## SUN Spotlight

Clear Creek SUN Program started a class named Kindness Crew, which focuses on students being able to do random acts of kindness towards staff and peers. Kindness Crew has now launched the second year of students/classes. Kindness Crew is a major success due to the fact that Kindness Crew mottos have now spread outside of the class and the SUN program. The entire student body, staff members, and community have begun to show others acts of kindness. This year Kindness Crew students have been supported in a major form – by staff and students wearing Kindness Crew t-shirts and buttons around the CCMS campus.
