Program Characteristics: One-Time-Only Request, In Target

Executive Summary

The Multnomah County Central Courthouse (MCCCH) is located in downtown Portland. The downtown area is experiencing a significant increase in property damage and graffiti. In FY 2023, Facilities and Property Management (FPM) contracted for expanded overnight security services to deter such activities. This program offer will fund the continuation of these services in FY 2024.

Program Description

This program funds the continuation of overnight security services for the MCCCH with the goal to reduce property damage to the building and to protect the County’s newly built asset. These expanded services have significantly reduced property damages to the building and have been a deterrent.

Future security needs at the site will be included in the countywide safety and security efforts to plan, develop, and implement a security program led by the Department of County Assets in coordination with the Chief Operating Officer and countywide leadership.
