Performance Measures Descriptions

Added: Number of service tickets in MMP reflects the intensity of direct technical support provided to keep the County's Purchasing software operational. Removed: Minimizing the number of sustained protests. We haven't had one in many years so this measure is not as illustrative to the overall activity of Central Purchasing.

Legal / Contractual Obligation

Oregon Revised Statutes (ORS) 279A, 279B, and 279C establish requirements affecting the County's procurement and contracting practices. The County establishes and implements Public Contract Review Board (PCRB) Rules and Administrative Procedures CON-1 and PUR-1 to define its procurement and contracting processes within the constraints of ORS requirements.
