Executive Summary

Multnomah County Emergency Management (MCEM) coordinates disaster preparedness activity in Multnomah County. This includes planning, training, exercise and equipment procurement for County staff and departments as well as coordination with cities, special districts and non-governmental organizations. MCEM also coordinates the County's Continuity of Operations Planning (COOP) for all departments, The County Mitigation Plan and County Emergency Operations Plan.

Program Summary

Program activity is guided by state and federal requirements as well as best practices outlined in the Emergency Management Accreditation Program (EMAP). Although State funding to Multnomah County through the Emergency Management Grant Program (EMPG) is expected to diminish significantly, from \$350,130 last year, this budget includes General Fund backfill to ensure programs are maintained. This includes programs supporting COOP and Community Outreach. It also keeps the Office on course to begin plans in damage assessment, family reunification and continuity of government

Outcome: This annual measurement covers required activities for a competent emergency management program.

Legal / Contractual Obligation

ORS 401.305 requires Multnomah County to establish an emergency management program and Multnomah County Code Chapter 25.410 establishes the County's Office of Emergency Management.
