Program Summary

A number of specialty courts, including Mental Health Court, START Court, Drug Court, DUII Intensive Supervision Program, Domestic Violence Deferred Sentencing Program, and Community Court (including Bud Clark Commons), currently operate in Multnomah County. The Justice Reinvestment Program's mission is to identify gaps in efficiencies and improve utilization of these specialty courts by working with partner agencies to establish processes which assist offenders and provide a continuum of validated community-based programs that reduce recidivism and decrease jail/prison usage, while protecting public safety and holding offenders accountable.

Continuously evaluating the utilization and effectiveness of Multnomah County's specialty courts is necessary to maximize system-wide efficiency and reduce criminal conduct. By profiling the innovative aspects of each specialty court, along with the challenges each program faces, the Justice Reinvestment Program will continue to examine the strengths and weaknesses of individual specialty courts and offer recommendations for future improvement. Additionally, the Justice Reinvestment Program will continue conversations with Multnomah County judges to discuss the next steps in Specialty Courts analysis using program data. The Justice Reinvestment Program will also continue working with agency partners to examine the process and progress of specialty dockets, such as the new Veteran's Docket and the expedited probation violation docket.
