Executive Summary

Funding from the American Rescue Plan (ARP) will provide enhanced janitorial services to continue operations at the Juvenile Justice Complex and East Campus locations. This offer was funded in FY 2022 and due to continued need, is being requested again in FY 2023.

Program Summary

This program offer will ensure the continuation of Day Porter Services at the Juvenile Justice Complex (JJC) and additional services at the East Campus. The COVID-19 pandemic has required an increased need for cleaning in JJC common areas, Juvenile Services Division (JSD) staff offices and the East Campus. This budget will allow for common/shared area in the buildings, and work spaces occupied by DCJ employees, to be cleaned regularly. The focus will be on high touch surfaces and shared spaces such as conference rooms, waiting areas, restrooms, elevators, and lobbies. These funds will ensure DCJ has the resources to continue the level of cleaning to address exposure to COVID-19.
