### **Current Cohort and Action Cycle**

- Initial Action Cycle (Improvement System Shaper (ISS)), November 2021 May 2022\*\*
  - \*Team is in o an individual improvement project following cohort ending. New cycle begins in July

#### **Cohort Objective**

- To lay the foundation for improvement work within the homelessness response system by achieving a perfect score on the All-Singles Scorecard (see detail below).
  - Finalize a tool aligned with Coordinated Entry to collect data and pilot this tool in Fall
     2022
  - Develop clear policies on outreach and data collection

#### **Team and Data Leads**

- Lori Kelley, the JOHS Planning and Evaluation Manager
- Jason Kyler-Yano , Senior Data Analyst
- Alyssa Keil, Built for Zero/Community Solutions lead

# **Monthly Highlights**

- Built for Zero Improvement Team has broken out into work groups that focus on three key areas of work related to creating a <u>Quality By Name List</u>
  - o Cementing policies that are essential to scope the BNL
    - Outreach Policy (1C) (see details below for specific scorecard areas)
    - Inactive Policies (4A, 4B, 4C)

These policies have been developed and are undergoing final refinement.

 Creating a form to capture quality data on BNL during outreach for those not being assessed for Coordinated Entry (5)

## **Key Action Cycle Tasks/Status**

Join Built for Zero			
Task	Status	Details	
Signed services agreement	Complete		
Team leads identified	Complete		
1:1 check-in meetings established	Complete		
Fall Learning Session	Complete		
By-Name-List (BNL) Phase			
I.S.S. (foundations) cohort kickoff meeting	Complete		

Team(s) formation	Complete	Two subject matter teams are meeting to focus on key focus areas: outreach processes and policies associated.	
3 month Data Reliability within 15%	New		
Data uploaded from HMIS to BFZ Framework	In process	Data team is working on completing 3 successive uploads to ensure data reliability	
Get perfect score on All-Singles BNL Scorecard	In Process		
Establish Baseline: Scorecard	Complete	Score: 16/29 (see Scorecard below for more info), focusing on key strategies to get to 24 by Sept	
Develop Community Level Outreach Policy	In process	Outreach, and Coordinated Entry (CE) team developing policy, verifying with improvement team  This policy will clearly define outreach coordination expectations between various organizations contracted to provide outreach services.	
Finalize Inactive Policy	In process	Outreach, Data and CE team developing one central policy that applies for entire BNL, including CE. Tiered CE approach will integrate both policies and procedures  This policy ensures we understand when to inactivate someone on each list, so that they are no longer prioritized for services and considers how to approach those in short term institutions (hospitals, criminal justice.	
Develop Form to collect BNL Data	In process: with program team	Form to collect data on those not assessed to CE being refined, Form will be based on first stage/tier of Coordinated Entry process.  This form will be a tool to collect a subset of information from our Vulnerability Assessment to be utilized during outreach to ensure more comprehensive data capture.	
Outreach Coverage	In process	Improvement team is primarily focusing on outreach strategies as defined below	
Complete Outreach Coverage Map	In process	Improvement team working to document coverage in collaboration with Program Team.  Our current outreach map will be updated to clearly specify who is contracted to outreach geographically, and will ensure better communication and coverage	
Integrate Data Collection in	In process	Improvement team working to develop strategy	

Outreach and Navigation Team	and contract language in collaboration with Program Team This will create policies and procedures of when and how outreach teams will use updated tools to collect data.
2B 90-100% captures	Planned for Fall push

# Current All Singles Scorecard Score for Multnomah County

1 <b>A</b>	Is the geographic coverage of your outreach clearly mapped out, informed by your data and regularly assessed, to ensure you are able to reach all unsheltered individuals within your community.	No
<b>1</b> B	Have you coordinated your outreach, ensuring that your outreach teams are deployed at the locations and the times that they are mostly likely to effectively engage with unsheltered homeless individuals, while minimizing duplication between providers?	No
<b>1</b> C	Do you have a documented outreach policy that clearly states how your outreach teams will be deployed and how they work with each other to swiftly connect individuals to their self-determined needs?	No
1D	Do you have consistent, coordinated and reliable outreach and in-reach efforts across your geographic coverage area that gives you confidence that at least 90% of the unsheltered population is captured on your BNL?	No
2A	Are 90% of CoC-funded and non-CoC-funded providers reporting data into your by-name list?	No
2B	Are approximately 90-100% of currently homeless single adult individuals served by the providers reporting into your by-name list?	No
3A	Is your by-name list able to collect data on all currently homeless single adults in your community, including unsheltered individuals living in a place not meant for human habitation (e.g. street, cars, campsites, beaches, deserts or riverbeds)?	Yes
3B	Is your by-name list able to collect data on all currently homeless single adults in your community, including individuals in shelters, safe havens, season overflow beds, hotels paid for by homeless providers or Health Care for Homeless Veterans (HCHV) beds?	Yes
3C	Is your by-name list able to collect data on all currently homeless single adults in your community, including <b>individuals in transitional housing, including</b> VA-funded Transitional Housing?	Yes
3D	Is your by-name list able to collect data on all currently homeless single adults in your community, including <b>individuals fleeing domestic violence?</b>	Yes
<b>4</b> A	Has your community established a written policy that specifies the number of days of inactivity (i.e. the person cannot be located) after which a person's status will be changed to "inactive," and which includes protocols to attempt to locate an individual before they are moved to inactive status?	No
4B	Does that written policy account for changing an individual's status to 'inactive' based on a client's verified absence from the community before the specified number of days has elapsed? (e.g. reunited with family in a different community, death etc.)	No

Does that written policy account for individuals on your list who are entering an institution (e.g., jail or hospital) where they are expected to remain for 90 days or fewer?  5 Does your community have a way to track actively homeless individuals who have not consented to services and/or assessment at this time?  6 by-name list up to date and accurate, including timelines for provider data submission and ongoing quality assurance protocol?  Does your community's by-name list track the 'homeless / housed status' of all individuals, including the date each status was last changed and the previous status? Homeless status fields should include at minimum. homeless, inactive and permanently housed.  Does your community's by-name list include a unique identifier (e.g. an HMIS ID) for each individuals to prevent duplication of client records and facilitate coordination between providers?  Does your by-name list track the total number of newly identified (not necessarily assessed) individuals experiencing homelessness every month? This figure represents a portion of your monthly inflow.  10 Does your community's by-name list track individuals returning to active homelessness within the past month?  11A Does your community's by-name list track individuals as they move out of active homeless status, including those who move in to permanent housing?  11B Does your community's by-name list track individuals as they move out of active homeless status, including those who become inactive, per your inactive policy?  Does your community's by-name list track individuals as they move out of active homeless status, including those who not longer meet the population criteria of single adult?  Does your by-name list track people with multiple population-based statuses (e.g. chronic homeless status AND veteran status)?  12B Can your by-name list track people with multiple population-based statuses (e.g. chronic homeless status AND veteran status)?  Can your by-name list track individuals who become chronically homeless after they a
