## Significant Program Changes

**Last Year this program was:** FY 2022: 10094 ARP Office of Sustainability Food Access Focus

This program offer falls under the County's Crisis Response & Community Recovery ARP Priority Area. The program supports community recovery by promoting economic opportunity through access to farmland for beginning farmers and training opportunities, particularly in greenhouse propagation, for Black and African Immigrant farmers. The program will also address the ongoing issue of food insecurity through partnerships with the Health Department REACH program to increase prescription-CSA and institutional food purchases of local, culturally appropriate, organically grown produce.

Increased funding for improvements to the barn, road, parking, and greenhouse.
