Chapter 39 - Zoning Code

Notice to Mortgagee, Lien Holder, Vendor, or Seller:

ORS Chapter 215 requires that if you receive this notice it must be promptly forwarded to the purchaser.

Findings of Fact

FINDINGS: Written findings are contained herein. The Multnomah County Code (MCC) criteria and Comprehensive Plan Policies are in **bold** font. Staff analysis and comments are identified as ‘**Staff:**’ and address the applicable criteria. Staff comments may include a conclusionary statement in *italic*.

1.0 Project Description:

Staff: The applicant requests a Lot of Record Verification for the property identified as 1N1W08D-00700 (subject property). The application does not propose any new development at this time.

Through the Lot of Record Verification process, the County reviews the creation or reconfiguration of each parcel, lot, or unit of land involved in the request. The County then verifies that the creation or reconfiguration of the parcel, lot, or unit of land satisfied all applicable zoning laws and all applicable land division laws in effect on the date of its creation or reconfiguration. In the EFU zone, the County also considers adjacent ownership on February 20, 1990 in determining whether a parcel, lot, or unit of land is a Lot of Record on its own. If the parcel, lot, or unit of land met all applicable zoning laws, applicable land division laws and meets the aggregation requirements, it may be determined to be a Lot of Record.

2.0 Property Description & History:

Staff: The subject property is located in unincorporated west Multnomah County in the area known as West Hills Rural Area. The property is zoned Exclusive Farm Use (EFU) and is located outside of Metro’s Urban Growth Boundary (UGB). Assessment & Taxation records and aerial photographs indicate that the subject property is occupied by a single-family dwelling with attached garage and at least three outbuildings.

3.0 Public Comment:

Staff: Staff mailed a notice of application and invitation to comment on the proposed application to the required parties per MCC 39.1105 as Exhibited in C.2. Staff did not receive any public comments regarding the Lot of Record application during the 14-day comment period.

4.0 Code Compliance and Applications Criteria:

4.1 § 39.1515 CODE COMPLIANCE AND APPLICATIONS.

Except as provided in subsection (A), the County shall not make a land use decision approving development, including land divisions and property line adjustments, or issue a building permit for any property that is not in full compliance with all applicable provisions of the Multnomah County Zoning Code and/or any permit approvals previously issued by the County.

* * *

Staff: As noted in Section 1.0 above, this application is a request for a Lot of Record Verification, which does not require the County to approve development, a land division, a property line adjustment, or a building permit. *Therefore, this standard is not applicable.*

5.0 Lot of Record Criteria:

5.1 MCC 39.3005 - LOT OF RECORD – GENERALLY.

(A) An area of land is a “Lot of Record” if it meets the standards in Subsection (B) of this Section and meets the standards set forth in this Part for the Zoning District in which the area of land is located.

(B) A Lot of Record is a parcel, lot, or a group thereof that, when created or reconfigured, either satisfied all applicable zoning laws and satisfied all applicable land division laws, or complies with the criteria for the creation of new lots or parcels described in MCC 39.9700. Those laws shall include all required zoning and land division review procedures, decisions, and conditions of approval.

(a) “Satisfied all applicable zoning laws” shall mean: the parcel, lot, or group thereof was created and, if applicable, reconfigured in full compliance with all zoning minimum lot size, dimensional standards, and access requirements.

(b) “Satisfied all applicable land division laws” shall mean the parcel or lot was created:

- 1. By a subdivision plat under the applicable subdivision requirements in effect at the time; or**
- 2. By a deed, or a sales contract dated and signed by the parties to the transaction, that was recorded with the Recording Section of the public office responsible for public records prior to October 19, 1978; or**
- 3. By a deed, or a sales contract dated and signed by the parties to the transaction, that was in recordable form prior to October 19, 1978; or**
- 4. By partitioning land under the applicable land partitioning requirements in effect on or after October 19, 1978; and**
- 5. “Satisfied all applicable land division laws” shall also mean that any subsequent boundary reconfiguration completed on or after December 28, 1993 was approved under the property line adjustment provisions of the land division code. (See Date of Creation and Existence for the effect of property line adjustments on qualifying a Lot of Record for the siting of a dwelling in the EFU and CFU districts.)**

(c) Separate Lots of Record shall be recognized and may be partitioned congruent with an “acknowledged unincorporated community” boundary which intersects a Lot of Record.

- 1. Partitioning of the Lot of Record along the boundary shall require review and approval under the provisions of the land division part of this Chapter, but not be subject to the minimum area and access requirements of this district.**
- 2. An “acknowledged unincorporated community boundary” is one that has been established pursuant to OAR Chapter 660, Division 22.**

Staff: To qualify as a Lot of Record, the subject property, when created or reconfigured, must meet MCC 39.3005(B) of this section and meet the Lot of Record standards set forth in the EFU zoning district. More specifically, section (B) above requires demonstration that the subject property (a) satisfied all applicable zoning laws and (b) satisfied all applicable land division laws. The Lot of Record standards set forth in the EFU district establish additional requirements unique to the district, which are evaluated in Section 5.2 of this decision. The findings below analyze whether the Lot of Record provisions in section (B) have been met.

The applicant provided seven deed(s) (Exhibit A.2 through A.8) to support the Lot of Record request. The earliest deed describing the subject property was recorded in 1983 and contains a legal description matching the current configuration of the subject property (Exhibit A.2). From October 6, 1977 to August 13, 1980, the subject property was zoned Multiple Use Agriculture – 20 (MUA-20) per historical County zoning maps (Exhibit B.9 & B.10).

In December 1979, the County approved a Lot of Exception (LE 4-80) to allow the creation of a 2-acre parcel (Exhibit B.2). An Exempt Minor Partition approving the configuration of the parcel was approved in January 1981 (Exhibit B.3). A second Exempt Minor Partition was approved reconfiguring the shape of the parcel in October 1982 (Exhibit B.4). The creation of the subject 2.18+/- acre parcel occurred on June 23, 1983 with the recording of a deed (Exhibit A.8) with a new legal description.

The subject property complied with its land use approvals at the time of its creation or reconfiguration.

5.2 MCC 39.3070 LOT OF RECORD – EXCLUSIVE FARM USE (EFU).

(A) In addition to the standards in MCC 39.3005, for the purposes of the EFU district a Lot of Record is either:

(1) A parcel or lot which was not contiguous to any other parcel or lot under the same ownership on February 20, 1990, or

(2) A group of contiguous parcels or lots:

(a) Which were held under the same ownership on February 20, 1990; and

(b) Which, individually or when considered in combination, shall be aggregated to comply with a minimum lot size of 19 acres, without creating any new lot line.

1. Each Lot of Record proposed to be segregated from the contiguous group of parcels or lots shall be a minimum of 19 acres in area using existing legally created lot lines and shall not result in any remainder individual parcel or lot, or remainder of contiguous combination of parcels or lots, with less than 19 acres in area. See Examples 1 and 2 in this subsection.

2. There shall be an exception to the 19 acre minimum lot size requirement when the entire same ownership grouping of parcels or lots was less than 19 acres in area on February 20, 1990, and then the entire grouping shall be one Lot of Record. See Example 3 in this subsection.

3. Three examples of how parcels and lots shall be aggregated are shown in Figure 1 below with the solid thick line outlining individual Lots of Record:

4. The requirement to aggregate contiguous parcels or lots shall not apply to lots or parcels within exception or urban zones (e.g., MUA-20, RR, RC, SRC,

BRC, R-10), but shall apply to contiguous parcels and lots within all farm and forest resource zones (i.e. EFU and CFU), or

(3) A parcel or lot lawfully created by a partition or a subdivision plat after February 20, 1990.

(4) Exception to the standards of (A)(2) above:

(a) Where approval for a “Lot of Exception” or a parcel smaller than 19 acres under the “Lot size for Conditional Uses” provisions has been given by the Hearing Authority and the parcel was subsequently lawfully created, then the parcel shall be a Lot of Record that remains separately transferable, even if the parcel was contiguous to another parcel held in the same ownership on February 20, 1990.

Staff: A Lot of Exception (LE 4-80) was granted by the County in December 1979 to allow the creation of a substandard parcel at the time (Exhibit B.2). Since a Lot of Exception was granted, the subject parcel remains separately transferrable.

(B) In this district, significant dates and ordinances applicable for verifying zoning compliance may include, but are not limited to, the following:

(1) July 10, 1958, F-2 zone applied;

(2) December 9, 1975, RL-C zone applied, F-2 minimum lot size increased, Ord. 115 & 116;

(3) October 6, 1977, MUA-20 and EFU-38 zones applied, Ord. 148 & 149;

(4) August 14, 1980, zone change from MUA-20 to EFU-38 for some properties, zone change from EFU-38 to EFU-76 for some properties. Ord. 236 & 238;

(5) February 20, 1990, lot of record definition amended, Ord. 643;

(6) April 5, 1997, EFU zone repealed and replaced with language in compliance with 1993 Oregon Revised Statutes and 1994 Statewide Planning Goal 3 Oregon Administrative Rules for farmland, Ord. 876;

(7) May 16, 2002, Lot of Record section amended, Ord. 982, reenacted by Ord. 997;

(C) A Lot of Record which has less than the minimum lot size for new parcels, less than the front lot line minimums required, or which does not meet the access requirements of MCC 39.4260 may be occupied by any allowed use, review use or conditional use when in compliance with the other requirements of this district.

Staff: Section (B) is for information purposes. The subject property has less than the minimum lot size for new parcels or lots in this zone and is subject to (C) above. It may be occupied by any allowed, review or conditional use when in compliance with the other requirements of this district provided it remains a Lot of Record. *Criteria met.*

(D) The following shall not be deemed a Lot of Record:

(1) An area of land described as a tax lot solely for assessment and taxation purposes;

(2) An area of land created by the foreclosure of a security interest;

(3) A Mortgage Lot.

(4) An area of land created by court decree.

Staff: As discussed above under section 5.1, the subject property is not an area of land described as a tax lot solely for assessment and taxation purposes. The subject tracts are not an area of land created by the foreclosure of a security interest or created by court decree. *Criteria met.*

Based on the findings in 5.1 & 5.2, the subject property is a single Lot of Record.
