

## **400% of the Federal Poverty Level for 2021**

<b>Family size</b>	<b>400% Annual Income</b>
1	\$51520
2	\$69680
3	\$87840
4	\$106000
5	\$124160
6	\$142320
7	\$160480

The family size is the family caregiver's household. This includes the family caregiver, spouse and their dependents. All medically related expenses can be deducted, including insurance premiums, copays, prescription costs. If the family caregiver is paying for medical expenses for the person they are caring for, those costs can also be deducted.

**Caregivers who are receiving Case Management, Training, or Counseling do not have income requirements**
