**Executive Summary**

MCSO is an agency whose sworn members are authorized by law to arrest and confine citizens against their will. Its sworn members are authorized under justifiable circumstances to use physical force against members of the public. With that enormous responsibility and potential liability, the public deserves assurance that the agency is conducting its mandated duties equitably, inclusively, lawfully, and in the most cost-effective manner possible. Professional Standards Unit operates independently of the chain-of-command and reports directly to the elected Sheriff, ensuring public accountability.

**Program Summary**

Professional Standards consists of the Inspections Unit, the Life Safety Officer, the Internal Affairs Unit (IAU), the Use of Force (UOF) Inspector and the County Attorney Liaison. These units provide continuous examination of MCSO's personnel, policies and operations in the spirit of meeting accountability and transparency expectations while holding the Sheriff's Office to the highest public safety standards and best practices.

Through internal auditing and investigations, the work of the Professional Standards Unit addresses the need for accountability for individual misconduct and as well as the need to adopt best practices to eliminate systemic inequity.

Professional Standards ensures accountability through continual inspections and investigations of MCSO operations and personnel. The Inspections Unit makes recommendations for policies and procedures based on public safety industry standards and best practices through independent auditing. The Inspections Unit inspects and audits all facets of MCSO operations, facilitates and monitors safety committees, conducts accident reviews, and provides Life Safety auditing and training to meet Occupational Safety and Health Administration (OSHA) standards compliance. The Internal Affairs Unit serves as MCSO's primary system of employee accountability. IAU independently investigates complaints and allegations of employee misconduct to ensure that Multnomah County remains a place of safety, trust and belonging in which to live and work. Each complaint is initially evaluated by a Preliminary Investigative Assessment. IAU administrative investigations are conducted in accordance with established due process requirements to ensure accountability of both employees and the IAU process itself. The Use of Force Inspector now conducts comprehensive reviews of all Control Event/Use of Force Reports, and makes recommendations for use of force policies and procedures based on emerging standards and best practices. The Use of Force Inspector regularly reports Agency statistical information regarding use control events and use of force. The Sheriff's Office makes this data available on its website to ensure public accountability and transparency.
