**Executive Summary**

The District Attorney (DA) and executive staff provide the leadership, vision, policies, resource allocation, oversight, and direction for the Multnomah County District Attorney's Office (MCDA). The DA leads and monitors daily operations and collaborates with other elected officials, public safety agencies, education and service providers, the judiciary, and law enforcement to create a safer community. The DA is responsive to the concerns of community members, crime victims, survivors of crime victims, and organizations concerned with equity, criminal justice reforms, victims' rights and other goals. MCDA is transparent and forthcoming with information, data and data analysis.

**Program Description**

The DA is responsible for the prosecution of crime. The District Attorney (DA) and executive staff are responsible for leading public relations, policy direction, long and short-range planning, internal human and labor relations, and oversight of daily operations. As the largest district attorney's office in the State of Oregon, representing Oregon's most populous county, the DA frequently partners with public safety officials locally, statewide, and nationally to work on enacting sound public safety policies, practices, and laws which reflect the desires of the community and increase transparency, confidence, fairness, equity and effectiveness system-wide. The office oversees administrative functions that support MCDA's law-related direct service work.

The DA and executive team represent MCDA to public safety peers, work with legislators and state law enforcement leaders, and provide assistance and leadership for statewide and national district attorney matters. The DA and staff meet with county, city and state legislators dozens of times each year to discuss pending policy and legislation and often help draft legislation around criminal justice. The DA is increasing MCDA's engagement with the public, including advocates for criminal justice reform, community groups with questions about the criminal legal system, and those who are concerned about crime. The Administration unit includes external and internal communications.

The office initiates and oversees Continuing Legal Education (CLE) sessions attended by attorney personnel. The DA encourages other education and training to keep attorneys and support staff current on everything from social movements to software, which are relevant to the work of MCDA.
