Executive Summary

With Metro Supportive Housing Services Measure (Measure) funding that is dedicated to reducing homelessness through strategies that lead with racial equity, this program offer funds tenant-based permanent supportive housing (PSH) specifically designed to meet the needs of youth (under 25) with significant behavioral health needs. The program offer funds support services and Regional Long Term Rent Assistance vouchers designed to be low barrier and serve youth who are often screened out of the U.S. Department of Housing and Urban Development’s (HUD) Section 8 program.

Program Description

The Multnomah County Local Implementation Plan (LIP) for the Measure sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. In alignment with priorities outlined in the LIP, this program offer funds 30 tenant-based permanent supportive housing (PSH) opportunities and provides FTE for on-going support services.

PSH is for individuals who would not be successful in their housing without supportive services, and for whom services would be less effective without stable housing. It serves those with significant disabilities, including chronic health conditions, mental illness, and addictions, who have experienced or are at risk of experiencing chronic homelessness. Tenant-based supportive housing provides households with a rental voucher that can be used to buy-down rent in a private market or regulated unit along with mobile, wrap-around services.

The programming funded by this program offer will support 30 homeless youth who have extremely low-incomes, serious disabling conditions, and experiencing - or at risk of - long-term homelessness, with ongoing rental assistance provided through the Regional Long-term Rent Assistance (RLRA) program administered by Home Forward and wrap-around services provided by a youth service organization. RLRA operates similarly to the HUD Section 8 program where households pay 30% of their income towards rent and utilities and the housing authority pays the rest. RLRA was intentionally designed to be low barrier and serve people who are often screened out of HUD’s Section 8 program.
