

Division: District Attorney Administration

Program Characteristics:

Program Description

The Office of the District Attorney provides executive leadership, strategic direction, and organizational oversight for MCDA’s prosecutorial and administrative functions. This program serves as the leadership center of the office, guiding policy development, strategic planning, and daily operations to ensure MCDA remains responsive, transparent, and effective.

The Office of the District Attorney leads external engagement with public safety partners, legislators, and community stakeholders to advance sound criminal justice policy and strengthen public confidence in the justice system. This work includes listening to community concerns, participating in public forums, maintaining open communication channels, and sharing accessible data to promote transparency and accountability.

Internally, the Office of the District Attorney oversees communications, professional development, and leadership coordination, including Continuing Legal Education and training on emerging legal issues and technology. By setting organizational priorities and fostering collaboration across divisions and partner agencies, this program supports a justice system that is fair, efficient, and accountable.

Equity Statement

The Office of the District Attorney promotes equity through transparent leadership, accessible information, and meaningful community engagement. By aligning policy, data, and organizational priorities with fairness and accountability, this program helps build a justice system that serves all Multnomah County residents equitably.
