**Program Characteristics:**

**Executive Summary**

This program offer funds the Regional Strategies Investment Fund (RSIF) in partnership with the Tri County Planning Body. The revenue source for Measure 26-10, "Metro Supportive Housing Services Measure" (Measure) is a business and personal income tax on the highest income earners who live or work in Multnomah County. Business and personal income tax can vary between fiscal years. To provide fiscal stability, the Measure, and the intergovernmental agreement that governs Measure funding require that each county contributes to a regional strategy implementation fund to achieve regional investment strategies and provide a consistent level of Supportive Housing Services, despite year-to-year variability.

**Program Description**

To provide ongoing fiscal stability for the Supportive Housing Services (SHS) initiative, the Measure and the intergovernmental agreement (IGA) that governs Measure funding, require that each county contributes to a regional strategy implementation fund.

The Regional Strategies Implementation Fund (RSIF) requires that each county must contribute not less than 5% of its share of program funds each fiscal year to achieve regional investment strategies. The Measure's Tri-County Planning Body (TCPB) is tasked with strengthening coordination among the counties and Metro in addressing homelessness in the region through the identification of regional goals, strategies, and outcome metrics that support regional Supportive Housing Services coordination and alignment, which it will outline in the Tri-County Plan. The TCPB is developing the Tri-County Plan, the priority for the RSIF funds will be programmed by the TCPB. The JOHS is making regionally-focused RSIF investments in the following programs with any available funds after the TCPB has given direction.
