Executive Summary

The Communications Office works to make County services more equitable by increasing access to information about those services across our diverse communities. The Office creates, curates and publishes accurate, timely information in multiple languages. We share that information in print and web articles, photos, videos, graphics, social media posts, one pagers, media interviews and paid advertising. We work constructively with community partners and journalists.

Program Summary

This program builds on the 2022 work to increase outreach and materials to communities with low use of existing communication channels. It allows us to offer more culturally specific videos, to share more social media and graphics in multiple languages and to further equity through new distribution channels which include partnering with community organizations and culturally specific media. It follows through on our equity efforts with more intentional planning, coordination and leveraging of language resources in the Health Department, County Human Services and Emergency Management.
