Executive Summary

The Office of Community Involvement (OCI) was established by County Charter to develop and maintain community involvement programs and procedures for the purpose of facilitating direct communication between the people of Multnomah County and the Board of County Commissioners.

Program Summary

The OCI coordinates programs and activities designed to engage people from Multnomah County's diverse communities and support the County's community involvement programs. Programming includes community outreach, supporting county advisory groups, trainings and volunteer recognition. The OCI conducts continual outreach and recruitment to inform communities about opportunities to engage with Multnomah County by attending community events, fostering relationships with community partners and civic leadership programs, and through communications including social media and email.

The OCI maintains a community contact list for communications and sends out a quarterly e-newsletter with opportunities to volunteer on County advisory groups and participate in public input processes. The OCI provides a single point of contact for community members interested in volunteering through information and resources at its physical office, by maintaining lists of committees and other volunteer opportunities, managing inquiry and application processes, referring inquiries from the public to appropriate opportunities and resources, maintaining a database of active and potential volunteers, and facilitating board appointments to the Community Involvement Committee (CIC) and Community Budget Advisory Committees (CBACs). The OCI also hosts an annual volunteer recognition event for all county departments.

The OCI staffs the volunteer members of the CIC, including providing support, training and coordination for CIC meetings. The CIC serves as Multnomah County's advisory body on community engagement and involvement. CIC members engage in an ongoing review of the County's community involvement policies and programs, bring community concerns to County leadership, and assist in facilitating communication between the County and the community.

The OCI manages the CBAC program by leading recruitment to fill vacancies, coordinating CBAC orientation and report submission deadlines, and serving as a resource for county employees who staff CBACs. The OCI also provides staffing and technical and clerical assistance to the County's Central and Nondepartmental CBACs.
