The City of Gresham and its community are dear to my heart. My passion for improving our beautiful city drives me to continue serving as a leader that will fight for safe neighborhoods, clean streets, and economic prosperity for all.

My Vision for Gresham

Public Safety

I support expansion of police staffing and support for mental health services as well as proper funding of our fire departments and first responders so that our community can sleep easier at night knowing that they'll be there when it matters most.

I believe we should address homelessness with compassion while keeping our streets and sidewalks clean and safe. That means partnering with the community and continuing to strengthen Gresham's homeless services team.
