The Director is authorized to establish rules and procedures for the implementation and enforcement of this Section.

***REDUCED REDEMPTION AND FORFEITURE
OF TAX FORECLOSED PROPERTY***

(Ord. 1190, Add, 05/03/2012)

§ 7.421 FINDINGS.

(A) Properties ordered foreclosed for delinquent taxes by the court do not legally pass into County ownership for two years after date of judgment by the court pursuant to ORS 312.120, during which persons with recognized legal interests may pay all required taxes to redeem their property.

(B) During the two year redemption period, many properties are vacant, remain undeveloped or are subject to waste as defined in MCC § 7.400, resulting in significant deterioration and loss of value for the property as well as contributing to decline of neighborhoods, discouraging investment and attracting nuisances through accumulation of discarded material, occupancy by unauthorized persons and establishment of criminal enterprises.

(C) The 1989 legislature created authority for counties to enact ordinances to accelerate the expiration of the two year redemption period for tax foreclosed properties which suffer abandonment or waste and to require the tax collector to convey title to the County, permitting earlier County intervention to preserve the value of tax foreclosed property, enhancing recovery of delinquent taxes and protecting and preserving community interests.

(D) The interests of the County, through protection of the health and welfare of its residents and preserving the value of tax foreclosed properties, require that this ordinance be enacted as an emergency measure to meet and effectively deal with the problems attendant in the foreclosure of tax delinquent properties.

(Ord. 1229, Amended, 02/18/2016; Ord. 1190, Add, 05/03/2012)

§ 7.422 WASTE OR ABANDONMENT.

If the Director determines that any tax foreclosed property sold to the County pursuant to ORS 312.100, may suffer waste or abandonment during the two year statutory redemption period, the Director may require and conduct a hearing as further provided for herein to determine whether such property should be deeded to the County earlier than as provided at ORS 312.200.

(Ord. 1229, Amended, 02/18/2016; Ord. 1190, Add, 05/03/2012)

§ 7.423 NOTICE OF DIRECTOR'S HEARING.

(A) Not less than 30 days prior to the hearing conducted by the Director, the Director shall notify or cause to be notified the owner, any interested party, and the occupants of the property, in writing and by both certified and regular first class mail, of the following:

- (1) The date, time and place of hearing;
- (2) The date of the judgment entered pursuant to ORS 312.100;
- (3) The normal date of expiration of the period of redemption under ORS 312.120;
- (4) A warning that a determination that the property suffers waste or abandonment will result in forfeiture of the remaining redemption period and issuance of a deed to the County following expiration of 30 days from the date the Board makes such final determination and that all rights of effected persons will be forfeit forever unless the property is redeemed within that 30 day period;
- (5) Legal description of the property and its tax account number; and
- (6) The name of the owner as it appears on the latest tax roll.

(B) The notice required herein shall be addressed in the following manner, as appropriate:

- (1) If the notice required under this Section is to be given to an owner, the notice shall be ad-

dressed to the owner or owners, as reflected in the county records of deeds, at the true and correct address of the owner as appearing on the instrument of conveyance under ORS 93.260 or as furnished under ORS 311.555 or as otherwise ascertained by the tax collector of the County pursuant to ORS 311.560.

(2) If the interested party to whom the notice is required to be given is a lienholder, or person or entity other than the owner, having or appearing to have a lien or other interest in the property, the notice shall be addressed to the lienholder, person or entity at the address that the County knows or after reasonable inquiry has reason to believe to be the address at which the lienholder, person or entity will most likely receive actual notice.

(3) If the interested party is lienholder which is a corporation or a limited partnership, the County shall be considered to have made reasonable inquiry if the notice is mailed to the registered agent or last registered office of the corporation or limited partnership, if any, as shown by the records on file with the Oregon Secretary of State, or if the corporation or limited partnership is not authorized to transact business in this state, to the principal office or place of business of the corporation or limited partnership.

(Ord. 1229, Amended, 02/18/2016; Ord. 1190, Add, 05/03/2012)

§ 7.424 HEARING PROCEDURES.

(A) The hearing shall be conducted in a manner calculated to permit full opportunity for the parties to present and challenge evidence and for the receipt of evidence without strict observance of formal evidentiary rules, to the end that the Director may have sufficient basis on which to recommend to the Board that forfeiture is appropriate.

(B) Parties to the hearing may appear through a representative, so long as written authorization of any non-attorney to represent the owner or lienholder is included in the record. Electronic recording of the proceeding shall be made and preserved for not less than one year after the date of the hearing.

(Ord. 1229, Amended, 02/18/2016; Ord. 1190, Add, 05/03/2012)

§ 7.425 FINAL DETERMINATION, ENFORCEMENT AND REVIEW.

(A) After the hearing, the Director shall prepare written findings regarding waste or abandonment, submit such findings and a recommendation to the Board, and set a date for Board consideration and final determination at the next available regular meeting. No further evidence shall be taken by the Board at that time, but the Board may remand to the Director should it require further investigation.

(B) If the Board adopts the recommendation of the Director to declare the property wasted or abandoned, it may then direct the tax collector to deed the property to the County not earlier than thirty (30) days from the date of the Board's determination of waste or abandonment and the declaration of forfeiture, during which period the property may be redeemed by any party otherwise authorized by law to redeem the property. The Director shall provide a copy of the findings presented at the hearing in accordance with Subsection 7.425(A) and final determination to the Owner, any interested party, and the occupants of the property by both certified and regular first class mail.

(C) Upon failure of any authorized party to redeem within 30 days after the Board acts, the tax collector shall execute and record a deed, terminating all redemption rights and cancelling all taxes and special assessments.

(D) The provisions of MCC 7.401(D) shall not apply to any property deeded to the County pursuant to this Section.

(E) Should any parties remain in possession of the property after the execution and recording of the deed as provided herein, the County shall seek possession of the property pursuant to any and all rights and remedies available to the County as authorized or provided by law.

(F) Review of the Board's decision shall be taken solely and exclusively by writ of review, pursuant to ORS 34.010 to 34.100.
