Benevolent Administrative Processing Fee (Once Each Calendar Year)

Benevolent temporary restaurants are charged a fee for the application process. This is not a license fee. A permission letter must be submitted with application if Benevolent Organization allows another operator to use its Non-profit Tax ID number. The Benevolent Organizations are the responsible party for that event therefore approval for use of their Non-profit tax number must be verified. All proceeds must go to the Benevolent Organization.

Non-profit tax ID #: _____ **(A photocopy of 501C3 is required)**

Environmental Health Services

Inspection(s) of your temporary restaurant may occur at any time, whether or not workers are present, from the point of setting up to the point of closing down your food service operation. All temporary restaurant licenses are issued for each intermittent 30-day or seasonal 90-day for the location, operator, and dates posted on each license.

Signature of Applicant: _____ **Date:** _____
