## I-84 & U.S. 30 (Historic Columbia River Highway)

Over the next several years, we have many construction projects planned on I-84 between I-205 and Hood River, and on the Historic Columbia River Highway between Troutdale and Hood River.

ODOT is implementing a coordinated, strategic approach to community engagement and information.

## 2022 Construction

# Northbound signal at NE 238th Drive

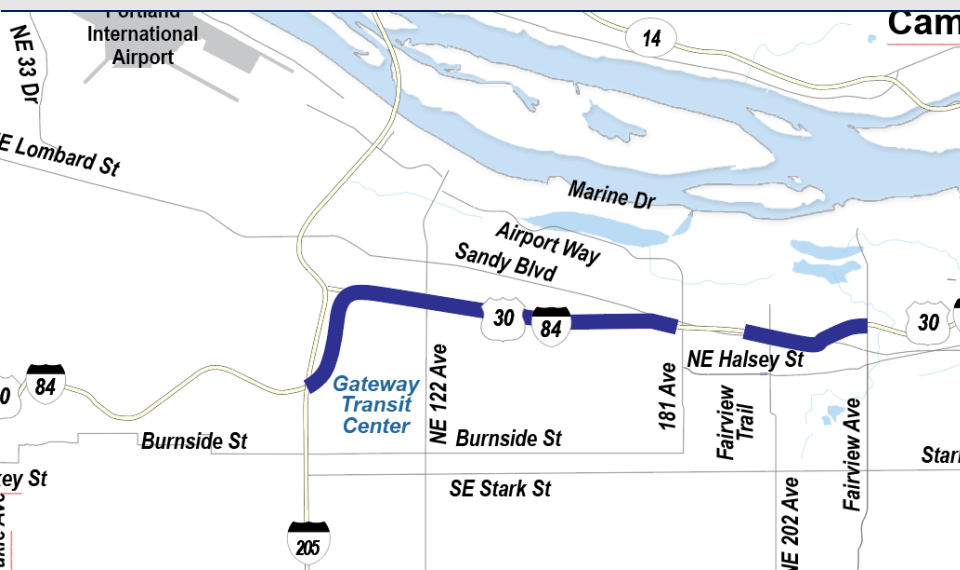

Current

Future

**Turn lane reconfiguration:** There will be two dedicated left turn lanes on NE 238th Drive for the Interstate 84 west on-ramp. This will reduce crashes at this intersection.

# I-84 Paving I-205 to Marine Drive

## Project purpose

- Improve roadway surface on 2 sections of I-84.
  - I-205 – 169th.
  - 201st – Marine Drive.
- Bridge Repair.
- Northbound 238th to I-84 west signal reconfiguring.

## Schedule

- Winter 2023.

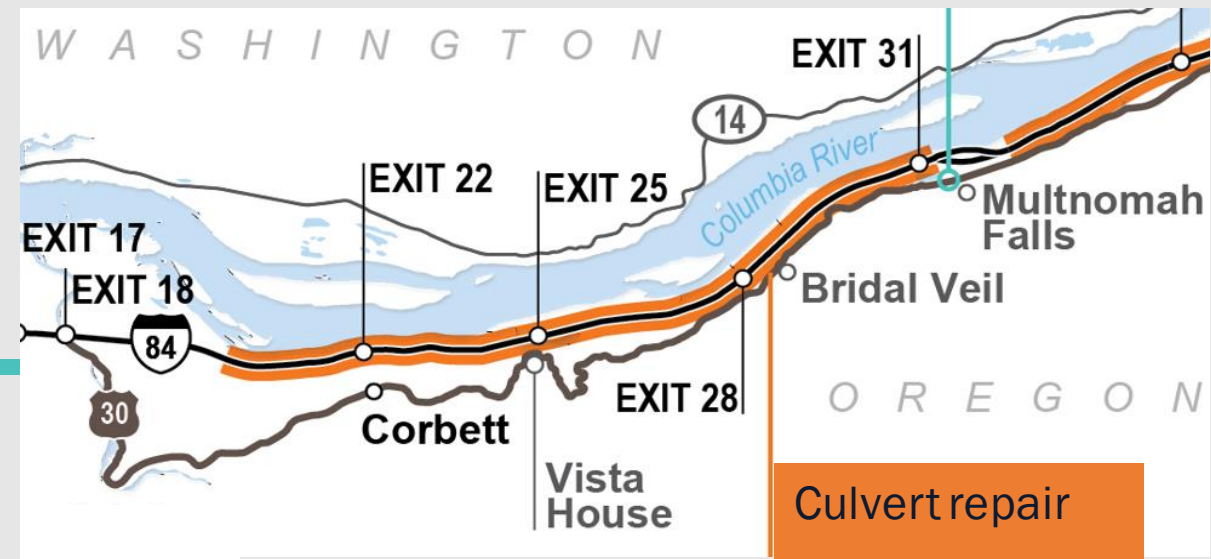

## Traffic Impacts

- Nighttime lane, ramp closures on I-84.
- Weekend and night closures of I-84 west at I-205.

# I-84 Culverts

## Troutdale to Ainsworth State Park

### Project purpose

- Repair culverts.
- Improve safety for the traveling public and increases lifespan of highway.

### Schedule

- Summer 2022.

### Traffic Impacts

- Shoulder and periodic single lane closures on I-84 at night.

# I-84 Paving (Multnomah Falls to Cascade Locks) and Toothrock Tunnel Repair

## Project purpose

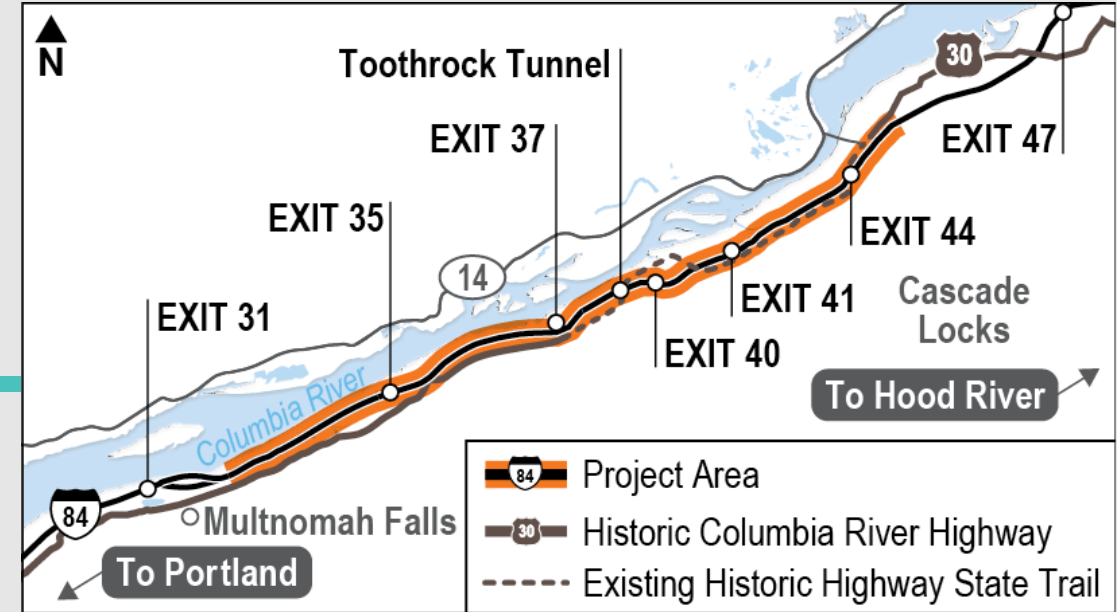

- Repave I-84.
- Repair the floor of the Toothrock Tunnel.
- Repair several bridges.
- Extend the lifespan of the highway and smooth out the ride for travelers.

## Schedule

- Spring through summer 2023.

## Traffic Impacts

- Lane closures on I-84 with some nighttime ramp closures.
- I-84 Exit 41 to Eagle Creek closed for 3 weeks.

# I-84 Forest Lane Bridge Raising

## Project purpose

- Raising the Forest Lane bridge over Interstate 84 in Cascade Locks to accommodate tall or over-height trucks, from 16'7" to 17'4"

## Schedule

- February 2022 through summer 2022.

## Traffic Impacts

- Lane closures on I-84.
- Flaggers directing traffic on Forest Lane and Frontage Road.

# Viento State Park - Mitchell Point

## Project purpose

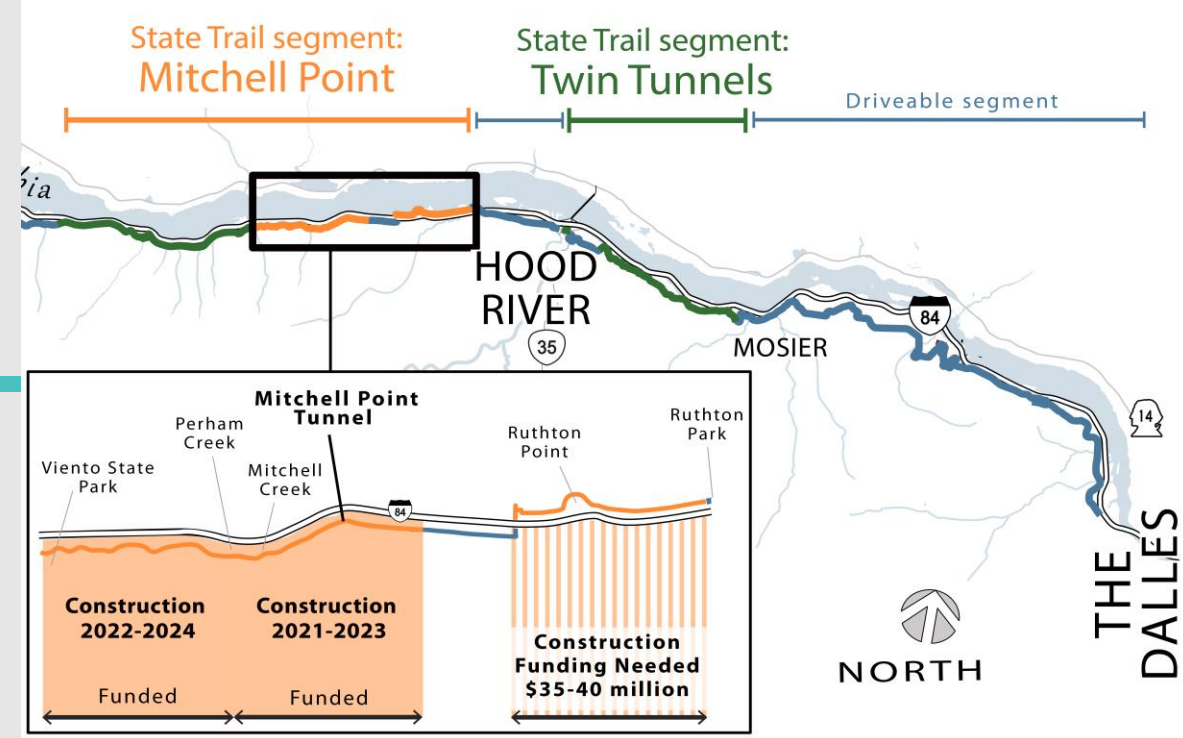

- Construct a new trail segment as part of the Historic Columbia River Highway State Trail.

## Schedule

- Spring 2022 through 2024.

## Traffic Impacts

- I-84 24/7 lane closures (spring, fall).
- Single lane closure on eastbound I-84 weekdays (summer).
- Occasional rolling slowdowns (spring, fall).

# Mitchell Point Tunnel

## Project purpose

- Construct a new tunnel at Mitchell Point to reconnect a segment of the Historic Columbia River Highway State Trail.

## Schedule

- Spring 2021 through 2023.

## Traffic Impacts

- I-84 Exit 58 closure.
- Single lane closure on eastbound I-84.
- Occasional rolling slowdowns (spring, fall).

New (under construction)
