Executive Summary

The Multnomah Youth Commission, the official youth policy body for Multnomah County is a group of 24 young people, ages 13- 21, that strives to provide a voice for youth in the County's work. In addition to its advisory role within local government, the MYC works to improve the community through service projects. The work of MYC is guided by "Our Bill of Rights: Children + Youth," the nation's first Bill of Rights written by and for young people and adopted by a local government.

Program Summary

The Multnomah Youth Commission (MYC) serves the County in several ways. The Elected Official Liaison Program, training and technical assistance for community organizations, government agencies, and businesses. The MYC advises and make recommendations on policies and programs to ensure that young people form relationships with caring adults, build skills, exercise leadership, and help their communities while obtaining the opportunities, necessary to become healthy, productive adults. MYC assists in the coordination of policies and actions creating more youth friendly communities. The Multnomah Youth Commission is working with youth and adults throughout our community to change the way violence is viewed and dealt with through the Youth Against Violence Committee and the Rob Ingram Youth Summit Against Violence. MYC educates youth and adults about "Our Bill of Rights: Children + Youth" and the importance of its implementation into all decision making arenas in the community; brings diverse youth from across the region together to share ideas and experiences regarding violence and build a youth movement for social change.

The Office of Diversity and Equity provides leadership and resources for advancing organizational equity and inclusion change efforts. ODE works in collaboration with departments and offices and serves as an equity, inclusion and social justice resource at Multnomah County. The Multnomah Youth Commission (MYC) sits within the Office of Diversity and Equity.
