d. Any qualified purpose allowed under Paid Leave Oregon and/or Oregon's Domestic Violence, Harassment, Sexual Assault or Stalking Law; or

e. Any other illness, injury, or quarantine based on exposure to contagious disease; or

f. In the event of a public health emergency, including upon an order of a general or specific public health emergency.

3. Parental Leave

Sick leave may be used by employees during Parental Leave as defined by FMLA, OFLA, and/or Paid Leave Oregon, except that the amount of leave taken by the other parent of the employee's child will not affect the amount of Parental Leave available to the employee.

4. Occupationally Related Conditions

Use of sick leave for occupationally related conditions is limited to the provisions of Article 13, Workers' Compensation.

B. Accrual

1. Employees shall accrue sick leave at the rate of .05 hours for each straight-time hour worked. Straight-time hours worked includes County paid holidays and leaves with pay taken during the work week.

2. Protected sick time as defined under Oregon's State Sick Leave Law, ORS 653.601(6), sick leave taken in excess of forty (40) hours is not considered protected sick time.

3. Sick leave may be accrued on an unlimited basis.

C. Reporting of Sick Leave

An employee who must be absent by reason of illness or injury shall make reasonable effort to notify their immediate manager at least one (1) hour before the beginning of their scheduled shift.

D. Use of Sick Leave During Leave

Sick leave may not be used during the term of any unpaid leave of absence.

Sick leave may not be used during vacation except when the employee notifies the manager of the interruption of the employee's scheduled vacation and presents reasonable evidence of a bona fide illness or injury upon returning to work.

E. Time Charging for Sick Leave

Sick leave shall be charged in accordance with the uniform time charging provisions of Article 14.8.

2. Use and Misuse of Leave for Sick Leave Purposes

A. Counting Against FMLA, OFLA Entitlements

Sick leave and any other forms of paid or unpaid leave used for FMLA and/or OFLA qualifying conditions, or absence due to a deferred or approved Workers' Compensation claim based on such conditions, will be counted against an employee's annual FMLA leave entitlements subject to the provisions of the law.

B. Legitimate Use

Protected sick time is limited to the first forty (40) hours of sick time taken by an employee each calendar year. Sick leave taken in excess of forty (40) hours each calendar year is not considered protected sick time. Reliable and consistent attendance is an expectation of all county employees. Employees must only use sick leave for legitimate purposes and only for bona fide illness, as defined in section I.A.2 of this article.

1. Verification of Use

a. Pursuant to Multnomah County policy, Management must require the completion of a certification form by the employee's health care provider and any other verification required for under the provisions of the FMLA, OFLA, or their successors.

b. Management may require medical verification of absence due to qualified protected sick time under the following conditions:

i. The employee has missed work due to illness for more than three (3) consecutive work days; or

ii. The employee has requested leave that is scheduled to last more than three (3) scheduled work days; or

iii. The employee has exhausted all sick leave; or

1 iv. The employee commences sick time without providing
2 prior notice required by the County, unless medical circumstances prevent the employee
3 from providing notice prior to commencing sick time and the employee provides notice to
4 the County as soon as is practicable; or

5 v. Management reasonably believes that the absence
6 may not be bona fide, including engaging in a pattern of sick leave abuse.

7 vi. If medical verification is requested, the County will pay
8 any and all reasonable costs associated with obtaining medical verification.

9 c. The County may require an employee to submit written
10 medical certification of eligibility from a health care provider to receive sick leave for any
11 non-FMLA, non-OFLA, non-protected Oregon Sick Leave, and non-Paid Leave Oregon
12 covered illness or injury under the following conditions:

13 i. The employee has been absent for more than
14 three (3) consecutive work days; or

15 ii. The employee has exhausted all sick leave; or

16 iii. The employee has had five (5) or more events with less
17 than twenty-four (24) hours' notice in a six (6) month period; or

18 iv. Management reasonably believes that the absence
19 may not be bona fide.

20 **2. Discipline**

21 Subject to the limitations of law, including but not limited to those of
22 the FMLA/OFLA, Oregon Sick Leave Law, and Paid Leave Oregon, discipline may be
23 imposed under the following conditions:

24 **a. Abuse of Sick Leave**

25 Misuse of leave, violation of orders, directives, or contractual
26 requirements concerning the use of sick leave and other forms of leave used in lieu of
27 sick leave are cause for disciplinary action.

28 **b. Use of Accrued Sick Leave**

29 i. Use of accrued sick leave, without abuse of such leave,
30 will not be cause for discipline.

1 ii. When the intermittent use of accrued sick leave or
2 other paid or unpaid leave used in lieu of sick leave interferes significantly with an
3 employee's ability to perform the duties of their job, management may do the following
4 (subject to the requirements of law, including, but not limited to, the FMLA, OFLA,
5 Oregon Sick Leave Law, and Paid Leave Oregon):

6 (a) Require the employee to take continuous leave;
7 or

8 (b) Change the employee's work assignment for
9 six (6) months or until use of intermittent leave ends, whichever comes sooner.

10 c. **Excessive Absenteeism**

11 The parties recognize that every employee has a duty to be
12 reliably present at work, and that failure to confine sick leave usage to accrued and
13 available sick leave raises the possibility of discipline for excessive absenteeism. Such
14 cases, however, are subject to just cause review and require systematic examination of
15 relevant factors, including but not limited to:

16 i. Any legal requirements, including, but not limited to
17 those of the FMLA, OFLA, Oregon Sick Leave Law, Paid Leave Oregon, or the ADA.

18 ii. The tenure and work history of the employee,
19 specifically to include whether there have been previous instances of this pattern of
20 absenteeism.

21 iii. Whether there is a likelihood of improvement within a
22 reasonable period of time based on credible medical evidence.

23 iv. The particular attendance requirements of the
24 employee's job.

25 v. The pattern of use, and whether the absences are
26 clearly for bona fide sick leave purposes.

27 C. **Sequencing of Leaves**

28 The use of vacation leave, saved holiday time, compensatory time, and
29 leave without County pay is subject to approval by management according to the
30 requirements of Articles 7, 8, 10 and 15, respectively. However, unless otherwise required
31 by law, forms of leave shall be used and exhausted in the following sequences:

1 1. Leave for illness or injury, that does not qualify for FMLA, OFLA, or
2 Paid Leave Oregon will be taken in the following order:

- 3 a. Sick leave until it is exhausted;
4 b. Vacation leave, saved holiday time, or compensatory time,
5 sequenced at the employee's option, until they are exhausted;
6 c. Leave without pay.

7 2. Leave that qualifies under FMLA/OFLA will be taken in the following
8 order:

9 Paid leave until it is exhausted; employees will determine what order
10 paid leave is used;

11 3. Leave that qualifies under Paid Leave Oregon can be taken as
12 unpaid or sequenced at employee's option.

13 4. Leave for other purposes will be taken in the following order:

- 14 a. Vacation leave, saved holiday time, or compensatory time,
15 sequenced at the employee's option (to the extent allowed by vacation sign-up provisions)
16 until they are exhausted; then
17 b. Leave without pay.

18 **D. Reinstatement of Sick Leave Accruals**

19 1. Any employee who leaves County employment and is subsequently
20 re-employed as a regular status employee within one hundred eighty (180) days is entitled
21 to credit for all sick leave accrued up to the last day of prior employment. Sick leave shall
22 not accrue during the period between leaving County employment and re-employment.

23 2. Any employee who leaves County employment and is subsequently
24 re-employed as a temporary status employee within one hundred eighty (180) days is
25 entitled to credit for sick leave accrued up to the last day of prior employment up to a
26 maximum of eighty (80) hours. Sick leave shall not accrue during the period between
27 leaving County employment and re-employment.

28 3. Any employee who is re-employed after more than one hundred
29 eighty (180) days is not entitled to credit for sick leave that accrued during prior County
30 service. Sick leave will begin accruing anew in accordance with applicable accrual
31 sections.

1 **4.** Employees who are laid off and recalled from a recall list, will have
2 their sick leave balance restored at the time they are recalled.

3 **5.** Employees who retire from County service under PERS full formula
4 or formula plus annuity and are subsequently re-employed by the County will not be
5 entitled to credit for sick leave accrued during prior County service. Sick leave will begin
6 accruing anew in accordance with applicable accrual sections.

7 **6.** Employees who retire under PERS money match or OPSRP who are
8 subsequently re-employed by the County within one hundred eighty (180) days of their
9 retirement date will be entitled to credit for all sick leave accrued up to the last day of prior
10 employment. Sick leave shall not accrue during the period between leaving County
11 employment and re-employment.

12 **E. Limitations on the Use of Leave Without Pay In Lieu of Sick Leave**

13 Use of leave without pay in lieu of sick leave for non-FMLA, non-OFLA, and
14 non-Paid Leave Oregon qualifying conditions is subject to the approval of management
15 and further subject to the following provisions:

16 **1. Continuous Leave**

17 In the event of a continuous leave of absence without County pay in
18 excess of any legal requirement of the FMLA, OFLA, or Paid Leave Oregon, the County
19 may require from the employee's physician, and/or arrange for the employee to see a
20 physician selected by the County to examine the employee and provide a statement of
21 the disability, current condition, and the anticipated length of current absence. If the
22 County requires the employee to see a physician it has selected, it will pay the costs. If
23 deemed necessary by the County, such an examination shall be repeated every
24 thirty (30) days. If management determines that continued leave would not be in the best
25 interest of the County, then any resulting termination would be subject to review under
26 the just cause standard as to the reasonableness of this determination. Following
27 six (6) months of leave without County pay, to include time spent on unpaid FMLA and/or
28 OFLA leave, any extension of the leave shall be deemed permissive on the part of the
29 County and if the employee's leave is not extended, and the employee does not return to
30 work, the employee will be deemed to have resigned.

1 **2. Intermittent Leave**

2 Intermittent leave without County pay used in lieu of sick leave is not
3 subject to the six (6) month entitlement provided for above. When such leave significantly
4 affects an employee's job performance and is not subject to the requirements of law
5 (including but not limited to the FMLA, OFLA, or Paid Leave Oregon), management may
6 evaluate the employee's use of leave according to the criteria of "Section B.2.c" above.
7 Medical information as provided for in "Section D.1" above may be required for the
8 evaluation. After completing the evaluation management may do one of the following:

9 a. Approve a similar pattern of intermittent use of unpaid leave
10 for a specified period followed by another evaluation; or

11 b. Put the employee on a work plan to manage the use of leave
12 without County pay, followed by disciplinary action if the plan is not successfully
13 completed; or

14 c. Proceed with the disciplinary process.

15 **F. Use of Paid Leave in Counting FMLA/OFLA Eligibility**

16 Only actual hours worked will be counted when reviewing the number of
17 hours worked to determine if an employee meets the minimum hours worked eligibility
18 requirements to be covered under FMLA and/or OFLA. Paid time off (such as vacation
19 leave, sick leave, and comp-time taken) does not count toward FMLA and OFLA eligibility
20 requirements.

21 **3. Fitness for Duty**

22 The parties recognize that employees have the responsibility to report to work fit
23 for duty. To ensure such fitness, management may send employees for medical or
24 psychological examination when the manager reasonably believes that the employee is
25 not fit for duty or may be a danger to themselves or others. Any such examinations will
26 be at County expense.

27 **4. Bereavement Leave**

28 A. An employee shall be granted not more than three (3) days leave of
29 absence with full pay in the event of death in the immediate family of the employee to
30 make household adjustments or to attend funeral services. If such funeral is beyond
31 three-hundred-fifty (350) miles, the employee may be granted up to three (3) additional

1 days with pay at the discretion of their manager for travel and personal considerations.
2 For purposes of Bereavement Leave, an employee's immediate family shall be defined
3 as the employee's spouse or domestic partner or the employee's, spouse's or domestic
4 partner's:

- 5 1. Parents;
- 6 2. Step-Parents;
- 7 3. Children;
- 8 4. Step-Children;
- 9 5. Siblings;
- 10 6. Step-Siblings;
- 11 7. Grandparents;
- 12 8. Grandchildren;
- 13 9. Parents-in-Law;
- 14 10. Siblings-in-Law;

15 **B.** Member of the employee's immediate household. Immediate household
16 shall be defined as any person residing at the employee's residence on a regular basis;
17 and

18 **C.** For any individual related by blood or affinity whose close association with
19 the employee is the equivalent of a family relationship listed above in Section 4.A. of this
20 article, such leave of absence shall be granted by the employee's manager. In the event
21 that the manager denies such a request for bereavement leave, the employee may
22 request review of the decision by the Department Director or their designee(s).

23 **D.** For the purpose of this section, an employee is entitled to receive the same
24 bereavement leave for their domestic partner, as designated in an Affidavit of Domestic
25 Partnership submitted to Employee Benefits, and family as for a spouse. In relationships
26 other than those set forth above, under exceptional circumstances, such leave of absence
27 may be granted by the County Chair or their designee(s) upon request.

28 **5. Paid Leave Oregon (PLO) Reopener**

29 The parties acknowledge that the County provided notice to the Union regarding
30 policy changes specific to Paid Leave Oregon (PLO) on June 20, 2023, and the Union
31 did not demand to bargain or propose any changes during successor contract

1 negotiations. If additional changes are made to County policy regarding PLO after
2 successor contract negotiations are completed, either party may exercise a reopener of
3 Article 9, Sick Leave. This reopener will be for the exclusive purpose of addressing new
4 impacts, effects, and/or changes to the Paid Leave Oregon (PLO) program and may
5 include, but not limited to, Personnel Rules and administrative policies. This reopener
6 will be subject to the same rules and bargaining process that pertains to full contract
7 successor negotiations.

9 insurance premium on behalf of a retiree and their eligible dependents from the retiree's

8 coverage under a plan that meets the minimum value requires set forth under the
9 Affordable Care Act (ACA), e.g., an employer-sponsored group medical plan. The retiree
10 must enroll within sixty (60) calendar days of loss of coverage under the non-County
11 group medical or dental plan. The effective date of coverage will be the first day of the
12 month on or after receipt of all enrollment forms.

13 **I. State and Federal Tax Offset**

14 In the event County medical insurance premium payments on behalf of
15 retirees or their dependents are made subject to state or federal taxation, any additional
16 costs to the County shall be directly offset against such payments required under this
17 section. (For example, if the effect on the County of the additional tax is to increase the
18 County's outlay by an amount equivalent to ten percent (10%) of aggregate monthly
19 retiree premium, the County's contribution shall be reduced to forty percent (40%) of
20 premium so that net County costs will remain unchanged.)

The certification can be delivered to the County by the employee. 2 Compensation regulations) subject to the following conditions:

3 1. Supplemental benefits shall only be payable for those days an
4 employee is receiving time loss benefits pursuant to Oregon Workers' Compensation
5 Law. Supplemental benefits shall be paid for no more than three-hundred twenty (320)

17 Compensation time loss, be subject to the provisions of Article 9, Sick Leave.

18 2. If a Workers' Compensation claim, which has been denied, is later
19 held compensable upon appeal, any compensation disbursed for paid leave taken in lieu
20 of compensable shall be reimbursed by the employee to the County and the employee's
21 sick leave account credited with an equivalent number of days.

22 3. If an employee's Workers' Compensation claim is under appeal, and
23 the employee is no longer entitled to medical/dental coverage under Article 11, Health
24 and Welfare, they will be entitled to continued coverage under federal COBRA law. The
25 duration of such coverage will be for six (6) months or the legally mandated period,
26 whichever is greater, provided that the employee continues to be eligible and pays the

17 will be covered through the self-insured program as outlined in Section 1.

18 **B.** Out-of-state teleworking employees are either covered by the self-insured

20 that individual state in conjunction with the nature of the telework assignment.

21 **C.** When an out-of-state policy is applicable, the rules and coverage benefits
22 will be dictated by that state's regulations including supplemental benefits as defined in
23 Section 1.C. above. There may also be documentation requirements for employees
24 before supplemental benefits can be paid. Employees will not be concurrently insured
25 through the Oregon self-insured program.

26 **D.** To the extent not compensated by Workers' Compensation benefits, the
27 hours missed on the first day of occupational disability shall be compensated as time

Except for emergency situations and during the duration of the emergency, work schedules for any work shift shall not be changed unless ten (10) work days' written notice is given to the affected employees.

4. Reduced Work Week

In the event that the financial budget situation of the County requires a reduced workweek for employees covered by this Agreement, the parties agree to meet and discuss scheduling problems, which may arise. Such meeting shall be held prior to implementation of the reduced workweek.

5. Rest Periods

All employees' work schedules shall provide for a fifteen-(15) minute rest period during each one-half (1/2) shift. Rest periods shall be scheduled at the middle of each one-half (1/2) shift whenever feasible. Employees who, for any reason, work beyond their regular quitting time into the next shift shall receive a fifteen (15) minute rest period before

The County shall provide the required facilities for the employee's clean up. Neither party to this Agreement shall construe "clean-up time" to mean "quit-early time" or "leave-early time."

8. Uniform Time Charging Provisions

A. Rounding Rule

Time charged for all leaves and compensation for time worked under the terms of this Agreement shall be subject to rounding to the nearest quarter (1/4) of an hour in accordance with the following rules:

1. 0 - 7 minutes rounds to 0 hours
2. 8 - 15 minutes rounds to 1/4 hour

B. Applications

1. Lateness

An employee who is seven (7) minutes or less late shall be paid for a full shift. An employee who is eight (8) to fifteen (15) minutes late shall not be paid for one quarter (1/4) of an hour.

2. Working Over

An employee who works over less than eight (8) minutes shall not be compensated. An employee who works eight (8) to fifteen (15) minutes over shall be compensated one quarter (1/4) of an hour at the appropriate rate of pay in accordance

with Article 15, Wages.

3. Leaves

Late and early return from leaves shall be subject to the same rounding practice as specified above.

4. Management and Employee Rights

The right of management to discipline employees for tardiness is not waived by the above rounding provisions, nor shall the above provision be construed as a right for management to extend the end of the working day beyond the normally scheduled ending time.

9. Time Between Shifts

There shall be a minimum of eight (8) hours between regular scheduled shifts. Employees who have completed their regular shift and are required to work an additional continuous eight (8) hours shall be granted four (4) hours of rest with pay at the straight pay hourly rate. The rest pay provisions shall apply to the employee's first four (4) hours of their next shift and only occurs when the next regular shift begins within twelve (12) hours of the end of the continuous work period.

10. County Closures and Curtailments

A. General

1. All employees are expected to make every effort to attend work and serve the public during inclement weather, natural disaster, or community emergency unless released from reporting by their manager or other authorized management representative.

2. The County Chair, Chair's Chief-Of-Staff, Chief Operations Officer, or other Chair designee may make countywide facility closure or operations curtailment decisions. Those executives, and Department Directors and their designees, may make Department facility closure or operations curtailment decisions.

3. The County reserves the right to maintain and revise policy regarding inclement weather, a natural disaster, or community emergency, as relates to facility closure and operations curtailment, attendance at work, and reassignment of staff to other temporary work locations. The County further reserves the right to determine whether or not a specific event qualifies under the terms of such policy.

B. Operationally Essential Assignments

1. All Local 1094 employees are designated as operationally essential ("Essential") and are required to report for duty regardless of facility closure or curtailment of some or all County operations. An employee who does not report to work or who reports late shall time-code the absence as leave without pay, or may charge it to compensatory time off, holiday, or vacation leave.

2. Employees will be entitled to Operationally Essential Assignment Compensation as described in Article 15.15.

3. Employees who were already scheduled for paid leave remain in that leave status.

4. Operationally essential employees may be directed to work remotely or in person during a County closure or curtailment, based upon management discretion and operational needs.

C. Non-Routine Emergency Operations, Support, and Response

a. All County employees have a role in serving the public during inclement weather, natural disaster, or other types of community emergency response.

b. In the event of inclement weather, natural disaster, or community emergency response requiring non-routine emergency operations and support, the County may designate positions and/or job profiles as indispensable to the County's response operations and those employees shall be required to report for duty.

c. During these emergency responses, while it typically begins with a call for volunteers, County employees may ultimately be reassigned from their current position to a role in the emergency response in order to support the critical needs presented by our communities. In such a circumstance, provisions concerning notice, posting, and changes to work schedules as described in this article are suspended.

D. Hardship Requests During Natural Disasters and Community Emergencies

The County recognizes the scope and intensity of potential natural disasters and community emergencies that could be experienced by County employees. While employees are expected to make reasonable efforts to perform the duties of their job during an emergency, the County will also make reasonable efforts to accommodate

- 1 impacted employee requests for leave or alternative places to work during such
- 2 emergencies, such as another County building that is closer to the employee's home,
- 3 another public sector jurisdiction that is closer to the employee's home and with which the
- 4 County has a reciprocal agreement, or the ability to telework from home.

1. Effective July 1, 2023, employees shall be compensated in accordance with the wage schedule attached to this Agreement and marked Addendum A. Said schedule reflects a cost of living increase of five percent (5%) effective July 1, 2023.

2. Additionally, regular and limited duration IUPAT Local 1094 employees covered by this Agreement will be eligible upon full ratification of this contract for a one-time retention incentive of \$2,500, prorated by FTE (as of date of ratification), to address current job market conditions and employee retention.

B. Wage Rates for FY 2024-2025 (July 1, 2024 - June 30, 2025)

1. Effective July 1, 2024, the wage rates for employees for FY 2024 -2025 (July 1, 2024 - June 30, 2025) shall be adjusted by the same percentage general COLA adjustment agreed to by IBEW Local 48.

2. Additionally, effective on July 1, 2024, regular and limited duration IUPAT Local 1094 employees covered by this Agreement will receive a one-time retention incentive of \$2,000, prorated by FTE (as of date of July 1, 2024), to address current job market conditions and employee retention.

C. Wage Rates for FY 2025 - 2026 (July 1, 2025 - June 30, 2026)

Effective July 1, 2025, the wage rates for employees for FY 2025 - 2026 (July 1, 2025 - June 30, 2026) shall be adjusted by the same percentage general COLA adjustment agreed to by IBEW Local 48.

D. Wage Rates for FY 2026 - 2027 (July 1, 2026 - June 30, 2027)

Effective July 1, 2026, the wage rates for employees for FY 2026 - 2027 (July 1, 2026 - June 30, 2027) shall be adjusted by the same percentage general COLA adjustment agreed to by IBEW Local 48.

Employees shall be paid on a twice a month basis. The pay periods shall be

the 1st through the 15th of each month and the 16th through the end of each month. Employees will be paid on the 15th of each month for hours worked during the second pay period of the preceding month, and on the last business day of each month for hours worked during the first pay period of that month; provided, however, that if either date falls on a Saturday, Sunday, or Holiday, the pay date will be the preceding business day.

3. Reporting Time

An employee who is scheduled to report for work as scheduled, but where work is not available for him or her, shall be excused from duty and paid at his or her regular rate for a day's work.

4. Call-In Time

Employees who participate in the On-Call program or accept an emergency "Call-In" shall be paid for a minimum of four (4) hours of call-in pay at the rate of time and one-half (1.5) except that an employee called to work within two (2) hours of the commencement of their scheduled shift shall be paid at the rate of one and one-half (1.5) times the employee's regular straight time rate only for the period elapsed from the commencement of the call-out to the commencement of the shift.

It is the understanding of the parties that the four-hour period for a Call-In commences with the acceptance of the call-in assignment and ends four (4) hours later. For instance, an employee that accepts a call-in assignment at eight o'clock (8:00) a.m. will receive call-in pay through twelve o'clock (12:00) p.m.

A. Emergency call-ins that occur within the first three (3) hours and forty-five (45) minutes of the call-in period will be considered part of the original call-in time. If the duration of the assignment(s) extends past the end of the original four (4) hour call-in time, the employee will receive call-in pay through the duration of the assignment(s). For example, an employee that began their call-in pay period at 8:00 a.m. and receives an additional emergency assignment at 11:00 a.m. will receive only one (1) call-in pay period; however, if the 11:00 a.m. work is not completed until 1:00 p.m., the employee would receive five (5) hours of call-in pay.

B. Emergency call-ins that occur during the last fifteen (15) minutes of the original call-in period will be considered a new call-in and the employee will receive an additional four (4) hours of call-in commencing at the acceptance of the call-in assignment

1 and ending four (4) hours later. For example, an employee that began their call-in pay
2 period at 8:00 a.m. and the call received at 11:45 a.m. will begin a second four (4) hour
3 call-in period ending at 3:45 p.m.

4 **C.** Employees will only be called out and remain working for bona fide urgent
5 and immediate operational needs. Call-in time will not be used for assigning (stacking)
6 routine work. The employer may also assign an employee who may be subject to call-out
7 a County vehicle, which the employee shall use solely for performing County business
8 and for commuting to and from work. The assignment of the vehicle shall be voluntary,
9 except that it may be made mandatory in the event of an emergency or if the public health
10 or safety may be in jeopardy. The vehicle assignment may be rescinded at the employer's
11 discretion. If such an assignment is made, the employee shall not be charged for such a
12 vehicle.

13 **5. Overtime**

14 **A. Time and One-Half**

15 Employees will be compensated at the rate of one and one-half (1 ½) times

18 forty (40) hour-a-week employee; or

6. Compensatory Time

Compensatory time may be accrued by agreement between the County and the employee with the following limitations. Specifically, in lieu of overtime pay, an employee may, with managerial approval, elect to accrue compensatory time equivalent to the applicable overtime rate for each hour of overtime worked provided:

A. The maximum allowable accumulation of compensatory time off shall be eighty (80) hours.

B. Accrued compensatory time off shall be used at the discretion of the employee with the manager's consent.

In the event the employee terminates for any reason, accrued compensatory time shall be paid to the employee or their heirs.

7. Overtime Distribution

Overtime work shall be distributed equally among employees within the same job profile in each agency; provided, however, that exceptions may be made subject to mutual approval of the County and the Union.

A record of overtime hours worked shall be made available to employees upon request to their manager.

There shall be no discrimination against any employee who declines to work overtime. Overtime work shall be voluntary except in cases where, in the County's judgment, the public health, safety, and welfare may be jeopardized.

8. Mileage Pay

Whenever an employee is required to work at any location other than their regular place of reporting, they shall be paid at the rate of twenty cents (\$0.20) per mile or the I.R.S. rate, whichever is greater, from their regular reporting place for the use of their personal transportation to and from the temporary new locations. All employees shall be allowed pay from the time of reporting to their regular reporting place, and this shall end when they return to their regular reporting place.

9. Height Time Differential Pay

When employees covered by this Agreement are performing painting on a

structure at or above the fifty (50) foot level directly above the ground, floor, roadway, roof or water, the wage rate for such work shall be that to which the employee is normally entitled plus an additional sixty cents (\$0.60) differential for each hour that the employee is performing such work.

10. Shift Differential

In addition to the established wage rates, the County shall pay the following:

A. Swing Shift Premium

An hourly premium of one dollar and seventy-five cents (\$1.75) to employees for all hours worked on shifts beginning between the hours of twelve (12:00) p.m. and six-fifty-nine (6:59) p.m.

An employee who transfers into an Operationally Essential Assignment on or after January 1, but before February 15 of the same fiscal year, will receive one (1) saved holiday effective to the date of their transfer. An employee who transfers into an Operationally Assignment after February 15 will receive no saved holiday for the fiscal year.

This does not include areas that are not jail side or where justice-involved incarcerated individuals do not have access, such as administrative areas or control booths.

1 **B.** An employee whose primary work location is jail side, as defined in
2 Section 16.A.2. above, and routinely works more than fifty percent (50%) of their time jail

10 **A. Unauthorized Overpayments**

11 Any employee who receives payments to which they are not entitled,
12 including but not limited to premium pay, shift differential, overtime pay, step increases,
13 or any other salary, wage, or reimbursement which is not authorized by this contract or
14 County Personnel Rules, and which the employee knew or reasonably should have
15 known they were not entitled to receive, shall reimburse the County for the full amount of
16 the overpayment.

17 **B. Payments in Error**

5 reprimand, demotion, reduction in pay, or dismissal; provided, however, that such action

If the grievance has not been answered or resolved, it may be presented in writing by the employee or their representative to the Department Director within ten (10) working days after the response is due from the manager. The Department Director shall respond to the employee or their representative, in writing, within ten (10) working days.

C. Step III - Labor Relations

If the grievance has not been answered or resolved at Step II, it may be presented, in writing, by the grievant to Labor Relations, within ten (10) working days after the response of the Department Director is due. Labor Relations shall respond in writing to the grievant within ten (10) working days.

D. County Grievances

When the County has a grievance, it may be presented in writing to the Union through the Chief Human Resources Officer (CHRO) in Central Human Resources

1 or their representative. The parties will each then promptly appoint two (2) persons to
2 serve as a Board of Adjustment to consider the grievance of the County and resolve the
3 dispute. If the Board of Adjustment is unable to resolve the dispute within ten (10) days
4 of the notification to the Union, then the County may request arbitration under Step V of
5 this Grievance Procedure, by written notice to the other party. This procedure for County
6 grievances is not exclusive and the County expressly retains the right to alternately
7 proceed with any other action, including court proceedings, it may deem in its discretion
8 to be advisable or warranted.

9 **E. Step IV - Request for Arbitration**

10 If the grievance has not been answered or resolved at Step III, either party
11 may, within ten (10) working days after the expiration of the time limit specified in Step III,
12 request arbitration by written notice to the other party.

13 **F. Step V - Arbitration**

14 After the grievance has been submitted to arbitration, the parties, or their
15 representatives, shall jointly request the Oregon Mediation and Conciliation Service for a
16 list of the names of seven (7) arbitrators. The parties shall select an arbitrator from the list
17 by mutual agreement. If the parties are unable to agree on a method, the arbitrator will
18 be chosen by the method of alternate striking of names; the order of striking to be
19 determined by lot. One (1) day shall be allowed for the striking of each name. The final
20 name left on the list shall be the arbitrator. Nothing in this section shall prohibit the parties
21 from agreeing upon a permanent arbitrator or permanent list.

22 The arbitrator shall be requested to begin taking evidence and testimony
23 within a reasonable period after submission of the request for arbitration taking into
24 account the schedules of the parties' representatives, the arbitrator, and witnesses; and
25 the arbitrator shall be requested to issue their decision within thirty (30) days after the
26 conclusion of testimony and argument. The parties hereby vest the arbitrator with
27 authority to compel the attendance of witnesses on behalf of either party by issuance of
28 a subpoena, the cost of which shall be borne by the party requesting the subpoena.

29 The arbitrator's decision shall be final and binding, but they shall have no
30 power to alter, modify, amend, add to, or detract from the terms of the Contract. The
31 arbitrator's decision shall be within the scope and terms of the Contract and in writing.

Any decision of the arbitrator may provide for retroactivity not exceeding sixty (60) days prior to the date the grievance was first filed with the manager and it shall state the effective date of the award.

Expenses for the arbitration shall be borne by the losing party. Each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim recording of the proceedings, it may cause such a record to be made on the condition that it pays for the record and makes copies available without charge to the other party and the arbitrator.

Any time limits specified in the grievance procedure may be waived by mutual consent of the parties. A grievance may be terminated at any time upon receipt of a signed statement from the aggrieved party that the matter has been resolved.

2. Stewards and the Processing of Grievances

A. Employees selected or elected by the Union as employee representatives shall be known as "stewards". The names of the stewards and the names of other Union representatives who may represent employees shall be certified in writing to the County by the Union. Stewards may investigate and process grievances during working hours without loss of pay and all efforts will be made to avoid disruptions and interruptions of work.

B. Departure from the established Grievance Procedure outlined in this article by any employee shall automatically nullify the Union's obligation to process the grievance.

C. In no event may the Union or the aggrieved employee initiate a grievance under the procedure so outlined in this article where more than sixty (60) days have elapsed since the occurrence of the grievance; however, in no way is this provision to be interpreted as affecting the pursuance of grievances which are of a continuing nature (i.e., the breach continues and is not a single isolated incident).

13. Bus Pass

A. Statement of Purpose

For the purposes of encouraging employees to use mass transit as part of the County's ride reduction program under the Oregon Department of Environmental Quality (DEQ)'s Employee Commute Options (ECO) mandate, as well as part of the County's commitment to limiting traffic congestion and promoting clean air, each employee shall be eligible to receive a bus pass entirely subsidized by the County for the employee's personal use while employed by the County. Employees' bus pass will be inactivated upon termination of County employment.

B. Scope of Subsidy

1. The County will provide a one-hundred percent (100%) subsidy for employee Tri-Met Universal Bus Pass. However, the County may require that the employee pay a percentage if the County's subsidy exceeds the IRS standard for a de minimis employee benefit.

It will be the employee's responsibility to request the pass from the Employee Benefits Office. Instructions for obtaining the pass will be available through Employee Benefits and will be included in the new hire process.

2. This program is offered only by Tri-Met. C-Tran will honor the Tri-Met Universal bus pass on all C-Tran regular routes (C-Tran Express routes are excluded).

Such standards shall be individually stated to each affected employee in order to assure advance comprehension and understanding of performance requirements. No employee shall be subject to disciplinary action for failure to meet standards of performance unless such employee has been fully advised of such expected performance standards, in advance of the work period in question.

ARTICLE 20

SAFETY AND HEALTH IN THE WORKPLACE

1. Policy Statement

It is agreed that occupational safety and health must be a priority of the County and its employees. Therefore, the County accepts its responsibility to provide safe workplaces, safe working conditions, appropriate safety training, tools, equipment, Personal Protective Equipment (PPE) per ORS 437-002-0134, and to establish safe working procedures for its employees. The employee(s) accepts the responsibility to follow all safety rules and participate in required job or task specific safety training provided by the County.

2. Reporting Unsafe Conditions and Employee Rights to Refuse Work

A. Employees are responsible for reporting recognized hazards, unsafe conditions or practices; the County is responsible for correcting unsafe conditions or practices. Employees are responsible for properly using and caring for facilities, vehicles, equipment, tools, and supplies provided by the County and the County is responsible for safe and proper care of the same. Risk Management Administrative Procedures provides employees a reporting mechanism for reporting unsafe conditions or unsafe acts to the County as required by ORS 437-001-0765. The responsible manager shall timely investigate all reports of unsafe conditions or acts and ensure that reports with findings and corrective actions are reported to the safety committee, the Risk Management, and Workplace Security Director.

B. The County and the Union take note of Federal OSHA regulations related to an employee's rights and responsibilities if they are confronted with an assignment that places them in imminent danger.

3. Safety Records and Disclosure to Employees

Employee exposure records (environmental monitoring and Safety Data Sheets), and accident/incident reports, including but not limited to OSHA 300 Logs, shall be made available to the employee and their designated representative. A summary of the OSHA 300 Log will be posted prominently in the workplace per ORS 437-001-0700.

1 **4. Violence in the Workplace**

2 The County is committed to providing its employees with a workplace free of
3 hostility, intimidation, harassment and other unacceptable violent behavior. This includes
4 a work environment supportive of employees who are victims of domestic violence.
5 Employees are expected to report to their managers any workplace violence they
6 experience or observe regardless of its origin. If an employee directly experiences
7 workplace violence, they are expected to also complete the required Risk Management
8 forms. The County is responsible for investigating these reports, taking appropriate and
9 necessary action to maintain a safe work environment. If an employee reports a credible
10 threat of violence to their manager, the manager will immediately report it to the
11 Workplace Security Director and the County will take appropriate measures to ensure
12 enhanced security measures are considered that address safety of employees and the
13 public including but not limited to causing a Risk Assessment to be conducted for the
14 situation. Any Risk Assessment will include actionable loss prevention items and an
15 implementation strategy. The County will promptly report the findings of the Risk
16 Assessment to the reporting employee and to the Union. This may result in exclusions
17 of the offending individuals from County facilities when appropriate and lawful.

18 **5. Staffing**

19 Management has the right to determine staffing and establish any minimum
20 staffing requirements. The County will staff appropriately for the safety of employees,
21 clients and members of the public.

ARTICLE 21

SAVINGS CLAUSE AND FUNDING

1. Savings Clause

Should any article, section, or portion thereof, of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, or any administrative agency having jurisdiction over the subject matter, such decision shall apply only to the specific article, section, or portion thereof directly specified in the decision. Upon the issuance of any such decision, the parties agree immediately to attempt to negotiate a substitute, if possible, for the invalidated article, section, or portion thereof. All other portions of this Agreement, and the Agreement as a whole, shall continue without interruption for the term hereof.

2. Funding

The parties recognize that revenue needed to fund the wages and benefits provided by the Agreement must be approved annually by established budget procedures. All such wages and benefits are, therefore, contingent upon sources of revenue and annual budget approval. The County has no intention of cutting the wages and benefits specified in this Agreement because of budgetary limitations, but cannot and does not guarantee any level of employment in the bargaining unit covered by this Agreement. The County agrees to include in its annual budget request amounts sufficient to fund the wages and benefits provided by this Agreement, but makes no guarantee as to the passage of such budget request pursuant to established budget procedures. This Section 2 and County action hereunder shall not be subject to the Resolution of Disputes Procedures hereinbefore set out.

ARTICLE 22
ENTIRE AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement constitutes the sole and entire existing Agreement between the parties. Except as specifically modified by or treated in this Agreement, all policies, matters, questions and terms affecting unit employees in their employment relationship with the County shall be governed by Article 4, Management Rights, unless such rights are specifically limited by the Multnomah County Code Chapter 9 or its successor and the Personnel Rules. The County and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and agrees that the other shall not be obliged, to bargain collectively with respect to any subject or matter referred to or covered by this agreement, even though such subject or matter may not have been within the knowledge or contemplation of either party or both parties at the time that they negotiated and signed this Agreement.

Nothing in this article shall preclude the parties during the term of this Agreement from voluntarily entering into amendments to the Agreement, nor shall the Union and the County Chair, their designee(s) for Labor Relations, be precluded from voluntarily entering into memoranda of understanding, interpretation, or exception concerning matters of contract administration.

ADDENDUM B
DRUG AND ALCOHOL POLICY

1. Drug Free Workplace Act

Multnomah County, in keeping with the provisions of the federal Drug Free Workplace Act of 1988, is committed to establishing and maintaining a work place, which is free of alcohol and drugs and free of the effects of prohibited alcohol and drug use.

2. Holders of Commercial Drivers Licenses

While references to rules governing holders of Commercial Drivers Licenses (CDL's) are included below, they are not comprehensive. CDL holders are responsible for complying with all laws, work rules, or County procedures pertaining to them, in addition to the requirements of this addendum.

3. Alcohol and Drug Policy Work Rules and Discipline

A. Conduct Warranting Discipline

1. While on duty, or on County premises, or operating County vehicles employees shall obey the work rules listed in "Section B" below. As with all work rules, violations may result in discipline per the provisions of Article 16, Disciplinary Action.

2. Employees will not be subject to discipline for seeking treatment for alcohol or drug dependency. However, employees will be held fully accountable for their behavior. Seeking treatment will not mitigate discipline for rule violations or other unacceptable conduct caused by such dependency.

B. Work Rules

1. Possession, Consumption, and Distribution of Alcohol and Drugs While on Duty

Employees shall:

a. Not possess, consume, manufacture, distribute, cause to be brought, dispense, or sell alcohol or alcohol containers in or to the work place except when lawfully required as part of the job. An exception will be sealed alcohol containers for gift purposes; managers must be notified when such containers are brought to the work place. The "work place" includes vehicles parked on County property.

b. Not possess, consume, manufacture, distribute, cause to be

brought, dispense, or sell illegal drugs or drug paraphernalia, in or to the work place except when lawfully required as part of the job.

c. Not distribute, dispense or sell prescription medications except when lawfully required as part of the job.

d. Not possess or consume prescription medications without a valid prescription.

2. Possession, Consumption, and Distribution of Alcohol and Drugs While off Duty on County Premises

Employees shall:

a. Not use, possess, or distribute illegal drugs.

b. Not use or distribute alcohol without authorization.

3. Fitness for Duty

Employees shall:

a. Not report for duty while “under the influence” of alcohol or drugs. An individual is considered to be “under the influence” of alcohol if a breathalyzer test indicates the presence of alcohol at or above the four one hundredths percent (.04%) level. An individual is considered to be “under the influence” of drugs when testing indicates the presence of controlled substances at or above the levels applying to CDL holders.

b. Not render themselves unfit to fully perform work duties because of the use of alcohol or illegal drugs, or because of the abuse of prescription or non-prescription medications.

c. Comply with legally mandated occupational requirements, whether or not they are specifically included in this policy. For example, by law holders of CDL’s may not perform safety sensitive functions, such as driving, at or above the two one-hundredths percent (.02%) level.

d. Not be absent from work because of the use of alcohol or illegal drugs, or because of the abuse of prescription or non-prescription medications, except when absent to participate in a bona fide assessment and rehabilitation program while on FMLA and/or OFLA leave.

e. Inform themselves of the effects of any prescription or non-

1 prescription medications by obtaining information from health care providers,
2 pharmacists, medication packages and brochures, or other authoritative sources in
3 advance of performing work duties.

4 f. Notify their manager in advance when their use of prescription
5 or non-prescription medications may impair the employee's ability to perform the essential
6 functions of their position that will result in a direct threat to others. Such employees
7 include, but are not limited to, sworn officers, holders of a CDL, and those handling
8 hazardous equipment or materials. Employees who drive a motor vehicle as part of their
9 job, whether a County vehicle or their personal vehicle, should report when they are taking
10 any medication that may impair their ability to drive.

11 4. **Cooperation with Policy Administration**

12 Employees shall:

13 a. Not interfere with the administration of this Drug and Alcohol
14 Policy. Examples include, but are not limited to, the following: tainting, tampering, or
15 substitution of urine samples; falsifying information regarding the use of prescribed
16 medications or controlled substances; or failure to cooperate with any tests outlined in
17 this policy to determine the presence of drugs or alcohol.

18 b. Provide to Human Resources within twenty-four (24) hours of
19 request a current valid prescription in the employee's name for any drug or medication
20 which the employee alleges gave rise to reasonable suspicion of being under the
21 influence of alcohol or drugs.

22 c. Respond fully and accurately to inquiries from the County's
23 Medical Review Officer (MRO); authorize MRO contact with treating health care providers
24 upon request.

25 d. Complete any assessments or treatment programs required
26 under this Policy.

27 e. Sign a waiver upon request authorizing treatment providers
28 to disclose confidential information necessary to verify successful completion of any
29 assessment or treatment program required under this Policy.

30 f. Disclose promptly (upon the next working day) and fully to
31 their manager:

i. All drug or alcohol-related arrests, citations, convictions, guilty pleas, no contest pleas or diversions which resulted from conduct which occurred while the employee was on duty, on County property, or in a County vehicle; or

ii. Any other violation of laws regulating use of alcohol and controlled substances which adversely affects an employee's ability to perform major job functions, specifically to include loss or limitation of driving privileges when the employee's job is identified as requiring a valid license.

C. Levels of Discipline

1. The level of discipline imposed on non-probationary employees for violation of the Alcohol and Drug Policy Work Rules above or other violations resulting from the use of alcohol or drugs will be according to the provisions of Article 16, Disciplinary Action.

2. Employees will be held fully accountable for their behavior. Use of alcohol or drugs, or alcohol or drug dependency, will not mitigate the discipline imposed for rule violations, misconduct, or poor performance except as specifically provided in the section on last chance agreements below.

3. The Parties acknowledge that, all other things being equal, certain duties imply a higher standard of accountability for compliance with the requirements of this policy than others. These duties include, but are not limited to, the following:

- a. carrying firearms
- b. work in the criminal justice system
- c. responsibility for public safety or the safety of co-workers
- d. handling narcotics or other controlled substances
- e. handling hazardous equipment or materials
- f. influencing the behavior of minors
- g. holding a Commercial Driver's License

4. In instances in which the County determines that an employee's conduct warrants termination, the County may offer the employee continued employment under the terms of a last chance agreement if there are mitigating circumstances, such as a substance abuse dependency or other good cause. An example of a Last Chance

Agreement is included as an attachment to this addendum.

a. Any Last Chance Agreement will include but not be limited to, the following:

i. the requirement that the employee enroll, participate in, and successfully complete a treatment program as recommended by the Substance Abuse Professional;

ii. the right for the County to administer any number of unannounced follow up drug or alcohol tests at any time during the work day for a period of two (2) years from completion of any required treatment or education program;

iii. the signatures of the employee's manager, the employee, and the employee's Union representative.

b. The offer of a Last Chance Agreement will not set precedent for the discipline of other employees in the future. Any discipline incorporated in a Last Chance Agreement may not be grieved under the provisions of Article 17, Settlement of Disputes.

D. Mandatory Assessment and Treatment

1. Employees who are disciplined for conduct which is related to the use of alcohol or drugs may be required to undergo assessment and to complete a program of education and/or treatment prescribed by a Substance Abuse Professional selected by the County. Employees who test positive for alcohol or controlled substances will be required to undergo assessment at the earliest opportunity, regardless of whether disciplinary action has been taken.

2. The County will verify employees' attendance, and that the assessment and treatment have been completed. This verification and any other information concerning alcohol and drug dependency will be treated as confidential medical information per applicable state and federal law and County Administrative Procedures.

3. Policy on the use of leave for assessment and treatment will be the same as for any other illness.

E. Return to Work Testing

Employees who test positive for being "under the influence" of drugs will be

required to test negative before returning to work. (Note that Federal law requires CDL holders performing safety sensitive functions to undergo return to work testing after a positive alcohol or drug test.)

4. Testing

A. Basis for Testing

1. All employees may be tested:

a. based on reasonable suspicion of being “under the influence” of alcohol or prohibited drugs;

b. before returning to work after testing positive for being “under the influence” of alcohol or drugs;

c. as part of a program of unannounced follow-up testing provided for in a Last Chance Agreement.

2. An employee applying for a different County position will be subject to testing on the same basis, and using the same procedures and methods, as outside applicants.

3. Holders of Commercial Drivers Licenses (CDLs) and Bridge Operators shall be subject to the testing requirements of federal law, in addition to the requirements herein which apply to all employees. For example, unlike other employees, CDL holders will be subject to legally required random testing and testing following certain kinds of accidents.

B. Establishing Reasonable Suspicion

1. Definition

“Reasonable suspicion” is a set of objective and specific observations or facts which lead a manager to suspect that an employee is under the influence of drugs, controlled substances, or alcohol. Examples include, but are not limited to: slurred speech, alcohol on the breath, loss of balance or coordination, dilated or constricted pupils, apparent hallucinations, high absenteeism or a persistent pattern of unexplained absenteeism, erratic work performance, persistent poor judgment, difficulty concentrating, theft from office or from other persons, unexplained absences during office hours, or employee's admission of use of prohibited substances.

1 **2. Supervisory Training**

2 The County will provide training to all managers on establishing
3 reasonable suspicion and the nature of alcohol and drug dependency. Managers who
4 have not been trained will not have the authority to direct employees to be tested on the
5 basis of reasonable suspicion of being under the influence.

6 **3. Lead Workers**

7 Lead workers who oversee day-to-day work activities are
8 “managers” for the purposes of establishing reasonable suspicion and directing
9 employees to be tested on that basis. This provision applies to lead workers who
10 supervise or act as lead workers as part of their position description.

11 **4. Additional Precautions**

12 Application of the "Reasonable Suspicion" standard to any employee
13 in this bargaining unit shall include the following additional precautions:

14 **a.** The manager shall articulate orally a summary of the specific
15 facts which form the basis for believing that the employee is under the influence of drugs
16 or alcohol; and

17 **b.** The manager shall provide upon request within
18 forty-eight (48) hours of the oral determination of "reasonable suspicion" a written
19 specification of the grounds for reasonable suspicion; and

20 **c.** Except in field or shift circumstances which render contact
21 difficult, no manager shall refer an employee for a drug or alcohol test based on
22 "reasonable suspicion" unless the manager has consulted with another manager
23 regarding the grounds for the suspicion.

24 **C. Testing Methodology**

25 Testing procedures for all employees will be governed by the same
26 standards as apply to CDL drivers under federal law. These standards include, but are
27 not limited to, those governing sample acquisition, the chain of custody, laboratory
28 selection, testing methods and procedures, and verification of test results.

29 **1. Drug Testing**

30 **a.** Drug tests are conducted using urine specimens. In
31 accordance with CDL standards, the County will contract with a medical doctor trained in

1 toxicology to act as an MRO (Medical Review Officer). In the case of positive tests, the
2 MRO will attempt to contact employees to review preliminary positive test results with
3 employees and any relevant health care providers before the results are reported to the
4 County. Based on the MRO's professional judgment, they may change the preliminary
5 test result to negative. The County will not be able to distinguish a test result that is
6 negative by MRO intervention from any other negative result.

7 **b.** In addition to compliance with federal guidelines, the following
8 safeguards will also be applied:

9 **i.** Test results will be issued by the MRO or the testing
10 laboratory only to the County's Drug and Alcohol Policy Coordinator. The results will be
11 sent by certified mail or hand-delivered to the employee within three (3) working days of
12 receipt of results by the County.

13 **ii. Appeals**

14 If an employee disagrees with the results of the drug
15 test, the employee may request, in writing, within five (5) days of receipt of test results,
16 that the original sample be re-tested at the employee's expense by the testing laboratory.

24
25 The following agreement is entered into between Multnomah County and the Employee.
26 Failure on the part of the employee to meet the expectations below will result in the
27 termination of their employment with the County.

28
29 **1.** I agree to be evaluated by a qualified alcohol/substance abuse counselor, and if
30 required, I shall immediately enroll and continue in a bona fide alcohol/drug inpatient or
31 outpatient rehabilitation program approved by the County. I fully understand that should

1 I fail to complete either the inpatient or outpatient program, my employment with the
2 County will be terminated.

3
4 **2.** I agree to comply with and complete the conditions of my "Aftercare Plan" as
5 recommended by my treatment counselor. If I must be absent from my aftercare session,
6 I must notify the County. The County has my permission to verify my attendance at
7 required meetings. If I do not continue in the aftercare program, I understand that my
8 employment will be terminated.

9
10 **3.** I understand that the signing of this agreement shall allow the County the right to
11 communicate with my physician and/or counselors regarding my status and progress of
12 rehabilitation and aftercare. I further agree to sign any authorization or release of
13 information necessary to allow for such communication.

14
15 **4.** I agree to submit to periodic, unannounced, unscheduled drug or alcohol testing
16 (urinalysis and breath test) by the County for a period of twenty-four (24) months from the
17 date I return to work. (This time period will increase accordingly if I am absent from work,
18 for any reason, for a cumulative period of one (1) month or more.) I understand that if I
19 refuse to take a drug and/or alcohol test or if a test is positive, my employment will be
20 terminated.

21
22 **5.** I agree to return to work upon successful completion of an alcohol/drug
23 rehabilitation program if my substance abuse counselor requires inpatient treatment.

24
25 **6.** It is understood that this agreement constitutes a final warning.

26
27 **7.** I understand the Employee Assistance Program is available to me should personal
28 problems arise in the future that may have an effect on my ability to remain in compliance
29 with the drug and alcohol policy and/or this agreement.

8. I realize that violation of the drug and alcohol rules and/or policies at any time in the future is cause for termination.

9. I realize that my employment will be terminated if I fail to meet the expectations outlined in this Agreement and the letter attached.

Disciplinary Action

I understand that the disciplinary action imposed in the attached letter may not be grieved under the grievance procedure in the Local 1094 contract.

ADDENDUM C
MEMORANDUM OF AGREEMENT
EMERGENCY CONDITIONS PROVISIONS

I. Parties

The parties to this Memorandum of Agreement (hereinafter "MOA") are Multnomah County, Oregon (hereinafter referred to as the "County") and the International Brotherhood of Painters and Allied Trades and District Council 5 of Oregon, Washington, and Idaho, AFL-CIO (hereinafter referred to as the "Union").

II. Background

- A. The IUPAT Local 1094 2016-2021 Collective Bargaining Agreement (hereinafter referred to as "CBA") was extended by MOA through June 30, 2023.
- B. In the MOA, language was included regarding operationally essential employee designation and compensation. All IUPAT Local 1094 employees are designated as "Operationally Essential" and required to report for duty regardless of facility closure or curtailment of some or all County operations and receive the Operationally Essential Assignment Compensation, which is two (2) saved holidays to be used within the fiscal year.
- C. IUPAT Local 1094 employees were designated as "Operationally Essential" employees in the MOA that was agreed to by the parties to extend the 2016-2021 CBA through June 30, 2023. Operationally Essential Employees are required to report to work when the County closes or curtails operations. However, they are not subject to the "Emergency Conditions Provisions" when the Director of the Department of Community Services (hereinafter referred to as "DCS") designates an emergency. An "Emergency" is defined as inclement weather or other condition,

1 which in the sole discretion of the Director of DCS, or their designee, constitutes a
2 present or imminent danger to the health, safety, or property of the people of
3 Multnomah County.

4
5 D. The Road Maintenance section of DCS has a need for volunteers when the Director
6 of the Department of Community Services designates an "Emergency" as defined
7 above in Section II.C.

8
9 E. The parties have a mutual interest to extend this MOA regarding "Emergency
10 Conditions Provisions".

11
12 THEREFORE, the parties mutually agree as follows:

13
14 **III. Terms**

- 15
16 1. The following language regarding Emergency Conditions Provisions in the
17 Department of Community Services (DCS) will apply to regular IUPAT Local 1094
18 employees.

19
20 **I. Purpose**

21
22 The purpose of this addendum is to set forth practice governing wage
23 entitlements during periods of emergency for IUPAT Employees who
24 volunteer or are required to work in Animal Services, Bridge Maintenance
25 and Operations, and Road Maintenance Sections.

26
27 **II. Agreement**

- 28
29 **A.** An "Emergency" is defined as inclement weather or other condition,
30 which in the sole discretion of the Director of Community Services or

1 their designee constitutes a present or imminent danger to the health,
2 safety, or property of the people of Multnomah County.

3
4 **B.** During the term of such an emergency, the "work day" for pay
5 purposes shall be the calendar day (midnight to midnight); however,
6 the Department will not schedule shifts overlapping calendar days for
7 the purpose of avoiding overtime pay.

8
9 **C.** An employee sent home during the work day, regardless of whether or
10 not the employee is recalled, shall receive a minimum of eight (8) hours
11 of pay for that work day.

12
13 **D.** The total number of hours worked during the work day, regardless of
14 how divided, shall be added to determine the total number of hours
15 worked for pay purposes during the work day.

16
17 **E.** All hours worked in excess of the employee's regular scheduled hours
18 for the day shall be compensated at the overtime rate of pay. For
19 example, an employee regularly scheduled to work a 4-10 schedule
20 will receive overtime after ten (10) hours in the workday. However, on
21 the first (1st) day of the emergency, any employee sent home and
22 called back within the same work day shall receive an additional two
23 (2) hours of overtime pay in addition to the compensation as computed
24 and paid as the paragraph above.

25
26 **F.** All hours worked during swing and graveyard shifts shall be paid at the
27 contractually required shift differential.

28
29 **G.** In recognition of the difficult conditions required during emergencies
30 and the willingness to provide substantial flexibility in directing and
31 scheduling work, employees will receive a twenty percent (20%)

premium for all hours worked during the term of the emergency. Otherwise employees will continue to receive compensation based on their schedule prior to the declaration of emergency. For example, and not to limit the interpretation of this provision, a 4-10 employee regularly scheduled to work Monday through Thursday will receive overtime after ten (10) hours of work in a work Monday through Thursday, will receive double time pay for work on Saturdays and Sundays, and will receive holiday premium and holiday leave for ten (10) hours when working on an observed holiday. All other terms of the Collective Bargaining Agreement will remain unchanged.

H. While employees are expected to make reasonable efforts to perform the duties of their job during a declared emergency, the County will also make reasonable efforts to accommodate impacted employee requests for leave.

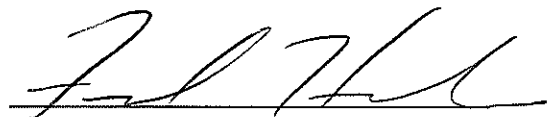

I. Employees will not be required to perform an assignment for which they have not been adequately trained and which poses a hazard to the employee's safety and welfare.

2. The parties have agreed to extend this MOA and it will expire on June 30, 2027, unless the parties mutually agree to extend the MOA further or incorporate the language into the CBA during successor contract negotiations for the IUPAT Local 1094 2023-2027 CBA.

3. Any dispute over the meaning, interpretation, or application of this MOA shall be subject to the grievance procedure set forth in Article ~~18~~-17 of the IUPAT Local 1094 2023-2027 CBA.

1 Agreed to this 16th day of November, 2023.
