Executive Summary

Multnomah County’s Metro Supportive Housing Services Measure (Measure) Local Implementation Plan (LIP) calls out the importance of aligning the work of multiple County departments around the commitment to preventing and ending homelessness. This program offer provides Measure funding to better serve participants experiencing or at risk of homelessness in the Youth and Family Services (YFS) of the Department of County Human Services (DCHS).

Program Description

ISSUE: There is a lack of culturally-specific services that provide flexibility for the unique needs of families in poverty. Many homeless families are housed with short-term rent assistance through the Homeless Family System of Care (HFSC), but don’t qualify for longer-term retention services through the Multnomah Stability Initiative, due to strict program criteria.

PROGRAM GOAL: The MSI Bridge Program was developed to assist families in transitioning from the Homeless Family System of Care (HFSC) to the Youth and Family Services (YFS) Multnomah Stability Initiative (MSI).

PROGRAM ACTIVITY: The Bridge program has reduced program entry criteria and more intensive services than the MSI program, in order to further stabilize families before referring them to MSI. Services have been developed to target families with children under 18 years old, who are currently housed and at risk of homelessness. Culturally-specific and appropriate services are delivered by contracted partner staff. The activities of the Bridge Program include assisting families in stabilizing and securing housing; providing access to short-term rent assistance; making connections to legal clinic services; providing Assertive Engagement case management; connecting families to natural supports in the community like support groups and school programs; connecting people to job training, income and asset creation, and flex funds. This program funds staff to provide housing case management and skill building services.
