Executive Summary

The Child & Family Hunger Relief Program improves access to fresh and healthy foods. It increases food security by providing summer meals and food assistance programs via SUN Community School so that all children can reach their full potential. Children must have their basic needs met to be ready and able to learn. The COVID-19 pandemic has created many food access barriers for families, especially Black, Indigenous, and families of color. To better meet these growing food needs, the Hunger Relief Program coordinates with federal programs, nonprofit providers, SUN Community Schools, school districts, and other community partners.

Program Description

ISSUE: Healthy nutrition is vital to brain development and learning. Child food insecurity and a lack of access to fresh and healthy foods are barriers to health and learning. In Multnomah County, children experience food insecurity at a rate of 20%. Communities of color also experience hunger at rates higher than the general population. This food insecurity has continued to skyrocket as a result of the COVID-19 pandemic and inflation. Despite Oregon's high hunger rate, millions of Federal food funding dollars for children go unused.

PROGRAM GOAL: The program has two goals. First, to reduce child and family food insecurity and hunger so children can be healthy and learn. Second, to increase collaboration and use of available funds to meet hunger needs.

PROGRAM ACTIVITY: The Child & Family Hunger Relief program is a partnership with the Oregon Food Bank, six school districts, Portland Parks & Recreation, Multnomah County Library, Portland Children's Levy, and Partners for a Hunger-Free Oregon. The program provides summer meals and food assistance programs via SUN Community Schools. This ensures an environment for families that is accessible and non-stigmatizing. For 8-12 weeks, underserved communities in Mid and East County receive summer meals. Summer meals is a combination of 10 SUN CS sites and 3 County libraries. Food assistance programs include 23 school-based food pantries and 7 Free Food Markets. The program also engages in policy work, including supporting the Child & Family Food Security Coalition. The Coalition leverages community partnerships to increase food security and food access, with a focus on culturally specific populations.
