Executive Summary

Work experience is critical for marginalized youth to successfully transition into adulthood and toward economic self-sufficiency. This offer ensures training and job placement for youth who face barriers to employment, and supports regional workforce development efforts with public and private partnerships.

Program Summary

This program supports key interventions in the lives of low-income and disadvantaged youth to help stabilize vulnerable individuals, reduce recidivism rates, and create economic opportunities by connecting them to supported work experiences year-round. Participants receive work-readiness training, job coaching, and professional networking opportunities to assist their transition to stability and financial independence.

SummerWorks, a key component of this program, enables youth ages 16 to 24 to gain valuable work experience at Multnomah County or in partnership with external work sites that support the County's mission through flexible paid internships.

Due to COVID-19, parts of this program offer are being reduced or suspended because of uncertainty related to program timeline and ability to safely follow public health guidelines regarding social distancing.
