**Executive Summary**

This offer establishes the necessary infrastructure for the Multnomah County Detention Center (MCDC) including administration and support for the facility and supports the operation of 46 beds on the 4th floor essential to the function of the facility including the medical infirmary, administrative segregation, and mental health units. These units provide unique services to adults in custody who need enhanced supervision, medical and/or mental health needs. Deputies and sergeants included in this offer provide essential services to support Corrections Health access to individuals and provide safety and security for those assigned in these units.

**Program Description**

The 448 maximum-security detention beds at MCDC are offered to support public safety and Adults in Custody treatment systems by providing safe and humane pretrial or sentenced Adults in Custody living environment. The facility includes services such as family and professional visiting, medical, video conferencing, counseling, law library, and religious/educational services to all those detained.

This offer includes the Administration and Support for the facility, jail services such as medical and transport, and resources for the operation of 46 beds. Ten beds serve those with special medical needs, 16 beds are for administrative segregation, 10 beds are mental health services, 10 beds are for disciplinary use.

The Sheriff's Office has statutory authority to maintain capacity population levels. In the event of a population emergency, arrestees may be forced released into the community. This offering, in conjunction with the Multnomah County Inverness Jail (MCIJ) offering, will reduce the potential for emergency releases. Operational budget figures are derived from staffing and essential service functions mandated in safe and humane corrections standards.

The program's mission is to ensure Adults in Custody are treated with dignity and respect during a difficult time as they work through court processes or are serving a sentence. Staff work to provide opportunities for all Adults in custody to have fair access to treatment and opportunity to address their needs while in custody in a safe environment and encouraging engagement in their care. Suicide prevention is a primary goal.
