

**Division:** Office of Community Involvement

**Program Characteristics:**

**Program Description**

The Office of Community Involvement (OCI) was established by County Charter to develop and maintain community involvement programs and procedures for the purpose of facilitating direct communication between the people of Multnomah County and the Board of County Commissioners. OCI is committed to helping inform and involve communities in the processes that shape county policies, budgets, and programs with a focus on elevating the voices of communities historically underrepresented in government decision-making. OCI provides program and staff support to county departments that help foster healthy community engagement and guidance for managing programs that involve community input.

**Equity Statement**

The Office of Community Involvement supports early, inclusive, and equitable community outreach and engagement countywide while working to mitigate barriers to civic participation.
