Program Offer Type: Existing **Program Offer Stage:** Adopted
Related Programs: 90010A
Program Characteristics: One-Time-Only Request

Executive Summary

There is the possibility for Multnomah County to be required to conduct two special elections annually. This program offer provides funding for the Elections Division to administer these elections, should they be required. Each of the two possible special elections is funded by \$350,000 for a total of \$700,000.

Program Description

Oregon statutes specify four election dates every calendar year. Those dates are the 2nd Tuesday in March, the 3rd Tuesday in May, the 4th Tuesday in August, and the 1st Tuesday after the first Monday in November. During odd years, the May Special Election is the only election with candidate positions scheduled. During even years, the May Primary and November General are the only elections with candidate positions scheduled. Ballot Measure referrals can be placed on any of the four scheduled election dates.

Program offer 90010A provides funding for the November and May election dates because those are when most jurisdictions hold elections in Oregon and when the Primary and General election are conducted. This program offer provides funding for any elections that the Multnomah County Elections Division would be required to conduct in August or March.

The August and March election dates are for conducting special elections. A special election is an election scheduled on an election date other than the usual date for the jurisdiction to elect officers. Special elections are often called to fill a vacancy in an elective office or for jurisdictions to refer a ballot measure to voters. Under Oregon law, any jurisdiction that holds a special election in August or March is required to reimburse the county for the costs incurred to conduct the election.
