**Executive Summary**

This program offer is for the operation of three single cell housing units totaling 64 beds at the Multnomah County Inverness Jail (MCIJ). Also included in this offer is the operation of two separate control centers within the facility and additional support staff to provide for facility and adult in custody activities and needs.

Deputies facilitate access to programs, medical, religious and professional services adults in custody require daily while providing safety and security supervision and direction in the dorm.

**Program Description**

This offer provides for two single cell disciplinary/special management dorms and one medical infirmary dorm. Dorm 16 provides for 31 cells, Dorm 17 has 23 cells and Dorm 18 has 10 medical infirmary, negative pressure cells to provide for better control of airborne illnesses. Single cell housing offers a more controlled environment which provides for enhanced security. Adults in custody housed in disciplinary housing units require a higher level of security due to violation of facility rules of conduct, such as fighting or assaulting another person, contraband introduction or disruptive behavior. Special management populations are determined by the Classification Unit to address specific security needs or risks an adult in custody may have which require higher security housing. Adults in Custody in special management units are regularly reviewed for movement to less restrictive housing.

Also included in this offer is the centrally located primary control center (Central Control) for the majority of the facility, and a separate control center (Processing Control) to manage population movement within the facility in addition to movement to and from the facility for housing, court and other activities. Additional operations, administration, support activities and other jail services, such as Escort Deputies, medical clinic and Clinic Deputies, Hospital Deputies, Medical Transport, Facility Maintenance Deputies and Visitation Deputies are included in this offer.

The Multnomah County Inverness Jail is a medium security, primarily direct supervision, dormitory style facility. In addition to the open dorm style housing units, there are a smaller number of single cell housing units. The design and population of Inverness Jail offer the greatest prospects for programs, education and volunteer work opportunities for those in custody. Adults in custody are afforded opportunities to exercise their faith while housed at MCIJ, to include offering religious diets and available faith related items and materials. Language interpreter services and ADA accommodations are available and provided to meet individual needs of those entrusted to the care of MCSO. MCSO strives to ensure everyone in our care has access to medical, mental health and emotional support while in custody.

## Significant Program Changes

**Last Year this program was:** FY 2023: 60330A MCIJ Dorms 16, 17 & 18

Multnomah County receives Senate Bill 1145 Community Corrections (SB 1145) funds from the Oregon State Department of Corrections (DOC) to provide parole, probation and/or post-prison supervision services for adults sentenced to 12 months or less. SB 1145 funding is a critical piece of Multnomah County's budget. In the 2023-2025 biennium, the Governor's budget reduced the SB 1145 funding. When combined with inflationary impacts of personnel costs, Multnomah County is facing a significant funding shortfall in public safety in FY 2024. Fiscal year 2024 estimated impact to MCSO is \$3,390,591.
