**Program Description**

MCDA's Justice Integrity Unit (JIU) manages matters implicating transparency and equity in the criminal justice system. This includes, but is not limited to, post-conviction relief litigation, motions to set aside convictions (expungements), Psychiatric Security Review Board and Parole Board hearings, certain hearings regarding violation of probation, review of clemency petitions, producing public records held by this office for inspection, and initial arraignment appearances on all criminal cases.

JIU DDAs appear at all criminal arraignments and present the State's position as to what level of restraint on a defendant's liberty, if any, is appropriate prior to trial. MCDA recognizes the substantial equity impacts of this responsibility and the immediate collateral consequences to defendants, victims, and the community of this decision. JIU DDAs work to promote consistency in release arguments and to ensure just and fair outcomes for all parties involved in a case.

MCDA acknowledges that harm from inequitable criminal justice policy has fallen disparately on communities of color. The intention and expectation of the JIU is that MCDA will address disparity in the criminal legal system. JIU tracks the demographic information related to cases that it works in order to measure that impact, and to ensure that this unit does not increase disparities that already exist.

MCDA works to expeditiously advance eligible applicants motions to have their criminal records expunged. This allows people who have exited the criminal justice system without incident for several years to avoid numerous collateral consequences that flow from having a criminal record. MCDA has modified its policies to reduce the number of defendants who would be denied expungement based on an inability to pay fines and fees in other matters. The result is equitable social outcomes for populations that are over-represented in the criminal justice system, and thus inequitably disadvantaged by it.

During Mid-Fiscal Year FY 2025, the Justice Integrity Unit (JIU) reorganized by taking on 9.6 FTE and duties from the now-dissolved Pretrial Unit. The work absorbed advances the mission of JIU and is more efficiently supervised under its umbrella. New duties include arraignments, public records provision, probation violation hearings, and matters relating to inter-state coordination with other prosecuting authorities.

Also, to more align with operations, 1.0 FTE DDA was moved from the Body Worn Cameras (BWC) program offer to this program offer.
