Executive Summary

The Food Justice Summit is an annual event that brings together food and nutrition stakeholders to advance the year Food Action Plan with a shared vision and shared goals.

The Intertwine Alliance is a coalition dedicated to promoting equity and access to open spaces and healthy living throughout our region.

Program Summary

At the first Multnomah Food Summit in FY 2011 we imagined what we could accomplish by working together. From that beginning, our community created a 15-year Food Action Plan with a shared vision and shared goals. At the FY 2012 Multnomah Food Summit, our community focused on turning shared goals into action. At the FY 2013 Multnomah Food Summit, we focused on Growing Food Justice by cultivating a shared and broad understanding of how we are all affected by a food system that contributes to crises such as chronic health conditions, food insecurity and hunger, climate change and environmental degradation, economic injustice, loss of farmland and undermining of the local economy.

The FY 2014 Food Justice Summit convened our community to revisit where we've been, evaluate the new and changing landscape, and make adjustments to the course that we set in FY 2011. It had 3 main goals: exploring "food justice", convening and networking, and driving action. We will open our Summit by laying a foundation of what food justice means to our community. Throughout the day we brought together food justice leaders and advocates, food systems businesses and stakeholders to share information, deepen connections and define/refine what we mean by food justice. In the coming year's Summit we hope to build upon the updated foundation we created in FY 2014.

The Intertwine Alliance is a coalition of private firms, public agencies and nonprofit organizations working together to tap new sources of funding, better leverage existing investments, and more fully engage residents with the outdoors and nature. Participation will augment the county's mission, vision and values of sustainability, equity to open spaces and healthy eating, active living.
