Internship Description

The Garden Educator is a full-time, 12-week summer internship position facilitated by the Multnomah County REACH Program in collaboration with Boys & Girls Clubs of the Portland Metropolitan Area. The Garden Educator will offer critical support to Boys & Girls Club staff and youth to ensure that a club can maximize the educational potential of the garden. The Garden Educator leads garden science and nutrition education classes, while providing professional development training for staff in the process. The Garden Educator acts as a resource for staff as they plan their own enrichment programs in the outdoor classroom, and models skills that staff need to feel comfortable using the garden to promote a culture of health for youth from diverse backgrounds.

Responsibilites

- Facilitates garden science classes, incorporating both environmental science and nutrition education as they relate to the garden;
- Works closely with Boys & Girls Club staff to develop garden-based enrichment programs that empower youth to reach their full potential as productive, caring, and responsible citizens;
- Oversees and coordinates students' hands-on learning experiences in the garden (planting, tending, harvesting, and cooking);

- Builds long-term involvement in and commitment to the learning garden within the club community, including staff, youth participants and their families;
 - Builds capacity within the club by co-teaching with Boys & Girls Club staff;
 - Maintains the garden, coordinating volunteers and working with the Boys & Girls Club and Multnomah County REACH to secure all needed supplies;
 - Leads a group of youth participants in garden-related action projects through summer programming.
-
- Facilitate garden-based education workshops
 - Manage the learning garden, plan and prepare for garden activities, manage the summer planting schedule, ensure availability of tools and other necessary materials;
 - Attend Multnomah County REACH staff meetings
 - Coordinate learning garden events to bring youth, families, staff, and community members together;
 - Monitor, document, and report on all activities and extent of youth and staff engagement;
 - Maintain learning garden resources, including lesson plans, planting guides, and recipes for future programming

Education and Minimum Qualifications:

- Candidates should have completed or enrolled in a college/university academic institution
- At least 2-3 years of facilitation or teaching experience with you ages 6-12 (outdoor group management experience preferred);
- Knowledge and skills in small-scale organic food production or home gardening;
- Knowledge of or interest in topics including urban gardening, botany, environmental science, health and nutrition, food systems, and food access;
- Demonstrated ability to work with diverse populations including youth and adults;
- Strong oral and written communication skills, including public speaking skills;
- Ability to work independently and be flexible;
- Project management skills
