

Threshold Review Criteria:

- Organization qualified to provide Supportive Housing Services with JOHS
- Application submitted on time
- Applicant answered all required questions in the NOFA including letters of support (where applicable) and a draft budget.
- Proposed number of households served and proposed client assistance dollars are within a reasonable range and do not exceed the boundaries of this NOFA.

Questions and Evaluation Criteria	Total Available Points
<p><u>Question #3:</u> <i>"Provide an overview of the Move On target populations that the project will serve and a <b>detailed</b> Move On services model, including how the model will be responsive to the needs of the target populations, anticipated FTE by service type, and anticipated caseload sizes. A typical PSH caseload size is 1 FTE to 15-20 households, but Move On work is not expected to be as intensive as PSH casework. "</i></p> <p><u>Evaluation Criteria</u></p> <ul style="list-style-type: none"><li>- Applicant demonstrates a clear and workable plan to provide Move on Services.</li><li>- Applicant names their target population(s) whether mainstream or culturally specific, and the applicant speaks to how they plan to serve this population(s).</li><li>- Applicant's service plan should be detailed and should cover the entirety of the program's goals and process including outreach and referrals, housing case management, placement, and retention.</li><li>- Applicant gives a draft staffing plan and speaks to how this plan will function to accomplish the funding goals detailed in the NOFA.</li></ul> <p><b>**This question is weighted the heaviest and full points should only be given if all of the evaluation criteria have been met.</b></p>	<p><u>5</u></p>
<p><u>Question #4</u> <i>"Describe how the Move On team will employ assessment criteria and strategies to ensure that clients are ready for Move On services."</i></p> <p><u>Evaluation Criteria</u></p> <ul style="list-style-type: none"><li>- Applicant demonstrates a knowledge of their target population.</li><li>- Applicant names concrete and person-first ways that they will approach their assessments.</li><li>- Applicant has clear strategies and metrics they plan to use in order to determine a household's readiness for Move On.</li></ul>	<p><u>2</u></p>
<p><u>Question #5</u> <i>"If the proposal includes more than one organization, provide a brief description of the role each organization will play in the project, which organization(s) will be funded through the proposal, and how organizations will work together and address inherent power dynamics (e.g. power dynamics between dominant culture organizations and culturally-specific organizations serving one or more BIPOC and/or LGBTQIA2S+ community, large and small organizations, property owners/managers and service providers, etc.). If applicable, this should include an explanation of the role of any non-funded service provider partners listed in the application and how they benefit from the partnership. Also provide a brief introduction for any organizations listed on the application that are not listed in Appendix A as a JOHS qualified Supportive Housing provider, including the expertise and experience they bring to the project. (<b>applicants that elect not to partner up on this application will forfeit this point</b>)"</i></p> <p><u>Evaluation Criteria</u></p> <ul style="list-style-type: none"><li>- *If applicant has left this question blank or indicated that they do not plan to partner on this project, applicant will not receive a point for this question.</li><li>- Evaluators will confirm that this applicant has elected to partner on this project and that they have provided answers to all applicable facets of Question 5.</li><li>- Applicants should be able to clearly speak to existing power dynamics and how this partnership will seek to eliminate or mitigate them.</li></ul> <p><b>Note to applicants - required for projects with multiple PSH service providers (not included in page limit): Attach a letter of support/endorsement from each service provider organization that is listed as a partner (not required for the organization listed as the lead contact for the application).</b></p>	<p><u>1</u></p>
<p><u>Question #7:</u> <i>"Provide a short overview of the project's most important strategies for creating a welcoming environment for Black, Indigenous and People of Color (BIPOC), and for addressing specific barriers faced by Black, Indigenous, and BIPOC people experiencing homelessness. Include concrete examples of how your organization(s) has successfully served these populations in supportive housing or related programming."</i></p> <p><u>Evaluation Criteria</u></p> <ul style="list-style-type: none"><li>- Applicant demonstrates clear organizational and/or programmatic strategies that create welcoming and successful environments for Black, Indigenous, and People of Color.</li><li>- Applicant demonstrates clear understanding of the barriers faced by the aforementioned groups.</li><li>- Applicant can give concrete examples of past or present strategies being employed.</li></ul>	<p><u>2</u></p>
