Work Plan Draft

How we'll use this document:

- Living Document - continuous feedback
- Include updated version with each meeting packet
- Guide how staff schedule and hold time slots
- Keep members informed on upcoming topics/actions

Focus Areas

EMCTC Bylaws were updated in Feb 2022

General Responsibilities:

- Coordination
- Sharing Resources
- Review and Comment

Policy Direction:

1. Safety
2. Equity
3. Feedback on tolling impacts

Safety and Equity

Regular Agenda Item: Safety/Equity Updates

Major Project (recurring topic): Safe Streets for All - East Multnomah County Transportation Safety Action Plan (TSAP)

Related: Learning context for safety or equity implementation; coordination on safety infrastructure improvements and funding opportunities

Tolling Discussions

Regular Agenda Item: Tolling Updates

Major Projects (recurring topics): ODOT Tolling Project milestones, Regional Toll Advisory Committee (RTAC) input

Related: Regional funding discussions, legislative updates, equity and safety needs as they relate to tolling implementation

Coordination

Regular Agenda Item: Report outs on JPACT and R1ACT

Major Projects (recurring topics): Capital project delivery, transit planning and updates, Transportation System Plan (TSP) updates and other planning processes

Additional items: Legislative updates, Regional funding discussions, Letters of support for grant applications, updates on regional policy decisions and capital projects

Discussion

1. Do the focus areas reflect how you want to prioritize time on the agenda?
2. Are there other topics listed that should be prioritized? Any topics that are less of a priority?
3. Are we missing any topic areas?
4. Any other suggestions for meetings or support?
