Program Description

Senate Bill 1145 (1995) established LPSCCs in each of Oregon's 36 counties to "coordinate local criminal justice policy among affected criminal justice entities" (ORS 423.560). To carry out this mission, the Council meets monthly to share information, identify issues and problems affecting public safety, and oversee development of new plans, policies, and strategies. The LPSCC is led by County Chair Jessica Vega Pederson and County Commissioner Julia Brim-Edwards.

LPSCC and its partners collaborate on the development of:

- solutions to problems in the intergovernmental operations of the public safety systems;
- coordinated policies to improve those systems; and
- evidence-based strategies that address issues important to community safety.

The Council's Executive Committee directs the work of several subcommittees and workgroups focused on critical issues the justice system faces. Examples include:

- Oversight of the Justice Reinvestment Program;
- Pretrial system change; and
- Oversight of the operation of Decision Support System-Justice (DSS-J), the County's public safety data warehouse.

LPSCC program offers describe the funding to support FTE, resources, and projects in the LPSCC office. In FY 2026, LPSCC will fund an Executive Director, a Data/Policy Manager, and an Executive Assistant. In addition, to support implementation of the MacArthur Foundation's Safety + Justice Challenge (focused on overhauling the pretrial justice system and a Justice Fellowship project), LPSCC also funds two limited duration staff.

The Reimagining Justice in Cully federal grant project (program offer 10009C in FY 2025) aims to increase trust between law enforcement and Cully residents and to develop non law enforcement intervention to low level crime. The focus of FY 2026 (Year 2) will be implementation and community engagement. LPSCC staff, District 2, and NAYA staff will work with the project leadership team, Cully providers, and residents to:

- Implement place-based projects based on community needs and opportunities learned in Year 1
- Begin evaluating project impacts on perceptions of safety in the Cully neighborhood
- Continue community engagement strategies

Board Amendment # 16 will adapt the staffing needs in LPSCC to reclassify 1.00 FTE Strategic Initiatives Manager to a Data/Policy Manager. It is proposed that this position focuses 50% of the work on data and analytical projects and 50% on performing policy analysis to reflect current staffing needs for the LPSCC. This position will be tasked with conducting a study of best practices in youth violence prevention in Multnomah County. The study should explore and report the characteristics of local collaboration models that drive successful youth empowerment and public safety outcomes.
