Executive Summary

In the wake of a sexual assault, many support services require a survivor to engage with the criminal justice system. Sexual assault survivors need access to advocacy, regardless of whether they choose to prosecute their offender. This program supports community-based sexual assault advocacy to address the unique needs of survivors. These services are mobile, and available 24/7. All services are provided by contracted, community-based nonprofit agencies.

Program Description

ISSUE: Oregon has the second-highest lifetime prevalence of sexual assault in the country. Crisis lines in Multnomah County report more than 2,000 calls each year seeking sexual assault services. 75% of survivors choose to avoid working with the criminal justice system. Because of this, they are not eligible for traditional sexual assault victim services. Many never receive specialized trauma or medical services that can help them with their recovery.

PROGRAM GOAL: Community-based sexual assault and trauma services are available to survivors regardless of their choice to engage with the criminal justice system.

PROGRAM ACTIVITY: This program funds services to survivors of rape or sexual assault. Mobile advocates connect with survivors in a variety of non-traditional settings including hospitals, health clinics, urgent care centers, shelters, and schools. Funded positions include 24/7 crisis response, as well as bilingual/bicultural advocacy.

Sexual assault advocates provide medical and legal advocacy, case management, and flexible client funds for emergency needs. Limited relocation funds are also available. Contracted providers work with a variety of partners to coordinate our community's response to sexual assault.
