Executive Summary

Mid County libraries (Gregory Heights, Holgate, Midland, Woodstock) enact Multnomah County Library values by leading with racial equity and inclusion to create spaces and services for all community members. This region provides culturally relevant services to African American, Indigenous, Vietnamese, Chinese, Russian, and Spanish-speaking library users, and helps decrease the digital divide throughout Multnomah County.

Program Description

ISSUE: Public spaces to access information, educational opportunities, technology, and an area to connect with others are systemically lacking in Multnomah County. There are substantial limitations for no-charge, culturally specific community hubs that provide access to language learning, early literacy and learning, technology support, and more.

PROGRAM GOAL: Mid County libraries’ language learning and educational programs improve employment opportunities and quality of life for those with low English proficiency and limited resources. To support critical life skill development and digital literacy, library staff prioritize services such as tech access, 1:1 tech help, job search help, training and resources, literacy resources, and classes for youth and adults. Gregory Heights Library will be refreshed through the Capital Bond project to create more space for the community, support efficiency through Automated Materials Handling, and add new furniture and layouts to support a variety of needs.

PROGRAM ACTIVITY: Reopening libraries after COVID-19 closures has focused on strategies to best serve marginalized communities and advance racial equity. Reopening decisions were informed using a community needs assessment and the prioritization of services based on identified needs: technology access and assistance, collection access, craft and educational kits, information access, library materials pick-up, and dedicated hours for immunosuppressed patrons. The result was expanding in-person services while continuing to support patrons through virtual programs and services. Library services were prioritized to serve those from underserved communities and provide a cultural- and/or language-specific lens. This included early literacy programs, virtual and in-person classes, and tech training. Youth ages 0-18 received free summer lunches at the Midland Library.

RACIAL EQUITY ADVANCEMENT: All library locations are actively engaging in equity work. An equity assessment was distributed to all location staff in April 2022; based on results, region-specific equity plans were developed and are in implementation. “Pulse checks” will occur every six months to determine progress, with plans revised as needed.

Performance Measures Descriptions

Legal / Contractual Obligation

The budget reflects the passage of Measure 26-143: "Form Library District with permanent rate to fund library services," November 2012 General Election. The district summary states in pertinent part: "If approved, the Multnomah County Library District would be formed with a permanent rate dedicated to library services, operations, books, materials, programs, activities and oversight of the district. Formation of a District would...prevent reductions in services, programs and activities, and hours."

Explanation of Revenues

This program generates \$251,139 in indirect revenues.

The revenue allocated to this program offer reflects an intergovernmental service reimbursement from the Library District (99.97%) and resources from the County's Library Fund (0.03%). It represents a prorated share of property taxes (97.5%), other revenues such as interest earnings, grants, and user charges for services provided to library patrons (1.3%), and District Fund balance utilized for one-time-only retention bonuses (1.2%).

Significant Program Changes

Last Year this program was: FY 2023: 80004 Mid County Libraries

The library system will experience multiple bond-related closures and reopenings over the next year. During closures, staff time and location-based spending will be reallocated from closed locations to support other library services, including outreach, additional capacity at spillover locations, and other temporary services in the community.
