's Executive Committee meets monthly to share information, identify issues and problems affecting public safety, and oversee development of new plans, policies, and strategies. The Executive Committee is co-chaired by Multnomah County Chair Deborah Kafoury and City of Portland Mayor Ted Wheeler.

LPSCC and its partners collaborate on the development of (a) solutions to problems in the intergovernmental operations of the public safety system, (b) coordinated policies to improve that system and (c) evidence-based strategies that address issues important to community safety. The Council directs the work of several subcommittees and smaller working groups that focus on the most critical issues within the justice system. Examples include: the Youth and Gang Violence Steering Committee, coordination between the public safety and mental health systems, decreasing Racial and Ethnic Disparities, and implementing House Bill 3194/Justice Reinvestment (2013). It also oversees the operation of Decision Support System-Justice (DSSJ), the County's public safety data warehouse, which is a repository for all public safety related data.

In its FY 2010 adopted budget, Multnomah County's Board of Commissioners formally transferred responsibility for the administration of DSSJ to the County's Local Public Safety Coordinating Council (LPSCC), which agreed to oversee the development and maintenance of DSSJ and ensure data accuracy and security through a Policy Committee.

In FY 2019, LPSCC will fund the following staff: a full-time Executive Director, who directs and coordinates inter-agency public safety policy discussions; a full-time Research Project Manager, who performs and manages cross-agency data and research project, a full-time temporary Project Manager (grant funded and noted in 10009B), and a full-time Executive Assistant, who provides organizational and communications support. In addition, to support implementation of the MacArthur Foundation's Safety + Justice Challenge, LPSCC will fund two Limited-Duration Assignment staff; a data analyst and a project manager.
