Executive Summary

The Government Relations Office acts as a liaison between Multnomah County and various governing bodies, advocating for the county's legislative agenda at the state and federal levels. It also works with smaller municipalities and tribal governments to share insights and create partnerships that benefit Multnomah County and its residents. These responsibilities are crucial for protecting the county and its inhabitants.

Program Description

The Government Relations Office serves as the primary representative for the County to state, Federal Elected, and Tribal Officials.

The Office of Government Relations works with the Board of Commissioners, County Departments, Regional Partners, and Community Groups to advance policy set by the Board of Commissioners at the Tribal, Federal, State, and Local Levels.

The Office of Government Relations, in partnership with County Departments, provides analysis and tracks the impacts that Federal and State Legislation would have on County programs and the people served by those programs.

The office also works with other local government partners in the metro region to align priorities and to give other local governments insight on Multnomah County operations and policy.

The Tribal Liaison position is the single point of contact for Oregon's nine federally recognized Tribal Governments, as well as works with County staff to establish processes and protocols for departments' interaction with Tribal Governments.

The Senior Grant Coordinator works across departments and systems to increase the county's capacity to secure, track, and successfully implement competitive grants aligned with the County's mission and values.

Performance Measures Descriptions

The adoption of the federal and state legislative agendas is the culmination of a broad process of consultation with departments, elected officials, and advocacy organizations. The Legislative report provides transparency and identifies both positive and negative results. The office also focuses on impacts of Legislation on communities in Multnomah County, not just County operations. A Tribal engagement plan will kick off the comprehensive approach to Tribal Governments. Planning groups, trainings, and presentations ensure access to the resources necessary for submitting successful grants.

Legal / Contractual Obligation

All government relations activities shall be consistent with federal laws and policies, State of Oregon statutes, the Multnomah County Home Rule Charter, and Multnomah County Laws.
