Hello,

I'm just writing as part of the community who loves to use the Metro riding trails on a weekly basis. Over the past year, this has become one of my favorite parts of the week, as well as I love to see the joy of other trail users when they get to see a beautiful horse on the trail. This is so key in helping my own mental health, which in turn really aids me in my work as a mental health therapist. PLEASE keep these McCarthy and Burlington Creek Nature Areas open to horse use! I'm writing by email as I am unable to attend the meeting on the 26th due to work! Please feel free to reach out of use my testimony!

Thank you!
