**Executive Summary**

Treasury manages the County's cash assets, investment portfolio, debt, banking services and relationships and broker/dealer relationships. Treasury also manages the Excise Tax Administration program which includes management of revenue collections for Motor Vehicle Rental Tax (MVRT), Transient Lodging Tax (TLT) and Business Income Tax (BIT) in accordance with Multnomah County Code, the County's fiduciary responsibilities and revenue & taxation policies and procedures.

**Program Description**

Treasury invests the County's financial assets to ensure that funds are available to meet anticipated cash flow needs. Investment earnings are measured against specific benchmarks outlined in the Investment Policy. Treasury complies with all applicable laws, policies and best practices in the management of County funds.

Treasury supports the Chief Financial Officer in the issuance of debt, including opportunities to refinance existing debt and maintains contact with rating agencies. It ensures timely and accurate debt service payments and generates arbitrage rebate calculations and reports. Treasury regularly analyzes cash flow. From time to time it is necessary to issue short term Tax and Revenue Anticipation Notes (TRANS) to provide liquidity prior to the collection of property taxes in November.

The County collects and administers three excise taxes. A Business Income Tax (BIT) is assessed against businesses with income generated within the County. It is set at a rate of 2.00% of net income. BIT is the second largest revenue source in the General Fund, generating approximately 26% of General Fund revenues. A Motor Vehicle Rental Tax (MVRT) is charged on the rental of cars and light trucks within the County. It is currently set at a rate of 17% of rental fees. A portion of the tax (2.5%) is passed through to the Visitors Development Fund to support tourist activities. A Transient Lodging Tax (TLT) is charged on the rental of hotel/motel rooms within the County. It is currently set at a rate of 11.5% of rental fees. Most of the revenue generated by the TLT is passed through to other entities. Cities retain 6%, another 3% is dedicated to operating the Oregon Convention Center, and 2.5% is passed through to the Visitors Development Fund.

Treasury provides countywide accounts receivable oversight and management including AR aging monitoring, cash management, and collection activities. Treasury maintains effective banking relationships to keep pace with technology and adapt to the needs of County Departments in delivering business services to County residents.
