Executive Summary

The Gateway Center is a drop-in service center which serves as a primary access point for domestic and sexual violence services in Multnomah County. Gateway Center provides a wide range of critical services to survivors and their children. These services ensure that survivors can learn about and access available resources, and get support navigating complex systems. The Gateway Center contracts for services from a wide variety of culturally-specific partners. This supports equitable access for a diverse population of survivors.

Program Summary

ISSUE: Domestic violence is a leading cause of violent victimization, accounting for more than 40% of all reported violent crime and 25% of all homicides in Multnomah County. Multnomah County spends an estimated \$10 million addressing domestic violence-related criminal costs and \$2.5 million in victim services annually. Domestic violence is a complex issue. Survivors often need support to access available resources and understand their options.

PROGRAM GOAL: The goal of the Gateway Center is to address the impact of domestic and sexual violence, and prevent further harm. Gateway provides access to critical services and safety planning in a trauma-informed, culturally-responsive and welcoming environment. The Gateway Center seeks to interrupt the cycle of power and control that survivors experience by centering survivor autonomy and choice, and improving access to services and resources.

PROGRAM ACTIVITY: This program funds the Gateway Intake Team and contracted navigation/support services, and legal advocacy services. The Gateway Intake Team coordinates a complex service delivery system. This consists of 16 on-site partners including civil attorneys, prosecutors, DHS, and 12 nonprofits. The intake team is the initial point of contact for every survivor served by the Gateway Center (more than 10,000 in 2021). The Intake team assesses, triages and refers each survivor to the appropriate services. The team also manages a busy satellite courtroom in partnership with the Multnomah County Circuit Court. This allows survivors to access protection orders remotely, with support from trained advocates.

Contracted services include Navigators trained to provide high quality domestic violence advocacy. Navigators provide a broad spectrum of services including safety planning, support with restraining orders, access to financial assistance, and economic empowerment services. During the COVID-19 pandemic, Gateway Center services have been primarily offered remotely. However, at least one staff member is present during regular hours of operation to ensure emergency walk-in participants can be accommodated if needed.

Performance Measures

Measure Type	Primary Measure	FY21 Actual	FY22 Budgeted	FY22 Estimate	FY23 Offer
Output	Number of community members who are able to access protection orders at the Gateway Center ¹	1,297	1,450	1,450	1,400
Outcome	Percentage of participants reporting increased knowledge of and access to resources	97%	90%	90%	90%

Performance Measures Descriptions

¹During the COVID-19 pandemic, the Gateway Center has shifted to a remote access model, and continues to provide services via phone, video conferencing and other electronic methods. A slight decrease in service numbers is likely the result of additional avenues to access protection orders becoming available this year, including the VOA Home Free Protection Order Hotline.
